Thank you from the President

Thank you for entering in this Sydney Royal Competition and congratulations to those who were successful in winning a prestigious Sydney Royal medal.

It's quite remarkable that every year our Sydney Royal Competitions attract such a high standard of entries, not only from New South Wales, but from right across the country. Agricultural competitions are at the heart of the Royal Agricultural Society of NSW (RAS) charter – to encourage and reward excellence, and support a viable and prosperous future for our agricultural communities.

To be the recipient of a Sydney Royal award is a significant achievement representing months, years and sometimes decades of hard work and dedication. To help winning Exhibitors promote their success, the RAS provides Champion, Trophy, Gold, Silver and Bronze medal winners with Sydney Royal artwork to use on product packaging and other marketing materials to promote their success.

Our Competitions are reviewed every year to ensure they remain relevant to industry standards and are up-to-date with changing trends. Please do give us your feedback; we value the strong links we have with agricultural industries.

There are many people involved in making our Competitions the world-class events they are and I thank our stewards and judges for their time, expertise and energy. Their impeccable ethics ensure only the best of the best are awarded. I also extend my gratitude to our generous Competition partners along with our Committees and supporters.

On behalf of the RAS, thank you for your support of our Competition program. Your participation plays an important role in assisting the RAS to educate and increase awareness about the importance of our agricultural industries.

I hope you enjoyed your Sydney Royal experience and I encourage you to join in the tradition of entering every year.

Robert Ryan OAM
President, Royal Agricultural Society of NSW

Class 7 - Semillon, 2016

JUDGES COMMENTS: Many wines reflected the difficult vintage conditions presented in 2016. Some wines were looking forward and forced. The best wines were lively and had freshness with citrus flavours and line, though these were in the minority. A Gold medal remained elusive.

Class 25 - Tempranillo, 2016 and older

JUDGES COMMENTS: Very interesting Class. Two top wines showing different styles done well. Many Exhibits need to be mindful of the level of new oak and time in oak that Tempranillo can handle so that the fruit is not dominated or tannin profiles dried out.

Class 30 - Cabernet Sauvignon dominant blends, 2016

JUDGES COMMENTS: A disappointing Class, current vintage should be brighter but as a whole these wines were already brown and advanced. A reflection of a tough vintage and hopefully the better wines are yet to be bottled.

Class 47 - White & Rosé sparkling wine, classic varieties and blends thereof (Chardonnay, Pinot Noir and Pinot Meunier), bottle-fermented (transfer and Méthode Traditionelle), 30 months or more tirage age. Any vintage or NV (non-vintage)

JUDGES COMMENTS: What a joyful way to start a Tuesday morning. There are some fantastic examples of matured less aged Australian sparkling which perform on a world stage. The watch outs are overripe and broad fruit along with keeping the dosage in balance. A couple of bacterial issues to monitor during tirage.
