## AWARDS PERPETUAL TROPHIES

The purpose of competition at the Sydney Royal Easter Show is to encourage agricultural and pastoral excellence, ensuring the continual improvement of standards. In the 1870s the Society introduced regulations to govern judges and judging to ensure that competition was consistent and fair, and the tradition of Perpetual Trophies dates back to this time. The Perpetual Trophies are the most prestigious of all RAS awards. They have a dual function in recognising superior effort in competition and commemorating people and organisations that have had a long and meritorious connection with the Society. Some of the trophies currently competed for were first won in 1911. Winners of Perpetual Trophies are permanently honoured, taking their place alongside past winners and becoming part of the ongoing tradition of the RAS. The Perpetual Trophy Collection of the RAS is unique. It comprises a wide range of beautiful and elegant trophies that illustrate an extraordinary history of agricultural judging and the pursuit of excellence.

Perpetual Trophies remain the property of Cats NSW Incorporated and the RAS of NSW. Ownership of the Trophy does not pass to the winning Exhibitor.

The annual winner's name will be engraved on the Trophy. A medallion will be awarded to the winner in recognition of its achievement.

## Ring 2 Jenni McKernan ACF (FCCQ)

Jenni's obsession with cats started at a very early age and this passion has continued throughout her life. She has always been owned by several cats and has bred and shown Abyssinians since 1989 under the "Asmara" prefix. She successfully bred many Best in Show Abyssinians, specialising in dilutes and she bred Abyssinian of the Year in 2000, 2005, 2006 and 2009. More recently, Jenni has also bred and shown Ocicats, using "Asmara OCI" for naming her Ocicat progeny. Asmara Ocicats have also gained Best in Show and COTY awards.

Jenni is a Feline Control Council of Queensland Inc All Breeds Judge. She completed steward training in 2003 and continues to enjoy that role as it allows her to handle many different breeds and to continue to learn from all the judges with whom she works. She is also an experienced show manager who likes the challenges associated with running a successful cat show. Jenni began her judge's training in 2006, became a Companion judge in 2007 and was licenced as an Open Group 2 judge in 2011. She extended her licence to include Group 3 and became an Open Shorthair judge in 2013. Jenni completed Longhair training in 2016 and is now an All Breeds Open judge.

**Deborah Cameron  
Ring 3  
ACF (Cats NSW)**

I have been involved in the cat fancy for over 40 years being introduced to the cat fancy by my mother. I bred and showed Persians including silvers, pointed varieties and bi colours and of course like many others, devoted time working in all roles for cat shows and in cat clubs. I have worked leading 2 National cat shows with a team of people and am active in responding to changing legislation supporting responsible cat ownership to ensure the varying needs of cat owners, exhibitors and breeders are reasonable and not out of their reach.

My house has had the bounce of the shorthair Singapura and the beauty of the Persian. I have been involved in many Judges panels supporting new and emerging judges and supporting Judges conferences. I am an All-Breeds Tutor Judge and have judged all over Australia and NZ sharing the skills and knowledge I have gained since working as a steward from when I was 16 years, helping my mother from primary school with cats, through to varying roles at cat shows and later as a trained experienced judge.

Sharing and imparting information about breeds on Judges Panels is rewarding with cadet Judges learning about breeds, the aspects of judging and accepting that like any field, continual learning about all facets of cat breeds is important to keep updated and knowledgeable. My passion is to support the Cat Fancy as a whole, to support interested exhibitors in developing a better understanding the ideal standards of excellence for breeds and to help the broader community understand cat behaviour. Striving for excellence and breeding or owning healthy cats is important as it brings with it so many great experiences, learning's, friendships, and wonderful memories.
