Royal Agricultural Society of NSW

Welcome from the President

Agricultural competitions are at the heart of the Royal Agricultural Society of NSW (RAS) charter – to encourage and reward excellence, and support a viable and prosperous future for our agricultural communities. And while our Sydney Royal Competitions are focussed on striving to promote the best this country has to offer they also enhance education, offering a respected forum where knowledge can be passed on so the next generation can learn to keep up traditions or build on them for the future.

Involvement in our Sydney Royal Competitions provides a platform for benchmarking and equips winners with a distinguishing asset.

There is pride the whole state can revel in when the best of the best compete in the city, and personal satisfaction to be gained as well. Winning a prestigious Sydney Royal award not only is a reward for hard work and dedication, it can also bring numerous commercial benefits, enabling our rural communities to remain strong and vibrant.

The integrity of our Sydney Royal Competitions rests in the hands of accomplished, impartial and independent judges. Their professionalism energy and high ethical standards never fail to impress me. It would be remiss of me not to thank them and extend thanks also to our Stewards, our generous Competition partners, our Committees and supporters.

I look forward to seeing the range of high quality entries in this year's Show and witnessing many exhibitors and producers take home a coveted Sydney Royal award – a mark that represents excellence and can open doors to numerous commercial opportunities.

Whether your entry is an award recipient or not, I hope that you and all exhibitors benefit positively from the Sydney Royal experience.

A handwritten signature in black ink, reading 'Robert M. Ryan'.

PERPETUAL TROPHIES

The purpose of competition at the Sydney Royal Easter Show is to encourage agricultural and pastoral excellence, ensuring the continual improvement of standards. In the 1870s the Society introduced regulations to govern judges and judging to ensure that competition was consistent and fair, and the tradition of Perpetual Trophies dates back to this time.

The Perpetual Trophies are the most prestigious of all RAS awards. They have a dual function in recognising superior effort in competition and commemorating people and organisations that have had a long and meritorious connection with the Society. Some of the trophies currently competed for were first won in 1911. Winners of Perpetual Trophies are permanently honoured, taking their place alongside past winners and becoming part of the ongoing tradition of the RAS.

The Perpetual Trophy Collection of the RAS is unique. It comprises a wide range of beautiful and elegant trophies that illustrate an extraordinary history of agricultural judging and the pursuit of excellence.

Enquiries regarding the donation of Perpetual Trophies should be directed to the RAS Heritage Centre.
