SINCE 1822

Royal Agricultural Society of NSW

From the President

The Royal Agricultural Society of NSW (RAS) is mission-purposed to foster the prosperous and sustainable future of Australian agriculture. The original 1822 Prospectus of the Agricultural Society of NSW acknowledged that a nation flourishes best when the “a public spirit of agricultural improvement shall be implanted within the breast of all”. This is the mission we proudly continue in order to ensure thriving sustainability for generations of Australians to come.

Our mission is accomplished primarily through the time-tested approach of competitions because the very nature of competition drives innovation and excellence. Sydney Royal competitions establish industry benchmarks by which success can be measured year-on-year. Our Committees carefully design competition categories and establish judging panels to ensure the most effective impact on industry and relevant markets.

We know from 200 years of experience that our competitions raise not only the quality of produce but also the calibre of producers. This year was no different, the excellence of every exhibitor across the board is what continues to keep our competitions so highly anticipated and so well regarded. Thank you to every one of our exhibitors, we value your participation greatly.

Thank you also to our Judges, Officials, Stewards and volunteers who give so generously of their time and expertise. To our valued sponsors and supporters, thank you for your continued investment in what we do. It is because of all of you that Sydney Royal competitions continue to drive excellence in Australian produce, and to ensure the sustainability of agricultural practices.

I am delighted to work closely with our RAS Councillors and Committee Chairs and all RAS Staff involved in the Wine, Beer & Cider, Dairy, and Fine Food sections.

On behalf of us all, I trust that you enjoyed your Sydney Royal experience and I encourage you to join in the tradition of entering every year. Together we can celebrate and propel Australian agricultural excellence.

I look forward to seeing you again next year.

A handwritten signature in black ink, reading 'John C. Bennett'.

From ice cream to cheese, Australia's best dairy products announced for 2024.

Thursday, 15th February 2024.

Australia's dairy industry has been celebrated tonight, with the Royal Agricultural Society of NSW (RAS) announcing the champions of its prestigious Sydney Royal Cheese and Dairy Produce Show at an intimate cocktail function held at Sydney Showground.

The competition, which took place last week, saw over 530 entries go under the tastebuds of some of Australia's most qualified industry judges; with 89 per cent of exhibits earning a bronze, silver or gold medal. This was up from 70 per cent in 2023, with the competition entries on par with the previous year.

Champion products included Bega's Rindless Vintage Cheese which took out Champion Cheese, Champion Cheddar Cheese and scored a spot on the Australian Cheeseboard. In the milk class, Lactalis Australia's Pauls Farmhouse Gold claimed top prize and it was Gelateria Gondola's Nocciola Piemonte and Cow and Moon's Madagascar Vanilla Bean which stole the show, winning Champion full cream Ice Cream or Gelato and Champion Low/reduced fat ice cream or gelato.

According to Chair of Judges, Tiffany Beer the level of quality products entered into this year's competition was outstanding.

"I was very impressed with the turnout of entries this year and the level of quality presented across all classes was really high. While this is a direct reflection of the good raw materials the Australian dairy industry has been producing, it is also a reflection of the technical production skills and constant development, which results in the consistent quality our local producers are striving for," Beer said.

"A really interesting class, which saw a strong increase in entries this year, was the Research and Development class. This class allows judges to assess products that are not yet commercially available but will be in the next 12 months and provide detailed feedback for producers. Having this feedback prior to launching has proven to be beneficial to our dairy producers and will allow them to deliver strong new products to the market."

"Another stand-out for me was the quality of the non-bovine products delivered this year. These classes have shown continued improvement and the range of products available has increased to meet customer interest, especially for traditional products from other areas of the world. This year's champion non-bovine product, Berrys Creek Gourmet Cheese's Riverine Blue, is a sensational world class blue cheese made from buffalo milk."

This year's competition saw entries from across all Australian states with New South Wales accounting for 47 per cent of exhibits and earning a 90 per cent medal strike rate. This was closely followed by Australia's biggest dairy producers, Victoria which claimed 35 per cent of entries, and scored an 88 per cent medal count.

Tasmania also impressed the judges with 89 per cent of entries winning a medal.

"I congratulate all of our champions and medal winners on an incredibly successful show and encourage them to continue to keep improving their products and driving the Australian dairy industry forward by consistently delivering the highest quality products."

This year all remaining samples from the 2024 Sydney Royal Cheese and Dairy Produce Show were donated to the Addi Road Food Pantry located in Marrickville, to help give back to our local community.
