Royal Agricultural Society of NSW

Thank you from the President

The Sydney Royal Easter Show continues to stand as one of Australia's most loved traditions: a living celebration of our shared passion for the land, our creativity and the tireless effort that defines rural and regional life. Each year, the Showground fills with extraordinary stories of hard work, family heritage and innovation, all brought to life by the people who make this event so special.

On behalf of the Royal Agricultural Society of NSW's Council, I would like to thank every exhibitor and competitor – farmers, growers, breeders, producers, makers, artists, crafters, gardeners, athletes, fanciers and enthusiasts. Your dedication, skill and pride are evident in every exhibit across the grounds, from the show rings to the pavilions, arenas and displays. Because of you, the Show remains both a celebration of excellence and a cherished gathering place for generations of Australians.

My sincere thanks also go to our Judges, Stewards, officials and all volunteers, who give their time and expertise so generously. Their care and professionalism ensure every event is conducted with integrity and transparency. And to our sponsors, industry experts, breed societies and staff – your dedication and collaboration allow the RAS to deliver an event of such quality and heart, year after year.

The impact of the Show reaches well beyond the arenas. It strengthens regional communities, supports local enterprises and reminds us all how deeply agriculture and country pursuits shape our culture and our future. It is where city and country connect, friendships bloom, and the next generation discovers both the challenges and rewards of Royal standard competition.

On behalf of the RAS, thank you for being part of the 2026 Sydney Royal Easter Show. I wish every exhibitor the very best and look forward to another year of unforgettable moments, shared pride and true Australian spirit.

Supporting the best in Aussie *fresh*

We're committed to picking Australian fresh first. Like Ian Cathels' sweet and crisp apples from Batlow, NSW.

Today, 96% of our fresh produce is homegrown. If it's not in season or available locally, we'll source the next best thing but for us, Australian grown always comes first.
