SINCE 1822

Royal Agricultural Society of NSW

Welcome from the President

Thank you for your interest in entering a Sydney Royal competition at the 2023 Sydney Royal Easter Show.

Agricultural competitions are at the heart of the Royal Agricultural Society of NSW (RAS) charter – to encourage and reward excellence, and support a viable and prosperous future for our agricultural communities. And it's been that way since our first Show in 1823. Today, the Sydney Royal competitions held at the Show attract close to 30,000 entries each year from passionate, skilled producers, competitors and craftspeople across the country.

The spirit of friendly competition comes alive at the Show each year when Australia's agricultural community comes together to celebrate at the Sydney Showground, and state pride comes to the forefront. There is also a remarkable sense of belonging and of representing your region with pride.

To further enhance the sense of community if you are not a Member, I recommend joining the RAS - membership provides the perfect opportunity to get even more out of your Show experience.

Every year, the RAS works to evolve the Sydney Royal competitions. Our commitment to adapting to consumer and industry trends ensures our competitions remain relevant, encourage excellence and are world-class.

The integrity of our Sydney Royal competitions rests in the hands of accomplished, knowledgeable and most importantly independent judges. I'm always impressed by their professionalism, energy and high ethical standards.

On behalf of the RAS, I encourage you to enter a 2023 Sydney Royal competition and wish you the best of luck. I'm very much looking forward to seeing the plethora of skills and talents on display at the Show.

Whether you leave the Show with a prize or not, I hope that you and all other exhibitors and competitors benefit from your Sydney Royal experience and look forward to welcoming you back for many years to come.

A handwritten signature in black ink, reading 'Michael Millner'.

Most successful Huacaya Exhibitor in Show

Precision

The Harriet Davison Perpetual Trophy, donated in her memory by the family of the late Harriet Davison of Illawarra Alpaca stud. Harriet showed alpacas at every Sydney Royal from 1992 to 2010, winning Most Successful Exhibitor for Illawarra Alpacas five times. Harriet was a vocal and passionate ambassador for the alpaca industry and the 2010 Royal Show was her last elective act. This magnificent trophy commemorates her significant contribution to the industry.

Dr. Jim Watts Perpetual Trophy for the Highest Scoring Alpaca Fleec

Precision

Dr Jim Watts was a Sydney University veterinary graduate and CSIRO scientist, who pioneered the relationship between skin histology and fleece production traits, applying those principles initially to Merino sheep as the Soft Rolling Skin (SRS®) Breeding System, and later extending it to alpacas and angora goats. His mantra of length and density focussed attention on productivity traits which he linked to histological and visual markers. Those markers were then applied in the classing of fleece types for selective and complementary breeding, ultimately leading to accelerated genetic gain in wool productivity.

By translating powerful scientific principles into basic tools of herd management, Jim empowered the ordinary farmer to breed extraordinary fleeces, which were both valuable and heritable.

This award celebrates Jim’s enduring influence in the early commercialisation of the Australian alpaca fleece
