Royal Agricultural Society of NSW

Thank you from the President

The Sydney Royal Easter Show continues to stand as one of Australia's most loved traditions: a living celebration of our shared passion for the land, our creativity and the tireless effort that defines rural and regional life. Each year, the Showground fills with extraordinary stories of hard work, family heritage and innovation, all brought to life by the people who make this event so special.

On behalf of the Royal Agricultural Society of NSW's Council, I would like to thank every exhibitor and competitor – farmers, growers, breeders, producers, makers, artists, crafters, gardeners, athletes, fanciers and enthusiasts. Your dedication, skill and pride are evident in every exhibit across the grounds, from the show rings to the pavilions, arenas and displays. Because of you, the Show remains both a celebration of excellence and a cherished gathering place for generations of Australians.

My sincere thanks also go to our Judges, Stewards, officials and all volunteers, who give their time and expertise so generously. Their care and professionalism ensure every event is conducted with integrity and transparency. And to our sponsors, industry experts, breed societies and staff – your dedication and collaboration allow the RAS to deliver an event of such quality and heart, year after year.

The impact of the Show reaches well beyond the arenas. It strengthens regional communities, supports local enterprises and reminds us all how deeply agriculture and country pursuits shape our culture and our future. It is where city and country connect, friendships bloom, and the next generation discovers both the challenges and rewards of Royal standard competition.

On behalf of the RAS, thank you for being part of the 2026 Sydney Royal Easter Show. I wish every exhibitor the very best and look forward to another year of unforgettable moments, shared pride and true Australian spirit.

JUDGES' PROFILES

David Bondfield

SUPREME JUNIOR CHAMPION INTERBREED HEIFER & SUPREME JUNIOR CHAMPION INTERBREED BULL

David is the co-founder and former CEO of Palgrove Pastoral Co., which operated several breeding and finishing properties across QLD & NSW and sold around 1000 registered Charolais and Ultrablack bulls a year.

In 2021, David and his wife, Prue, were awarded the DW Vincent Award for Outstanding Contribution to the Australian Beef Cattle Industry. In 2017, they were awarded the Australian Farmer of the Year and in 2015 the Australian Livestock Producer of the Year.

David is a highly regarded cattle Judge and has judged stud and commercial cattle at every major Royal Show in Australia, as well as in NZ, Canada, USA and Scotland. He has judged the World Hereford, Braford, Galloway, Charolais, and Limousin Conferences.

He is past president of the Charolais Society of Australia & Qld Sheep Breeders Association and has been a member of numerous beef industry committees.

Stewart Borg

BRAHMAN

Stewart joins us from Sarina, QLD, and has been involved in the cattle industry all his life.

Stewart currently serves as the Junior Vice President of the Australian Brahman Breeders Association and has served as a Director since 2021. Prior to this, he was a Rabobank Young Beef Ambassador, awarded at Beef Australia in 2018. In 2018, Stewart was also awarded a Nuffield Scholarship supported by MLA, focusing on intensive grazing systems and feedlots in tropical environments.

Stewart has been judging for 10 years, with recent appointments at Rockhampton, Townsville, Sarina and Clermont Shows.

Stewart says, "I am both honoured and excited to judge at the Sydney Royal show, it's a great opportunity for myself to further my own experience and I will take pleasure in officiating cattle far from my home in Northern Queensland".

Cooper Carter

RAS YOUTH SHOW

Cooper is currently based in Lubbock, Texas, and has been involved in the cattle industry for 24 years. Cooper's involvement began growing up on his family's Shorthorn seedstock operation, Blackjack Shorthorns, where he developed a strong foundation in cattle production. Cooper later started his own stud, Cooper Shorthorns, and has served as a committee member for the Shorthorn Youth Group.

Currently Cooper is a master's student in Animal Science at Texas Tech University, where his research focuses on beef quality and yield. He has also competed on the Livestock, Meat Animal Evaluation, and Meat Judging teams. He is currently assisting in coaching the Texas Tech Meat Judging Team.

Cooper has been judging since 2018, with his recent judging appointments being 2023 Texas Tech Livestock Judging Team; competing at Fort Worth, San Antonio, Houston, Tulsa, Iowa Beef Expo and State fair of Texas; as well as Associate Judge at Canberra Royal Show and Dubbo Show.

Cooper says, "I have been fortunate to attend and compete at the Sydney Royal Show 19 times, and the opportunity to judge the RAS Youth Show is truly surreal. It was not long ago that I competed in this event and other youth competitions at Sydney Royal, and without the opportunities this show provided, I am not sure I would be in the position I am today. It is a privilege to be able to give back to Australian youth and help encourage the next generation of agricultural professionals growing up in Australia".

Jason Catts

HORDERN TROPHY

Jason owns and operates, with his wife Kylie, Futurity Shorthorns, a seedstock and commercial Shorthorn and Charolais operation, with dryland farming at Baradine, in northwest NSW.

Annually they have seedstock production sale on property, and in addition to the breeding side of the business, have an opportunity feedlot supplying cattle for Woolworths, Cargill Teys and JBS.

Jason is currently the Chairperson for Shorthorn Beef, Australia.

Jason is a graduate from the University of Western Sydney, Hawkesbury studying a Bachelor of Agricultural Science, and has worked and managed both commercial and seedstock breeding operations, small and large feedlot operations, and backgrounding stations for corporate agriculture in QLD.

From starting his judging experience in junior programs, he has now gained 35 years of experience.

Jason has a keen interest in all livestock assessment, and has previously judged cattle at all major livestock exhibitions in the eastern states of Australia, as well as Tasmania and New Zealand.

Jason says, "it is a privilege to be assessing some of the industry finest livestock".

Peter Collins

Peter is based at Tennyson in northern VIC, and brings with him 50 years of cattle industry experience.

Peter is the Principal of Merridale Angus Stud, which consists of 440 hectares. The stud is based mainly on Merrigrange bloodlines, purchasing mostly elite embryos to rapidly expand their herd. Merridale cattle have been successful at Sydney, Melbourne and Adelaide, gaining Interbreed Champions at all these Royal Shows. He also has a commercial cattle enterprise and operates a 250- cow dairy on one of the farms.

Peter has always been interested in Youth Affairs, and with his knowledge and expertise he has helped young enthusiasts to further develop their skills and expertise in the cattle industry field.

Peter has judged the Junior Judging and Handlers Competition at Royal Shows and at many youth events.

Peter is currently Vice President of Angus Australia and has been on the board of Angus Australia for three years.

With 40 years of judging experience, recent appointments include Sydney Royal 2022 and 2024, Toowoomba Royal 2025, Launceston Royal 2024, Brisbane Royal 2025, Rockhampton Beef 2024, SA Heifer Show Senior Junior Judging 2025, Canberra Royal 2025, and Blaney Jackpot Judge 2025.

Peter says, "I think it's the greatest appointment of my judging career to judge the Urquhart trophy. It's certainly a great honour. Thank you for entrusting me with such a prestigious job".

Peter Cook

CHAROIS & SHORTHORNS

Peter is based in Coolah, NSW and joins us with over 40 years of experience in the cattle industry.

Peter owns and operates a 940-hectare mixed farming enterprise, which was established in 1980 along with the Barana Simmental Stud, laying the foundation for what has become a respected name in the Australian cattle industry. With over 46 years in the Simmental breed, he has successfully exhibited his cattle at major Royal Shows for 15 years. In his more than 45 years in breeding Simmentals, Peter has worked to build and maintain Barana's reputation among both commercial and stud cattle producers across the country. In 2015 they began their Angus journey, and have prioritised the same key traits in their Angus cattle as their Simmentals.

Peter has been judging since 1987 around Australia and in New Zealand, with recent appointments being QLD Royal EKKA Brisbane 2025 and 2024, Launceston Royal 2022, Canberra Royal 2021, Perth Royal 2019, Beef Australia 2018 and Melbourne Royal 2018.

Peter says, "I have officiated at Sydney three times in the past and it's always an honour and a privilege to be asked to serve as a Beef Cattle Judge at the Sydney Royal Show".

MICHAEL CROWLEY

Michael was raised on a beef cattle property at Barraba in northern NSW, where his family run a stud and commercial beef cattle operation.

and Interbreed Brisbane Royal 2019.

Roger is honoured and privileged to be nominated by a breed association to judge at the Sydney Royal saying, “the opportunity is greatly appreciated and cherished. To judge at any show is a great opportunity to pass on your own assessment of cattle from many varied beef operations across Australia. The challenge is to pass that opinion onto the Exhibitors and viewing public with educational, concise and polite commentary”.

Daryl Holder

HEIFER FITTING CHALLENGE

Daryl is from Goulburn NSW and has been involved in the cattle industry for 27 years.

Daryl’s involvement first started with his son showing cattle for Elizabeth Macarthur High School in 1997, where he travelled to numerous shows with him. In 2004, Daryl started a Cattle Grooming Products supply business and travelled to numerous shows selling grooming products to exhibitors.

Trent has been judging for 10 years with his recent judging appointments at Perth, Adelaide and, Brisbane Royals along with many other country Shows.

Trent remarks he is “privileged to be asked to judge at Sydney after years of exhibiting, really looking forward to seeing some great cattle being exhibited”.

Georgia Laurie

HORDERN TROPHY

Georgia grew up on her family farming operation, Knowla Livestock, west of Gloucester, NSW. Throughout her youth, she competed at many Youth Shows, with a keen interest in Junior Judging. During her time at Pymble Ladies College, Georgia instigated a cattle showing team, in attempts to raise the discussion of agriculture and prompt young women to consider a career in Ag.

Georgia studied Rural Science at University, where she gained first class honours in beef genetics.

During her time at University, Georgia proudly represented Australia in the United States at the 2024 Intercollegiate Meat Judging Competition, held in conjunction with the National Western Stock Show in Denver, where her team went on to win the competition.

Georgia has an active role in her family’s operation, Knowla Livestock, where they run 280 registered Angus females and 500 commercial females.

Georgia began her judging career six years ago with recent appointments at Walcha, Dorrigo, Guyra shows along with various other rural shows. She has had the pleasure of judging twice previously at Sydney Royal in 2023 and 2024, along with the Shorthorn National Youth Show in 2024.

Georgia says, “it has been a pleasure judging at these shows, giving back to programs which I gained a lot from. One of my fondest memories as a child was watching my father, Ted, judge at the Sydney Royal. I feel honoured to be asked to judge here today. It means a great amount to be recognised for my knowledge, and I am very thankful for the opportunity”.

Jack has 10 years of judging experience with appointments at Sydney, Brisbane, Adelaide, Canberra and Bathurst Royal Shows, the National All Breeds Heifer Show, Wingham Beef Week, Rockhampton Beef Australia, along with many local shows across Australia.

Julie Pocock-Iseppi

RED POLL

Julie is based in Blenheim, QLD and has been involved in the cattle industry her whole life.

Her family have bred Simmentals since 1980, and through this, Julie has competed in youth events throughout Australia. She has won both Young Judges and Paraders competitions at a national level and was the Simmental Australia National Youth Ambassador.

Julie and her husband have been heavily involved in youth shows and have gained a great deal of joy from mentoring young people in the beef industry with one of her favourite things to judge being youth events. The show ring has always been a place of success for her home-bred cattle, exhibiting many Champions along with numerous Royal Shows Interbreed Champions across three states of Australia; as well as

exhibiting many hoof and hook Champions at the largest steer shows in Australia.

Julie has been competing in Young Judges from a young age, and she judged her first show at the age of 15.

Julie has judged at many local shows, Sydney, Brisbane and Toowoomba Royals, along with Beef Australia and multiple youth shows and regional final competitions across Australia. She has also travelled to NZ to judge at Christchurch Royal Show, most recently officiating at the Upper Hunter Beef Bonanza as one of the Paraders Judges.

Julie says, “as one of the most prestigious shows in the country, it is humbling to receive a breed nomination and an honour to officiate on that breeds behalf. I believe giving time to judge is a task to not take lightly, as I understand the significance of what it takes to put those cattle in the ring. But I also believe all Judges have a responsibility to select the best animals on the day as a representation of the best the industry has to offer, remembering that at the end of the day we are producing beef and stud stock representing the elite of the industry”.

Tammie Robinson

MURRAY GREY & SIMMENTAL-FLECKVIEH

Tammie joins us from Toogoolawah, southeast QLD and has been involved in the cattle industry her entire life.

Tammie grew up in the beef industry and now has an established beef operation in southeast QLD, and along with her two sisters Jayne and Regina, they own and run Three Hearts Brangus Stud, as well as running a commercial Santa Gertrudis and Brangus herd.

Tammie is also employed with Grant Daniel & Long as a Stud Stock Agent, a role she thoroughly enjoys, working closely with clients to assess their cattle and help improve the quality and productivity of their herds.

Tammie is on the Stud Cattle Committee for Beef Australia, contributing to the direction and standards of one of the nation’s premier beef events.

Tammie has been judging for 25 years, and has judged at numerous local shows across QLD and NSW.

In 2017, she was invited to judge the State Finals of the Junior Handlers at the Brisbane Ekka, returning in 2018 to judge the Droughtmaster breed. In 2021, Tammie judged multiple breeds at Beef Australia, and in 2024 she judged the Santa Gertrudis at the Brisbane Royal Show.

Tammie says, “judging at the Sydney Royal Show is an incredible honour and a milestone in my career. I am truly humbled and deeply grateful for the opportunity to be entrusted with such a role. It means a great deal to me, both personally and professionally”.

Rob Sinnamon

BREEDERS' GROUP INTERBREED

Rob Sinnamon is a passionate advocate for Australian Agriculture.

In 2022, Rob completed a 20-year term as General Manager of Yulgilbar Pastoral Company and is now focusing on his private Beef Cattle interests trading as RL Pastoral Company, based at Mayfield, Kyogle in north-eastern NSW, with his wife Lorraine and son Andrew.

Rob has been a passionate exhibitor of both stud and commercial cattle since 1972, initially through the Sinnamon families Robenlea and Riverina Santa Gertrudis studs, followed by his 20 years as custodian of Yulgilbar Stud.

Rob has been involved in the exhibition of cattle for many years, in the capacity of an Exhibitor, or as a Judge, and feels honoured to have the opportunity to share his "point of view" when invited.

Rob registered Riverina Santa Gertrudis stud in 1977 and currently sells genetics at the annual Nioa RL Pastoral Production Sale on the first Thursday in September.

Rob has judged at every Royal Show in Australia and internationally at the Arkansas State Fair in the United States, Stratford Show in New Zealand along with feature shows for the majority of Tropical, British and European Beef Breeds throughout Australia.

Rob has particularly enjoyed judging led steers and prime cattle competitions across Australia and was responsible for instigating the Sydney Royal Beef Challenge.

Rob believes "as producers of protein, we need to continue to focus on the provenance story of Beef". He believes Agriculture shows and field days provide a great forum to showcase the best of industry genetics, while bridging the gap between consumers and producers through education where food comes from.

Glen Waldron

BEEF CATTLE PARADERS' COMPETITION & STATE FINAL

Glen is a co-principal of Elite Cattle Co, a seedstock operation that breeds Black Simmentals. Each year, 50 bulls are marketed through an on-property bull sale. He has also worked for the past 20 years as a livestock agent working with Grant Daniel Long, marketing and purchasing commercial cattle for clients.

Glen has been judging stud cattle for the past 20 years, ranging from small country shows to Royal Shows, with major appointments include the Limousin Feature at Brisbane Royal, Speckle Park Feature breed at Sydney Royal, Shorthorn and Santa Gertrudis at Sydney Royal, Droughtmaster at BEEF Rockhampton, and

World Brahman Congress at Rockhampton. A highlight throughout his time was when he was asked to judge internationally at the Member of the Interbreed Panel at Canadian Western Agribition.
