MACQUARIE

2015 Macquarie Group Sydney Royal Wine Show

Macquarie Group is delighted to have been associated with the Sydney Royal Wine Show for more than 10 years, in recognition of the important role of wine in the agricultural development of Australia.

The Royal Agricultural Society (RAS) has been integral in fostering and maintaining the reputation of Australian wines around the world, supporting Australian wine making and wine makers through encouraging excellence and innovation.

This is something we believe deserves celebration and we would like to congratulate the Royal Agricultural Society of NSW for staging yet another outstanding Sydney Royal Wine Show.

Through this event, the RAS sets a competitive benchmark for wine production. The show is the country's leading platform for showcasing Australian wines to the public and provides a forum for producers to meet and share their expertise with their contemporaries.

And through investing in the future of wine making through the various educational initiatives offered to emerging producers, the RAS is helping to ensure the ongoing evolution of Australia's world-class wine industry.

We are proud to be part of this year's Sydney Royal Wine Show and wish the competitors and exhibitors well.

Greg Ward
Deputy Managing Director
Macquarie Group Limited

Welcome from the President

Thank you for entering one of our Sydney Royal Competitions and congratulations to all entrants who were successful in winning a prestigious Sydney Royal medal.

Our Sydney Royal Competitions continue to attract a remarkably high standard of entries from across the country. These Competitions provide producers with an important platform to benchmark their products and to be rewarded for agricultural excellence.

Winning a Sydney Royal medal has the power to elevate a product in the consumer's eye and provide producers with commercial and marketing benefits, so I encourage all winners to take advantage of this great opportunity.

Each year, we review our Competitions to ensure they remain relevant to industry standards and consumer trends. I hope you enjoyed any new changes or improvements in your Competition area this year.

Our Sydney Royal Competitions are renowned for their fair yet rigorous judging process to ensure the 'best of the best' are awarded. The standards set at our Competitions are recognised across Australia, highlighting the integrity of our Competitions. I wish to thank all the judges for their time, knowledge and effort this year.

I would also like to extend my gratitude to all associated sponsors who support the ongoing development of our Sydney Royal Competitions each year.

I look forward to seeing winning producers enjoy the commercial benefits of Sydney Royal success. Thank you again for supporting the Royal Agricultural Society of NSW and I encourage you to enter again next year.

Robert M Ryan OAM

Class 5 - Sauvignon Blanc, 2013 and older

JUDGES COMMENTS: A varied Class, wines definitely lacked varietal intensity & more often than not rested on residual sugar rather than fruit core. The top wine showed vibrancy, clarity and minerality that good SB from Australia can exhibit, not pushed too hard, with good handling.

Class 12 - Chardonnay, 2013

JUDGES COMMENTS: A pleasure to Judge.... top wines world class examples of the variety. Best wines showed freshness and clarity, deft oak and sulphide nuance, detail and drive across the palate. Great diversity of styles.... there were some beautifully crafted wines that were just underfruited but on the whole, a fantastic Class.

Class 18 - White blends and/or other varietal wines, 2012 and older

JUDGES COMMENTS: Much debate over the top wine in class. The wine was ageing gracefully, lovely developed toast, lanolin and citrus rind fruit aromatics. The palate, youthful, however too simple to reach the ultimate award. Other wines, lacks the intensity, vibrancy or complexity.

Class 28 - Cabernet Sauvignon, 2012

JUDGES COMMENTS: A strong Class with a high strike rate, really strong Silver and many Bronze, lots of powerful wines, the Golds showed finesse. A variety that shows sensitivity to climate. Freshness and balance were not always achieved, with some over-oaked wines, and some over-extracted wines. The best wines showed great varietal character and poise, with length, purity, and intensity.

Class 35 - Shiraz, 2012

JUDGES COMMENTS: Excellent Class to judge showing strong wines of a wide range of styles. The top wines showed fruit purity, density, tension and a considered approach to oak / stem use. Some dead-fruited and evolving wines a concern further down the pack.

JUDGES COMMENTS: Enjoyable Class but too many beige wines lacking spark and interest. Best wines showed clarity and detail. Quite a few jumbled wines....and watch VA.

Class 56 - Single Vineyard, Shiraz, Any vintage

JUDGES COMMENTS: An exciting Class showing a diversity of styles from a number of regions. Best wines showed purity of fruit, freshness of line and a deft use of oak (or stems if that was the intention). Low points match the oak and balance an issue with some wines.
