# 2026 ADVANCE™

## Sydney Royal Cat Show

We invite you to enter the 2026 Advance Sydney Royal Cat Show & 'Pat a Cat' Breed Display on the 4<sup>th</sup> of April 2026. The show is proudly presented by ANCATS in conjunction with the Royal Agricultural Society of New South Wales.

ANCATS shows are fun, fascinating, feline focused events where the cats are always the stars. This amazing show attracts a huge audience of cat lovers who adore seeing pedigree and domestic cats & kittens on display, showing off their personalities in the judging ring.

With thousands of visitors, iconic Sydney Royal energy, and judges who love what they do, it's the kind of event that reminds everyone why the cat fancy is such a brilliant hobby.

At Sydney Royal, it doesn't matter if a cat is titled or just beginning their show journey, every exhibit gets a moment to shine. The atmosphere is upbeat, supportive, and full of genuine admiration for our breeds, our breeders, and the beautiful cats we present. Expect curious questions from the public, big crowds around the rings, and that electric buzz you only get at a major Royal event.

Whether you're an exhibitor, breeder, or breed enthusiast, this is your chance to be part of something truly special. Come along, enter your cats, connect with the community, and enjoy a show where the ribbons sparkle but the cats sparkle brighter.

# Our Judges

## Ring 1 All Breeds

### **Bambi Edwards - Australian National Cats Inc**

Bambi has judged across Australia and the world including the UK, France, Belgium, Malaysia, USA, Japan, Dubai and NZ. She is also a very active exhibitor and breeder with the prefix Bajimbi. She has been involved in many TV shows with her cats. Along with her late husband Brian, she was the co-founder of the Waratah State Cat Alliance in 1997. It is proudly known today as ANCATS.

## Ring 2 All Breeds

### **Roy Griffiths - NZ Cat Fancy Inc**

Roy has lived alongside animals his whole life, earning a National Champion title in the Gundog ring before a cat show Devon Rex captured his heart. He began breeding and exhibiting Devons in 2001, strengthening genetics through thoughtful outcrossing and introducing cinnamon. A Senior All Breeds Judge and active exhibitor, Roy champions health, true-to-standard assessments, and lifelong connections across the New Zealand cat fancy.

## Ring 3 All Breeds

### **Cheryl St Clair-Newman - NZ Cat Fancy Inc**

Cheryle St Clair-Newman's involvement in the cat fancy began in the late 1960s, ignited by an All Breeds show and a lasting admiration for Persian cats. In 1976 she registered the prefix Taniver, inspired by her foundation cats and her selective breeding approach. She bred and showed Persians to top national success, later dedicating rewarding years to mentoring new judges. Now an All Breeds judge, she is known for fair, professional, true-to-standard assessments.
