Royal Agricultural Society of NSW

Welcome from the President

The spirit of friendly competition comes alive at the Sydney Royal Easter Show each year when Australia's agricultural community comes together to celebrate. Thank you for joining this community and entering a Sydney Royal competition.

Today the Sydney Royal competitions held at the Show attract close to 30,000 entries each year from skilled breeders, producers and craftspeople across the country. Because our competitions set benchmarks in excellence and encourage development and innovation, they continue to be an important part of Australia's agricultural industry. Winning a prestigious Sydney Royal medal not only confirms the exceptional standard of your entry, it can also bring commercial advantages. Major award winners have the benefit of using Sydney Royal medal artwork to promote their success in marketing campaigns.

Every year we work hard to evolve the Sydney Royal competitions. Our commitment to adapting to consumer and industry trends keeps our competitions relevant and encourages world-class excellence amongst entrants.

The integrity of the competitions relies on the professionalism and ethical standards of our judges, and I thank them for the dedication and knowledge they share with us. I also extend thanks to our Stewards, generous sponsors, our Committees and supporters.

I wish you the very best of luck this year, and whether your entry is an award winner or not I hope you benefit from your Sydney Royal experience.

A handwritten signature in black ink that reads 'Robert M. Ryan'.

- if an Exhibitor enters an Exhibit as part of a business enterprise, the Exhibitor has an ABN, but the Exhibitor is NOT REGISTERED for GST.

PERPETUAL TROPHIES

The purpose of competition at the Sydney Royal Easter Show is to encourage agricultural and pastoral excellence, ensuring the continual improvement of standards. In the 1870s the Society introduced regulations to govern judges and judging to ensure that competition was consistent and fair, and the tradition of Perpetual Trophies dates back to this time.

The Perpetual Trophies are the most prestigious of all RAS awards. They have a dual function in recognising superior effort in competition and commemorating people and organisations that have had a long and meritorious connection with the Society. Some of the trophies currently competed for were first won in 1911. Winners of Perpetual Trophies are permanently honoured, taking their place alongside past winners and becoming part of the ongoing tradition of the RAS.

The Perpetual Trophy Collection of the RAS is unique. It comprises a wide range of beautiful and elegant trophies that illustrate an extraordinary history of agricultural judging and the pursuit of excellence.

Enquiries regarding the donation of Perpetual Trophies should be directed to the RAS Heritage Centre.
