## COMPETITION DETAILS

The Royal Agricultural Society of New South Wales has a long and rich horticultural history. Since 1929, Flower & Garden Competitions have featured at the Sydney Royal Easter Show.

In 2023, the Sydney Spring Garden Competition will continue our tradition of fostering excellence in horticulture.

This unique Competition honours the bequest of Lt. Col. Charles Ronald Christian, a British Army surgeon who visited Australia in 1933. Dr. Christian bequeathed equal shares of his estate to the cities of Sydney and Perth for the purpose of awarding annual prizes to beautiful gardens in front of or around private homes. He expressly detailed that such gardens must be viewable to the general public from a public right of way.

Between 1972 and 1979, the Sydney Garden Awards were administered by the City of Sydney, with the assistance of the Royal Horticultural Society of NSW.

Forty years later, Dr. Christian's vision will again be realised by inviting entries from beautiful Sydney gardens.

The 2023 Sydney Spring Garden Competition will consist of one Class only.

### Class Description

Residential Garden, any style or size, in front of or around a private dwelling. The garden **must** be viewable from a Public Right of Way.

*Class supported by The Charles Christian Trust Fund.*
