#### Our mission:

# Taking excellence in Australian agriculture to the community.

#### **Our values:**

- We are proud of our history and achievements.
- Encouraging the sustainable development of agriculture is fundamental to all that we do.
- We respect and value the contribution of all our volunteers. Our success is based on strong individual commitment and our ability to work together as a team.
- We care for and maintain our facilities and assets because we know they are vital to our long-term performance.
- We understand the need for strong working relationships with people and organisations having mutual interests and we work hard to develop and maintain them.
- Our customers are our business.

#### Our purpose:

- To encourage the sustainable development of agriculture by holding events and competitions that support agricultural excellence and innovation.
- To expand and promote our role as a key constructive influence in Australian agriculture, its development and education.
- To manage, market and maintain Sydney Showground effectively to ensure our sustained economic viability.

Royal Agricultural Society of NSW

## PRESIDENT'S REPORT

In the 2007/2008 year the Royal Agricultural Society of NSW (RAS) continued our long established charter to promote and foster sustainable Australian agriculture through competition, education and events.

With drought still affecting much of NSW, the need to encourage, engage and support our regional communities was as great as ever. I am pleased to report that through the effort of Council, staff and many Members of the Society, the RAS has continued to maintain our long history of pursuing excellence in agriculture.

My recent appointment as President of the RAS is a wonderful privilege especially when I will be overseeing what I believe will be an exciting period of growth and development for the Society. Peter King, our Chief Executive, has put together a new Executive Management Team and they have been given the task of ensuring the continued relevance of the RAS to its Members, key stakeholders and many sponsors.

I would like to acknowledge the outstanding contribution made to the Society by our past President Mr Rob Vickery. Over the four years Rob led the organisation significant progress was made across a wide range of activities within our Society.

#### **Community Development**

His Excellency Major General Michael Jeffery AC CVO MC, Governor General of the Commonwealth of Australia, officially launched the RAS Foundation at the 2008 Sydney Royal Easter Show. The RASF is the charitable arm of the RAS with a commitment to encourage educational excellence and foster sustainable rural and regional communities across NSW.

In 2008 the RAS donated \$300,000 to the new RAS Foundation.

The younger generation of regional and rural communities is vital to the future success of Australian agriculture. With this in mind the Foundation conducts its mission via three key programs:

- The E<sub>3</sub> Grants encouraging educational excellence.
- The \$25,000 Question helping young people take bright ideas for community development to the next level.
- Donor Advised Scholarships a scholarship program funded by major donors for students.

Within the first 12 months of the Foundation's life, it distributed \$75,000 in total to community projects and envisages distributing another \$168,000 within the coming year.

The J B Fairfax Rural Journalism Scholarship was established with a private donation from Mr J B Fairfax, AO. The RAS Foundation's Donor Advised Scholarships program allows major donors to establish an educational scholarship in any area of interest to them, managed by the Foundation.

The inaugural Award, designed to encourage quality coverage of rural and regional affairs by Australian journalists, will be announced and presented at the 2009 Sydney Royal Easter Show.

#### **Financials**

The RAS recorded a contribution of \$1,342,000 in 2007/2008 against a break even budget due predominantly to increased revenues from our events and exhibitions business. The Sydney Showground hosted a number of large and successful 'one off' events in 2008 - the filming of the TV show Gladiators, a major pre Christmas concert by a band called Daft Punk and the World Youth Day event. These contributions were partially offset by a reduction in expected revenue from the Sydney Royal Easter Show due mainly to the fact that there were no school holidays for the duration of the Show this year and three wet weather days occurring at critical times.

#### **Competitions and Exhibitions**

The Sydney Royal brand continued to set industry benchmarks throughout 2007/2008 investing around \$6 million in running 41 annual Sydney Royal competitions including wine, fine food, art, livestock, woodchop, grain and horticulture.

As well as providing industry benchmarking, the competitions and awards create educational opportunities, generate commercial exposure for entrants and create significant financial returns for thousands of award winners.

The Sydney Royal recognises and celebrates the 'best of the best' in agriculture.

A recent addition to the Sydney Royal competition schedule, the President's Medal, has quickly become one of the Society's most prestigious and sought after awards. It is the only award of its kind in

#### PRESIDENT'S REPORT CONT.

Australia where Champion products and producers from the wine, dairy and fine food industries are assessed on financial, social and environmental performance, market acceptance and point of sale appeal as well as the passion of the producer.

Congratulations must go to the 2008 winner Country Valley, for their Lush Traditional Handmade Natural Yoghurt. Country Valley was selected from six outstanding Champion products from the Sydney Royal Wine, Dairy & Fine Food Shows.

#### **Sydney Royal Easter Show**

Approximately 800,000 visitors attended the 2008 Sydney Royal Easter Show from 20 March to 2 April. The Show is the largest annual event in Australia and one of the best events of its type in the world.

The Show is an iconic event in the NSW calendar and this year was acknowledged by being inducted into the NSW Tourism Hall of Fame as a three times winner of the Best Major Event award. The Show also won the Peoples' Choice Award for 2008, which it shared with BridgeClimb.

Increased marketing efforts aimed directly at attracting visitors outside the Sydney area saw a significant increase in attendees from regional NSW, interstate and overseas markets, making up nearly 20% of total Show attendance in 2008. School students also made up for over 18,000 of the attendance. They attended educational seminars and interactive agricultural exhibits that brought agricultural and rural issues to life.

During the 2008 Show a number of prestigious animal competitions were held.

The 2008 Sydney Royal Alpaca Show and the 2008 International Fleece Expo were held in the Munro Pavilion, Sydney Showground from 17 to 24 March. The Alpaca Competition had a record number of entries. Altogether, over 500 alpacas in the Suri and Huacaya breeds competed for the title of Supreme Alpaca in Show. This competition was held in conjunction with the 2008 Alpaca World Congress.

The 2008 Sydney Royal Easter Show was the first Royal Show to allow horses to compete following the outbreak of Equine Influenza in August 2007. The Show conducted the inaugural Sydney Royal Horse Classic. The support received from Exhibitors, Industry and Government was a crucial factor to the success of the event. Particular mention must be made of the NSW Department of Primary Industries which sponsored the event and provided \$100,000 in prize money to help encourage Exhibitors back into the equine arena.

The 2008 Sydney Royal Boer Goat Show was once again awarded National Show status by the Boer Goat Breeders Association of Australia, which is a wonderful achievement. This title is highly sought after and the quality and standard of our Show and its facilities ensures that we are a top contender for the title in coming years.

The 2008 Sydney Royal Beef Cattle Show featured Angus cattle as the feature breed with over 200 head entered and paraded before American judge, Dr Thomas Turner. The Angus Society of Australia was instrumental in showcasing the breed and provided \$20,000 in prize money. The Angus parade in the NAB Arena on the second Sunday evening was a major spectacle for Showgoers with approximately 150 cattle participating.

The 2008 Show would not have been possible without the continued support and contributions from all our Sponsors.

I would personally like to thank our Grand Champion Sponsors; Woolworths, NAB, Coca-Cola, Dairy Farmers and News Limited. Special thanks must be made to the NSW Department of Primary Industries for their support of the Sydney Royal Horse Classic following the Equine Influenza crisis.

The Show generated over \$17 million worth of media coverage, with seven hours of television coverage alone, the majority focused on the agriculture content of the Show. This media exposure provides enormous support to stakeholders of the event including commercial exhibitors, medal winners, agricultural exhibitors, entertainers and suppliers, as well as generating valuable coverage for the key educational and agricultural components of the Show in the community. Media was also generated through international channels thereby profiling Australian agriculture, Sydney and NSW as a premier destination for business.

#### **The Sydney Showground**

The RAS is one of the largest Event & Venue Management organisations in Australia.

In the 10 years since moving to Sydney Olympic Park in 1998, Sydney Showground has hosted over 3,500 events, ranging from trade and public exhibitions, special events and concerts, to HSC marking and film shoots, with overall estimated attendance of more than 20 million people.

In 2007/2008 alone, the Sydney
Showground hosted over 650 events.
Highlights include hosting almost 13,000
pilgrims over the 14 days of World Youth Day
Celebrations, the film set for the Channel 7
Gladiator television series and the venue for
the five day visit by the Dalai Lama. We also
continue to work with the Big Day Out team,
Board of Studies and a number of major
exhibitions, conferences and gala dinners.

With 20 venues that can be customised to suit any business event, the Sydney Showground has invested in upgrading its state-of-the art management systems, infrastructure and catering services, including new furniture and glassware to meet client expectations in an increasingly competitive marketplace.

#### PRESIDENT'S REPORT CONT.

#### **Australasian Animal Registry**

With a total of 144,600 new registrations, numbers continued to grow throughout 2007/2008, taking the total number of animals registered to over 1.7 million.

The Australasian Animal Registry (AAR) was set up in 1989 as a division of the Royal Agricultural Society of NSW. It is the most comprehensive animal registry and recovery service in Australasia and operates in all Australian states as well as New Zealand.

The AAR is regarded by many as the most reliable animal microchip database across Australasia as it provides an accurate and independent service designed to assist in the speedy recovery of registered animals.

The register continues to have a diverse group of animals with everything from alpacas, ferrets and donkeys to birds, cats and dogs in the database. Each year the AAR receives approximately 40,000 enquiries regarding registered animals.

Throughout the year a number of key projects were undertaken to re-structure the AAR to ensure that the increasing workload is effectively managed and plans for future growth are put in place.

#### **Staff Organisational Changes**

This year, we have seen a number of organisational changes designed to allow the RAS to most effectively handle the changing marketplace we work in and to set up the Society to accommodate the next period of growth and change.

In November 2007 Peter King commenced his role as Chief Executive of the RAS and since then he has set about understanding the needs and competencies required by the organisation and then building a strong executive team. This has largely taken place.

Brock Gilmour a 17 year RAS veteran was promoted to General Manager Finance, Administration and IT. Michael Collins in his role as General Manager of SRES took on the additional responsibility for running all agricultural competitions within the Show. Allan Morgan as General Manager for Venue Operations continues to oversee the Society's assets and venue management facilities. Karen Bolinger has filled a new position of General Manager responsible for all Sales and Marketing. This role includes external and internal communications, marketing, publications, website, membership development and Sydney Showground venue sales. Also new is Bernie O'Sullivan, our General Manager Agricultural Development. Bernie will drive our government and industry relations, the AAR, agricultural education programs, our wine, fine food and dairy competitions and develop our youth programs. Rebecca Barry has been appointed as General Manager Human Resources. Rebecca is responsible for key staff retention, learning and development, performance management and organisational capacity building.

This new group has reinvigorated the organisation and we all look forward to a strong year of staff development and integrated involvement with Council.

#### **Environmental Footprint and Conservation**

The RAS' environmental footprint continues to be front-of-mind for the organisation as we seek to encourage the sustainable development of agriculture. During major events like the Easter Show, the RAS diverts 97% of all its waste away from landfill into recycling, reuse or Green Power, leading the way in the events industry. The RAS is working on a program to promote its 'green credentials' more rigorously in association with the Show and its year-round Sydney Showground business.

#### **Conclusion**

The RAS is a unique, not-for-profit organisation – contributing enormous (and largely unheralded) benefit to the people of NSW – economically, culturally and socially. In addition, it is a successful venue operator and asset manager.

At its heart, the RAS is driven by passionate people who believe their contribution can enrich others and their community.

The RAS Councils' commitment in administering the activities of the organisation is enormous and conducted with an acknowledgment that we are the current custodians of the Royal Agricultural Society of NSW. We need to embrace our heritage and look to ensure we leave the organisation in better condition than when we arrived – to ensure it is around for at least another 187 years.

Rural communities have faced increasing challenges over the past year. Although the drought has eased in some areas, most of NSW is still in drought and world food shortages will continue to remain in the headlines. The RAS continues to focus on the need for raising standards for sustainable agriculture and is committed to developing education programs that address it. We aim to involve not only the farming community but also those in urban areas. We want the city to be as engaged as the country in finding new sustainable ways forward.

I would like to thank all members of the Council and staff for continuing to serve the RAS with honour, unceasing passion and commitment.

Glenn Dudley

G B Dudley, President

# RAS COUNCIL COMMITTEES

#### Mr Lorance R J Angus Ringmaster

The Ringmaster is responsible for the preparation of the ring program for the Sydney Royal Easter Show (SRES). This preparation includes the timings, entertainment and protocol for the conduct of all ring events. The Horse Committee also plays a crucial role throughout the Show helping to manage all events in the Main Arena including the determination of disputes and questions arising from the many competitions or events held in the ring.

Ringmaster Lorance Angus has an extensive history with the RAS having served as a Councillor since February 1987 and as Ringmaster since 1995. Mr Angus designed and oversaw the first Grand Parade in the Main Arena at Sydney Olympic Park and is the current Chairman of the Heritage Committee.

## Mr Gerry Andersen Dairy Produce Committee

The Dairy Produce Committee aims to promote the production of quality Australian dairy products. This is primarily achieved by conducting the annual Sydney Royal Cheese and Dairy Produce Show each February. The Committee regularly reviews and revises the range and suitability of entered products ensuring a consistently high standard. The competition continues to grow in popularity and the quality of produce continues to improve.

Chairman Gerry Andersen is a highly qualified and experienced leader in the Australian food industry, with a career spanning 30 years. Mr Anderson has been a Councillor since July 2005.

#### Mr Graham J Davey Horse Committee

The Horse Committee is committed to ensuring that all Show horse competitions and shows are the 'best of the best'.

Members, who are from regional and metro NSW, meet with a range of breed societies and organisations throughout the year to ensure that the Show program, exhibitor needs and wishes are all considered and met throughout the event. The Committee also works to continually promote the horse industry to all sectors of the community.

Chairman Graham Davey has a long involvement in the horse industry and is an accredited international Showjumping Judge with Federation Equestre Internationale and was a member of the Ground Jury for the Jumping at the 2000 Olympics. Mr Davey was elected to Council in September 1995.

## Mr Hunter B White Agriculture Committee

The Agriculture Committee represents the cropping and horticulture sections of agricultural production within the RAS. This is presented as the District Exhibits Competition at the Show where an array of Australian agricultural production is displayed in an artistic and creative way. The Exhibits have been a unique and iconic feature of the Show for more than 100 years.

Chairman Hunter White of Havilah Mudgee runs a mixed livestock grain farming enterprise in central west NSW and has been a Councillor since September 1994.

#### Mr Robert M Ryan Sheep Committee

The main objective of the Sheep Committee is 'to present the best competitive Sheep & Wool Show in Australia and to promote the complete sheep and wool industry and its excellence'.

Several shows are run throughout the Show including the Fleece Competition, Merino Sheep Competition and the Meat & Dual Purpose Competition. In addition, the Committee is involved in various judging competitions and oversees the Sheep Yard Dog Displays, Shearing Demonstrations and the Wool Fashion Parades.

Chairman Robert Ryan has 40 years of experience in the wool industry and is the current President of the National Council of Wool Selling Brokers of Australia. He is also the Managing Director & Chairman of the Board of Schute Bell Badgery Lumby, Woolbrokers and Stock and Station Agents in NSW and QLD. Mr Ryan was elected to Council in June 1996.

## Mr Adrian A Howie Disciplinary Committee

The Disciplinary Committee is responsible for handling issues concerning breaches of any RAS rules and regulations. The Committee meets on an as needs basis when any issue arises. Issues are dealt with as quickly as possible and on the basis of the evidence presented and in accordance with the guiding principles to be fair, just and to act without fear or favour.

Chairman Adrian Howie is a partner of Kennedy's Law and has been a solicitor for over 30 years. Mr Howie was elected to Council in November 1991.

#### Mr Robert B Kell Woodchop Committee

The Woodchop Committee is responsible for running and overseeing all Woodchop competition events at the Show, ensuring the continual smooth running of this iconic event. The Committee represents elite athletes from all over Australia and New Zealand with internationals often involved. The event aims to highlight their skills while providing much loved Show entertainment for patrons.

Chairman Robert Kell is a part owner of the well-known and highly respected Kell and Rigby Builders and was elected to Council in August 1993.

## **Mr Adrian Saines Poultry Committee**

The main focus of the Poultry Committee is to ensure that the Poultry and Pigeon Section of the Show is recognised as the supreme annual exhibition in Australia. Conducted at the start of the show season for poultry and birds, the Sydney Royal is recognised as the benchmark for all following competitions. The Committee promotes the Show and exhibitors as well as being informative, educational and interactive for the general public.

Chairman Adrian Saines was elected to Council in September 1994. During this time, Mr Saines chaired the Goat Committee for seven years and currently sits on the Pig and Alpaca, Woodchop and Veterinary committees. Mr Saines also chairs the Judging Competitions Special Committee.

## Mr Patrick R Keast Cattle Committee

The Cattle Committee aims to promote and develop the Australian cattle industry through competitions, exhibits and ensuring entries are of the highest level. Judging cattle is an art of its own and requires many years of experience to understand the nuances of various attributes in cattle breeds. As Woolworths purchase all entries for domestic consumption, this ensures that Sydney Royal attracts first class Exhibitors.

Chairman Patrick Keast runs a sheep, cattle and cereal crop farm in the Riverina. Mr Keast has extensive experience in showing, stewarding and judging livestock and currently sits on various agricultural and show committees. Mr Keast is a past President of the Agricultural Societies Council of NSW and still plays an active role; he was elected to Council in May 2000.

## RAS COUNCIL COMMITTEES CONT.

#### Mrs Cecily E Rogers Horticulture Committee

The aim of the Horticulture Committee is to educate and raise awareness of all aspects of the Horticultural Industry to the public. The Committee is responsible for all related exhibits and competitions at the Show, with the support of the competitors. Exceptionally high standards have been developed in both State and National competitions. At the Show a number of educational initiatives have been implemented including children's activities, and interactive garden talks and stage presentations.

Chair Cecily Rogers has many years experience in the cut flower industry, served as an educator in floral design and served as President of many organisations pertaining to the cut flower industry. Mrs Rogers was elected to Council in June 1998.

#### Mr Wayne B Burton

#### **Domestic Animals Committee**

The Domestic Animals Committee represents all domestic animal exhibitions and competitions at the RAS and aims to promote and educate the community on these animals. Animals included in the domestic animals section are dogs, cats, caged birds, rabbits, cavies, rats and mice. The Committee overseas competitions and shows within the section and provides educational displays in conjunction with specific breed clubs.

Chairman Wayne Burton is a self employed Logistics Consultant and an International All Breeds Dog Judge. Mr Burton was elected to Council in November 2006.

#### Mr Mal Morgan Goat Committee

The Committee's aim is to promote and educate the public about the Australian goat industry. The Committee is responsible for organising and overseeing all competitions and shows for the entire 14 days of the Show. The Committee aims for excellence in all rules, regulations and procedures aiming to ensure the continuous improvement of all competitions.

Chairman Mal Morgan breeds and exports goats and produces seed stock (live animals for herd improvement) for the local commercial industry. Mr Morgan has 42 years experience in Horticulture and has been a plant breeder for 22 years; he has been a Councillor since September 2007.

#### Dr Frank G Hooke Veterinary Committee

The Veterinary Committee comprises all veterinarians on Council and all Chairmen of livestock Committees. The Committee ensures that the RAS complies with animal health and quarantine requirements for the Sydney Showground precinct, provides veterinary services to exhibitors and competitors, administers a drug surveillance program for animal exhibits, undertakes ring surveillance, attends ring emergencies and ensures compliance with modern animal welfare standards. The Committee also provides general veterinary advice to Council.

Chairman Frank Hooke is a veterinary surgeon with a career developing animal health products, most notably with Pfizer where he headed up International Agricultural Development, based in New York. Dr Hooke was elected to Council in August 1992.

#### Mrs Robyn Clubb Agricultural Development Committee

The Agricultural Development Committee (ADC) seeks to identify and develop new avenues for promoting excellence in agriculture throughout NSW and Australia. Current activities include enhancing the Show Food Farm concept to further involve and educate the public. The Committee is also dedicated to the growth and development of members of the RAS Youth Group as future RAS leaders. The Youth Group largely comprises former RAS Rural Achievers and RAS Showgirls. The chair of the RAS Youth Group is Andrew Hamilton from Leeton.

Chair Robyn Clubb of Wisbey's Orchards Araluen runs a stone fruit orchard and cattle operations, and has been a Councillor since August 1993.

## Mr David S Clarke AO Wine Committee

The Wine Committee oversees the annual Macquarie Group Sydney Royal Wine Show which takes place in February each year. The show is at the forefront of the Australian wine calendar, and an annual review of classes has seen it remain contemporary and relevant. The Committee supports the annual Len Evans Tutorial to ensure standards of wine judging are acquired and passed on. An external wine consultative committee meets annually while other initiatives include an educational session to showcase the judging system, greater involvement in the Wine Communicators Australia Sydney Show lunch and a large consumer event, the Sydney Royal Wine Show Cellar Tasting.

Chairman David Clarke AO is Chairman of Macquarie Group and Winemakers Federation of Australia. He has been a Councillor since July 1986.

## Ms Lyndey Milan Fine Foods Committee

The Sydney Royal Fine Food Committee was established in 1997 to assist the advancement of newer forms of agriculture, reflective of modern eating habits. Beginning with competitions for coffee and olive oil, there are now 10 competitions across 14 days involving 223 officials. These include; pasta, aquaculture, bread, cake and pie, branded beef, branded lamb, beer, regional food and deli meats. With constant review to be contemporary and relevant, the focus is on tightening the link between producer and consumer. Noted for its independence and high standards, all products in the competitions must be Australian and are judged blind. Competitions are split between a summer show and spring show according to seasonality.

Chair Lyndey Milan is a successful food and wine personality who has helped shaped the Australian food industry. Ms Milan was Food Director of the Australian Women's Weekly for almost nine years and co-host of television show 'Fresh'. Ms Milan was elected to Council in September 1996.

#### Mr Paul R Hassab Pigs and Alpacas Committee

The key aim of the Pigs and Alpacas
Committee is to assist with the growth
and development of pure bred stock for
the future development of the Australian
pig industry and to encourage and aid the
improvement of alpaca breeds for fleece
production. The Committee oversees all
shows and competitions throughout the
Show including Junior Judging which was
developed to educate and ensure the
healthy continuation of both the pig and
alpaca industry. The Committee also runs a
number of other educational exhibits at the
Show for the public.

Chairman Paul Hassab has been involved in the Australian Pig Industry for some 35 years, formerly with the NSW Department of Agriculture for 29 years. Mr Hassab currently runs a rural supplies business in Port Macquarie and has been a Councillor since May 1990.

## **Ms Alison Renwick Arts Committee**

The Arts Committee has held competitions to promote excellence in fine and creative arts within the agricultural community and the wider community at large since 1869. It aims to encourage the artistic pursuits of both amateur and professional artists across all ages and artistic pursuits, and provide a unique forum to showcase their skills and talents.

Chair Alison Renwick runs her own art consultancy business based in Sydney and is a part-time lecturer at the University Of NSW College of Fine Arts. Ms Renwick was elected to Council in July 2003.

## **EXECUTIVE TEAM**

## Peter King Chief Executive

Peter's role is to oversee all activities conducted by the RAS and to ensure they are of the highest standard. Peter is committed to ensuring the integrity of our agricultural charter through competitions, growing our membership base, ensuring the continued growth of the Sydney Royal Easter Show and maximising the Sydney Showground venue sales.

Peter has a background in sales and marketing and nine years of Chief Executive experience around Asia Pacific with various global consumer product companies.

#### Bernie O'Sullivan

#### General Manager Agricultural Development

Bernie's role ensures our agricultural integrity and credibility according to our core RAS charter. He is responsible for Government and Industry relationships; agricultural education programs; wine, fine food and dairy competitions; the development of our youth programs and the Australasian Animal Registry business.

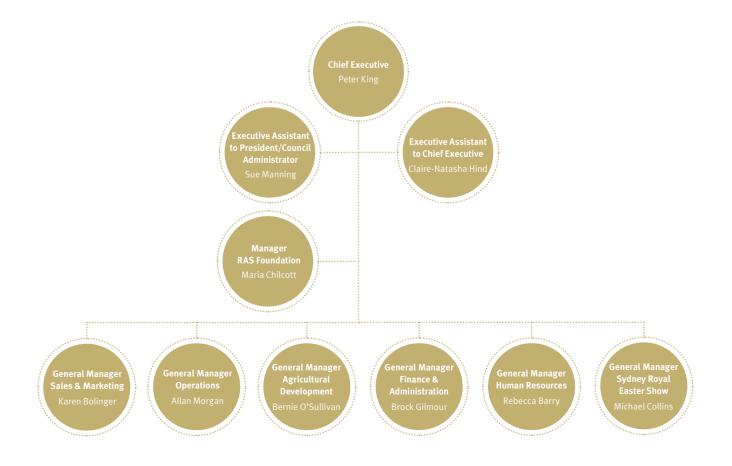

Bernie has significant experience in this sector and most recently worked as the Executive Director of the Sheepmeat Council of Australia, and previously with NSW Farmers' Association.

#### **Michael Collins**

#### General Manager Sydney Royal Easter Show

Michael's main responsibility is the planning and execution of the Sydney Royal Easter Show and all associated agricultural competitions. He is a long standing member of the RAS staff and has worked in various parts of the business.

Michael is well recognised within the events and attractions industry as a leader in his field and continues to pursue his passion for delivering a better Show each year.

#### Karen Bolinger

#### **General Manager Sales and Marketing**

Karen manages all external and internal communications, public relations, marketing, membership, in-house events and Sydney Showground venue sales. This is a newly established role with the key objective of aligning all sales and marketing aspects of the RAS. Karen has a broad marketing and sales background most recently with Staging Connections and previously with Sydney Convention and Visitors Bureau. She has great knowledge of the event and convention market segments and strong marketing and communication expertise.

#### **Brock Gilmour**

## General Manager Finance and Administration

Brock is responsible for finance, IT and administration of the RAS. He is a 17 year RAS veteran with a great understanding of all aspects of the RAS business having worked his way up through the organisation. Brock is also responsible for ensuring all governance systems and procedures are adhered to and has recently set up the RAS Service Centre to manage all administrative customer service issues across the business.

#### Allan Morgan General Manager Operations

Allan oversees the Society's assets, venue and facilities management, event planning, security and risk management.
Allan has been with the RAS for 10 years in a number of roles and has had a long and distinguished career in venue and event

management at various major facilities around Australia.

His management of the RAS asset continues to be of the highest standard.

## Rebecca Barry General Manager Human Resources

Rebecca is responsible for key staff retention, learning and development, performance management and organisational capacity building. Rebecca has been with the RAS for three years and has recently been elevated to GM status reflecting the importance of 'people' in the future plans of the RAS.

Rebecca is a proactive HR GM and actively seeks to improve standards and has a long history in venue HR management.
Rebecca is committed to ensuring staff are trained, inducted and recongnised for their contribution and achievements.

# CORPORATE GOVERNANCE STATEMENT

The Royal Agricultural Society of NSW (RAS) is a not for profit organisation established by an Act of the NSW Parliament in 1869. Its constitution is this Act, and the Rules that are from time to time amended by the Council. The key stakeholders are the Members. The governing body is a Council whose members are elected at the annual general meeting of the Members.

The Board is a Standing Committee of Council and as such it is not the peak body of the RAS. Whilst it has most of the responsibilities under the Rules of a normal corporate Board it is answerable to the Council and the Council is answerable to the Members. The Board members are elected by the Council.

The Council and Board of the RAS have adopted a formal statement on the corporate governance framework and policies of the RAS. This statement is subject to annual review and includes:

- The roles and responsibilities of the Council, Board and Management.
- The composition and size of the Board.
   The Council and Board members are listed at the end of the annual report. The only executive member is the Chief Executive.
- A code of conduct for the Council, Board members and Management.
- An Audit Committee of the Board ensures the RAS remains committed to financial integrity in its reporting.
- The Board is responsible for reviewing and publishing the annual report to Members in a timely and informative manner.
- The Board and Management ensure that the Members' rights are protected and that the Members are kept informed.
- The Board oversees the review and establishment of appropriate risk management policies for the RAS activities.

- The performance of the Board is self assessed annually and the performance of the Management is reviewed annually by the Remuneration Committee of the Board.
- Councillors and Board members serve without remuneration and staff remuneration is reviewed annually by the Remuneration Committee of the Board.
- Board and Council ensure the RAS continues to develop long term plans that will enhance the RAS objectives and take advantage of growth opportunities.

The complete Corporate Governance Statement can be viewed at the RAS website www.rasnsw.com.au

## **INCOME STATEMENT**

FOR THE YEAR ENDED 30 SEPTEMBER 2008

	Note	2008 (\$'000's)	2007 (\$'000's)
REVENUES FROM ORDINARY ACTIVITIES	•••••••••	•••••••••••••••••••••••••••••••••••••••	
Members' Subscriptions		1,174	1,349
Ground Operations, Building & Space Rentals		27,487	24,810

# NOTES TO AND FORMING PART OF THE FINANCIAL REPORT

#### 1. INCORPORATION

The Royal Agricultural Society of NSW (the RAS) is incorporated in Australia under the Royal Agricultural Society Act 1869.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### (a) Basis of Preparation

The financial report is a special purpose financial report that has been prepared in accordance with the measurement requirements of applicable Accounting Standards and other mandatory professional reporting requirements.

The financial reports have been prepared in accordance with the historical cost convention.

The financial report complies with Australian Accounting Standards, which includes Australian equivalents to International Financial Reporting Standards (AIFRS)

#### (b) Cash Assets - Unrestricted

For the purposes of the Cash Flow Statement, cash includes cash on hand, in banks, in cash funds and commercial bills readily converted to cash within 3 months or less.

#### (c) Trade and other receivables

Trade receivables are recognised and carried at original invoice amount less a provision for any uncollectible debts. An assessment for doubtful debts is made when collection of the full amount is no longer probable. Bad debts are written off as incurred.

#### (d) Inventories

Inventories represent food and beverage stock and have been valued at the lower of cost and net realisable value. Cost is determined on the average cost basis and comprises the cost of the purchase including the costs of bringing the inventories to location.

### (e) Property, Plant and Equipment

Property, plant and equipment are carried at cost. These assets are not carried at an amount above their recoverable amount, and where carrying values exceed this recoverable amount assets are written down.

#### Depreciation

Depreciation on the administration building is provided on a straight-line basis over a period of 50 years, which commenced on 1 October 1998. Valuations are carried out at least once every 3 years. Other items of property, plant & equipment are depreciated at rates based on their economic lives, using the straight-line method. Depreciation and amortisation are reviewed annually to determine useful life. The following estimates of useful lives are used in the calculation of depreciation:

	2008	2007
Buildings	50 years	50 years
Site Improvements	13 years	13 years
Plant & Equipment	10 years	10 years
Computer & Office	2 to 5	2 to 5
Equipment	years	years
Motor Vehicles	5 years	5 years
Fixtures and Fittings	7 years	7 years

#### *Impairment*

The carrying values of plant and equipment are reviewed for impairment at each reporting date, with the recoverable amount being estimated when events or changes in circumstances indicate that the carrying value may be impaired.

The recoverable amount of plant and equipment is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using an appropriate discount rate.

Impairment exists when the carrying value of an asset exceeds its estimated recoverable amount. The asset is then written down to its recoverable amount.

For plant and equipment, impairment losses are recognised in the Income Statement.

#### (f) Trade and other payables

Liabilities for trade creditors and other amounts are carried at cost, which is the fair value of the consideration to be paid in the future for goods and services received, whether or not billed to the entity.

#### (g) Revenue Recognition

Royal Easter Show (RES) operation revenue is recognised based on contract rental periods and when amounts fall due under the terms of the contract.

Sydney Showground revenue is recognised at the time the event occurs.

Gate receipts revenue is recognised at the time the event occurs.

Membership revenue is recognised in the year to which it relates.

Interest revenue is recognised on an accrual basis.

Revenue and expense include 'sponsorship contributions in kind'. All significant sponsorship contributions in kind are recorded as income using the estimated fair value or the cost of the goods or services utilised. The corresponding charge for these amounts is recorded as an expense. Sponsorship contributions in kind relate primarily to advertising, travel and accommodation charges.

#### (h) Employee entitlements

Provision is made for long service leave and annual leave estimated to be payable to employees on the basis of statutory and contractual requirements. The amounts provided have been apportioned between current and non-current, the current provision being the portion that is entitled to be paid within the next twelve months. Entitlements greater than twelve months are discounted based on an appropriate discount rate.

Payroll on-costs associated with leave entitlements are recognised as liabilities.

The employer superannuation contributions for salaried staff are paid to ING Superannuation (a Public Offer 'Master Trust') or another fund chosen by the employee. Contributions for other staff are paid to a number of Industry Superannuation Funds.

#### (i) Leased Assets

Operating lease payments are expensed to the Income Statement in the periods in which they are incurred. All of the RAS's leases are operating leases.

#### (j) Reserves & Cash Assets – Restricted

In June 2004 the Board of the RAS approved the creation of the Show Interruption Reserve. The reserve is available for use in the case of serious interruptions to revenue from the Royal Easter Show and will ensure a continuation of business without a reliance on borrowing or operating funds. The balance of the reserve will be reviewed annually. Board approval is required for any decision in relation to the Show Interruption Reserve. The Cash Assets - Restricted include both the Trust & Endowment Funds investment and the Show Interruption Reserve investment. The Show Interruption Reserve Investment can only be utilised in the circumstances outlined above and by decision of the Board of the RAS.

#### (k) Rounding

The financial statements have been rounded to the nearest thousand dollars.

#### (l) Income Tax

The RAS is exempt from income tax under section 50–105 of the Income Tax Act of Australia of 1997.

#### 3. MAJOR REPAIR FUND

On 27 September 1996 the RAS entered into a lease over the Showground and Administration Building for a period of 99 years with a further 99 year option. Under this Lease and commencing from 1 September 2000, the Sydney Olympic Park Authority ('SOPA') is obliged to make annual payments to a Major Repair Fund (MRF), which is sourced from the payment made by the RAS. The payment is calculated based on a percentage of the RES revenue and a percentage of the profit from other activities. Dependant upon certain terms and conditions, this obligation is approximately \$2.1 million per annum.

At the end of the financial year the current amount paid by the RAS to SOPA was \$1,819,125 (2007: \$2,022,478). This amount was contributed to the Major Repair Fund and the balance of this Fund at 30 September 2008 is \$14,411,710 (2007: \$14,492,879). This balance is held in a separate bank account by SOPA for the purpose of significant repairs and structural alterations in respect of the showground. During the year the RAS utilised \$2,582,642 (2007: \$2,286,976) on various approved major repair projects.

#### 15. FINANCIAL INSTRUMENTS

#### Cash

Cash comprises cash on hand and cash investments comprising debentures, bank bills, term deposits, cash funds, and short term deposits (11am account). All cash is invested in accordance with the RAS's investment policy which seeks to minimise capital risk. The weighted average interest rate on debentures, bank bills and term deposits was 7.53%.

#### Receivables

The majority of trade receivables as at 30 September 2008 are for future events. These amounts are payable before the event commences. As such the exposure to bad debts for the RAS is not significant.

#### **Trade Creditors and Accruals**

Trade creditors and accruals are recognised once contracted and whether or not invoiced. Amounts owed to suppliers are settled as specified in the RAS's trading terms.

• Taxation 3,100 7,063

In addition to providing audit and assurance services Ernst & Young provided advice to the RAS in 2008 in respect of taxation. Ernst & Young, due to their long association with the RAS, are in the best informed position to advise the RAS in this area. It is the opinion of Ernst & Young, and the RAS, that this work does not impair the independence of the audit.

#### 17. RELATED PARTY TRANSACTIONS

The Office Bearers of the RAS as at this date are set out in this report. Apart from the Chief Executive, Members of the Council serve without remuneration, but are eligible for reimbursement of travel expenses when attending Council Meetings. Certain Councillors have declared an interest in the RAS's dealings with enterprises associated with them. These include Mr G Bell (Oakover Business Support Services), Mr D S Clarke (Poole's Rock Wines), Mr J B Fairfax (Fairfax Media), Mr R A Farrar (Australian Wool Exchange Limited AWEX), Ms L Milan (Australian Women's Weekly), Mrs M Paynter (Swane's Garden Care), Mr R M Ryan (Schute Bell Badgery Lumby, Wool Auctions of Australia, NSW Wool Selling Brokers, Australian Wool Testing Authority), Mr G R Cochrane (Livestock & Business Centre), Mr K E Cowley (R M Williams), Mr R B Kell (MLC School, Kell & Rigby), Mr E N Swane (Swane's Garden Care) and Mr M Wilton (Radio 2GB).

The RAS deals with other business enterprises associated with Councillors from time to time in the ordinary course of business. All dealings with businesses associated with Councillors are on arms' length commercial terms, or terms more favourable to the RAS.

The RAS donated \$300,000 in the 2008 financial year to the RAS foundation, operating through three funds. The trustee for the foundation is RAS of NSW Foundation Limited which comprises of three directors who are also Councillors of the RAS of NSW.

## **DECLARATION BY THE BOARD**

In accordance with a resolution of the Board of the Royal Agricultural Society of NSW, we state that:

In our opinion:

- (a) the financial statements and notes of the RAS are:
  - (i) drawn up so as to give a true and fair view of the RAS's financial position as at 30 September 2008 and of its performance for the year ended on that date; and,
  - (ii) comply with the measurement requirements of applicable Accounting Standards and other mandatory professional reporting requirements; and
- (b) at the date of this Statement there are reasonable grounds to believe that the RAS will be able to pay its debts as and when they fall due.

On behalf of the Board

G B Dudley, President

Date: 25 November 2008

R Clubb, Treasurer

Date: 25 November 2008

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE ROYAL AGRICULTURAL SOCIETY OF NSW

We have audited the accompanying special purpose financial report of the Royal Agricultural Society of NSW (the 'Society'), which comprises the balance sheet as at 30 September 2008, and the income statement, statement of changes in equity and cash flow statement for the year ended on that date, a summary of significant accounting policies, other explanatory notes and the declaration by the Board.

## Board's Responsibility for the Financial Report

The board of the society are responsible for the preparation and fair presentation of the financial report and have determined that the accounting policies described in Note 2 to the financial statements, which form part of the financial report, are appropriate to meet the financial reporting requirements of the Rules of the Society and are appropriate to meet the needs of the members. This responsibility includes establishing and maintaining internal controls relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances. These policies do not require the application of all Accounting Standards and other mandatory financial reporting requirements in Australia.

#### Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. No opinion is expressed as to whether the accounting policies used are appropriate to the needs of the members.

We conducted our audit in accordance with Australian Auditing Standards. These

Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, we consider internal controls relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the board, as well as evaluating the overall presentation of the financial report.

The financial report has been prepared for distribution to the members for the purpose of fulfilling the directors' financial reporting requirements under the foundation deed. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Independence

In conducting our audit we have met the independence requirements of the Australian professional accounting bodies. In addition to our audit of the financial report, we were engaged to undertake the services disclosed in the notes to the financial statements. The provision of these services has not impaired our independence.

#### Auditor's Opinion

In our opinion the financial report presents fairly, in all material respects, the financial position of the Royal Agricultural Society of NSW as of 30 September 2008 and of their financial performance and their cash flows for the year then ended in accordance with the accounting policies described in Note 2 to the financial statements.

Ernst & Young

Royal Agricultural Society of NSW

The Royal Agricultural Society of NSW (RAS) is a not for profit organisation established in 1822 to raise the standards of agriculture in Australia. Today, the RAS continues to support and promote Australian agricultural excellence and innovation through events, competition and education. The RAS is responsible for a broad range of activities including;

- Organising and staging the Sydney Royal Easter Show, a hallmark Event for NSW and Australia
- Venue and event management specialists for the Sydney Showground venue at Sydney Olympic Park
- Judging the 'best of the best' in Australian agriculture, food, wine and related products through the Sydney Royal Competitions
- Building sustainable regional and rural communities through the RAS Foundation
- Managing the Australasian Animal Registry database and customer service function for 1.7 million microchipped animals
