8. The judges may make awards on the basis of First, Second, Third, Very Highly Commended, Highly Commended, and Commended, but prize money will only be allocated for first and second awards.
9. Entries must be made on forms supplied by the Society for that purpose. Exhibitors must state on the certificate of entry the class to be competed for, the distinguishing mark on the exhibits, character and vintage of the wine, and, when stipulated, the quantity in stock.
10. No person will be allowed to inspect a certificate of entry, after reception by the Director, until the judges' awards have been made public.
11. After the close of entries, no person will be permitted access to the exhibits, except the Judges, Stewards, Director and Staff until the awards have been made.
12. Exhibits are to bear the labels supplied by the Society for that purpose, and must show:—
 - (a) The year of the Competition (1956).
 - (b) The number of the class.
 - (c) Where more than one entry, the distinguishing mark of the entry to conform to the certificate of entry.
 - (d) The year of vintage.
 (N.B.—bottles must not bear any labels other than those supplied by the Society. Branded bottles and corks are permissible.)
13. Sparkling wines must represent wines with natural effervescence, the result of fermentation in bottle. Stock in hand at date of entry to be not less than 100 dozen reputed quarts or 200 dozen reputed pints.
14. Exhibits to be delivered to the Overseer's Office at the Showground in cases properly marked to show exhibitor's name, not later than Monday, 28th January, 1957.
15. In all classes, the wine in stock as stated on the certificate of entry may be inspected and checked by a representative of the Society or its nominee. Each exhibitor must supply the Society with a sealed envelope containing the record of any sale made subsequent to their entries being lodged, provided such sale has reduced the stipulated quantity below the minimum.
16. Immediately after the closing date of entries a draw will be made for the selection of three exhibitors from whose entries a further draw will be made to enable one sample to be selected from each exhibitor. An official of the Society shall make an inspection of the quantity of such wine in accordance with the certificate of entry and his report will be later considered by the Committee.
17. Unless otherwise stated, all exhibits to become the property of the Society.
18. Exhibits must represent stocks as set out on the certificate of entry and be the bona fide property of the exhibitor at the time of entry.
19. All wine exhibits must be the sole produce of Australian grapes and free from any foreign substance. The Society reserves the right to have any exhibit inspected and/or analysed by one or more persons appointed for that purpose.
20. All exhibits must conform to the respective Wine or Food Acts of the States of New South Wales, Victoria, and South Australia.
21. No protest will be entertained unless made within 7 days of the announcement of the awards.
22. No entry will be received from any person or persons disqualified by this or any other similar Society during the period of such disqualification. Should any entry be accepted, it shall, when discovered, be deemed void and the entry fee and the exhibit shall be forfeited to the Society.
23. All persons exhibiting shall accept the decision of the judges appointed by the Society as to the merits of their exhibits.
24. No exhibitor or representative or employee of an exhibitor shall occupy the position of judge, or become in any way identified with the judging or handling of the exhibits. This rule shall not apply to stewards appointed for training experience only.

The judges shall have power to call in one or more persons, not being exhibitors, for consultative or advisory purposes.
2. In the event of there being no competition in a class, judges may award a prize or not, as they think fit. Prizes may be withheld in any class where exhibits are considered unworthy.

WHISKY AND RUM CHAMPIONSHIP AWARDS—ADDITIONAL SAMPLES TO BE SUBMITTED.

Exhibitors desiring their exhibits to be eligible for championship of its class shall be required to submit with their entries two additional samples of each exhibit in the Overproof classes reduced to a strength between 30° and 33° U.P.

The object of this suggestion is to ensure that the Spirits when being judged for the championship of its class, will have been sufficiently "married" in preference to the practice of the Judges adding the required quantity of water at the time of judging to bring the strength of the exhibit (whatever it may be) to between 30° and 33° U.P. This ensures a more equitable standard of Spirit for the judging of the championship.

A Champion Award may be made each for: Whisky, Rum, and Gin. See Special Prizes (Cups and replicas) presented by The Wine and Spirit Merchants' Association of N.S.W.

AUSTRALIAN WHISKY, RUM, GIN, LIQUEURS, AND CIDER SPECIAL REGULATIONS.

- No person, except as hereinafter stated, will be allowed to inspect a certificate of entry, after reception by the Director, until the judges' awards have been made public. To ensure that an exhibitor has entered in the correct section, a sub-committee comprising members of the Society's Wine Section Committee and The Wine and Spirit Merchants' Association of N.S.W. shall vet the applications after the closing date of entries.

- No exhibitor shall advertise or allow to be advertised by any means whatsoever and whether by broadcasting, pictorially, or in writing, the fact that any exhibit has won any prize in this section unless such advertisement shows clearly in type of equal prominence both the class in which such prize was won and the qualifications necessary for entry in that class.

- In the event of there being no competition in a class, judges may award a prize or not, as they think fit. Prizes may be withheld in any class where exhibits are considered unworthy.
