Royal Agricultural Society of NSW

Welcome from the President

Welcome to the 2024 Sydney Royal Easter Show competition season and thank you for your interest in entering one of our Sydney Royal competitions.

The Royal Agricultural Society of NSW is proud to host Australia's finest agricultural competitions at the Sydney Royal Easter Show. Encouraging sustainability and innovation, and rewarding excellence in our very diverse range of competitions not only delights Showgoers every year but also drives the progress of Australian agriculture and individual pursuits.

Competitions are central to the mission of the Sydney Royal Easter Show, which is to celebrate Australian culture in agriculture. They not only improve the quality of agricultural produce, animal breeds and arts & crafts, but also, they provide a forum for both city and country people to showcase their varied talents, animals and sporting prowess.

A Sydney Royal award is a recognised mark of distinction. Winners set industry benchmarks and establish market trends. Exhibitors and competitors confirm that this is why Sydney Royal competitions continue to play an important role in Australia's modern culture.

The Sydney Royal Easter Show is an iconic Australian event, attracting over 800,000 people every year. Our competitions are the central part of that draw, and your participation makes you a vital part of our proud history and promising future!

I trust that you will enjoy the experience and benefits of your Sydney Royal experience.

PERPETUAL TROPHIES

The purpose of competition at the Sydney Royal Easter Show is to encourage agricultural and pastoral excellence, ensuring the continual improvement of standards. In the 1870s the Society introduced Regulations to govern judges and judging to ensure that competition was consistent and fair, and the tradition of Perpetual Trophies dates back to this time.

The Perpetual Trophies are the most prestigious of all RAS Awards. They have a dual function in recognising superior effort in competition and commemorating people and organisations that have had a long and meritorious connection with the Society. Some of the trophies currently competed for were first won in 1911. Winners of Perpetual Trophies are permanently honoured, taking their place alongside past winners and becoming part of the ongoing tradition of the RAS.

The Perpetual Trophy Collection of the RAS is unique. It comprises a wide range of beautiful and elegant trophies that illustrate an extraordinary history of agricultural judging and the pursuit of excellence.

Enquiries regarding the donation of Perpetual Trophies should be directed to the RAS Heritage Centre.
