## From the President

Thank you for entering this Sydney Royal Competition and congratulations to all entrants who were successful in achieving the status of Sydney Royal medal winner.

Now more than ever the rewards for excellence are to be applauded as they show the determination and spirit of producers right across Australia. To continue to follow your passion and not only value your work enough to enter into competitions but to achieve outstanding results is a testament to all that the Sydney Royal competitions stand for.

To be the recipient of a Sydney Royal award is a significant accomplishment representing months, years and sometimes decades of hard work and dedication. The ability to go to market with Sydney Royal artwork on the packaging elevates your product and signifies the exceptional quality recognised by our judges.

Our competitions are renowned for their fair yet rigorous judging process, the professionalism and integrity of our judging panels and the relevance of our classes to industry and consumer trends. We review our Competitions every year to ensure they remain relevant to industry standards and up-to-date with changing trends and we value feedback from all entrants. There are many people involved in making our Competitions the world-class events they are. I must thank our judges for their time, expertise and energy. Their impeccable ethics ensure only the best of the best are awarded. I also extend my gratitude to our generous Competition sponsors along with our Committees and supporters.

I hope all entrants have enjoyed their experience and take advantage of the feedback they receive as well as the marketing opportunities available for those who are Sydney Royal medal winners. I encourage all of you to enter again next year and continue to grow your product alongside those of your peers.
