Royal Agricultural Society of NSW

From the President

On behalf of the Royal Agricultural Society of NSW (RAS), I extend my heartfelt gratitude to everyone who participated in this year's Wine, Beer & Cider, Distilled Spirits, Cheese & Dairy Produce, and Fine Food competitions. Your dedication and excellence are the cornerstones of our mission to foster a prosperous and sustainable future for Australian agriculture.

Rooted in the vision set forth in the Society's original 1822 Prospectus, our mission is to implant a public spirit of agricultural improvement within the hearts of all. This mission is brought to life through our competitions, which drive innovation and set industry benchmarks for quality and excellence. Your participation not only elevates the standards of produce but also inspires the entire agricultural community.

We are deeply grateful to our Judges, Officials, Stewards, and all volunteers who generously contribute their time and expertise. Their commitment ensures the integrity and success of our competitions. To our RAS Councillors, Committee Chairs, and RAS staff, your meticulous efforts in curating these events are what makes them tick.

I am proud to work alongside such a dedicated team and community. Together, we celebrate and propel Australian agricultural excellence. I trust that you enjoyed your Sydney Royal experience and encourage you to join us again next year.

A handwritten signature in black ink, reading 'John C. Bennett'.

St Agnes Distillery named Best Spirit, whisky liqueur makes its mark, and absinthe is back on the menu at the 2025 Sydney Royal Distilled Spirit Awards.

Tuesday, 16 September 2025.

Fourteen of Australia's best spirits were crowned tonight as the Royal Agricultural Society of NSW announced the champion winners of its 2025 Sydney Royal Distilled Spirits Show.

The national awards follow the rigorous judging of almost 300 Australian spirits last week, with *St Agnes Distillery* claiming the coveted **Best Distilled Spirit of Show**, alongside **Best Brandy**, with its *St Agnes XO 15 Year Old*.

This marks the second consecutive year St Agnes has taken out the top prize, with the revered producer having won in 2024 thanks to its St Agnes XO Grand Reserve 40 Year Old, and according to Sydney Royal Chair of Judges, Stuart Gregor, the distillery is more than deserving of the spotlight.

"Brandies from the winning distillery should probably be registered as national treasures - they are exquisite, and the winner balances freshness and age perfectly. They are the world's best, no question," shared Gregor.

South Australia dominated the whisky category, with *Tria Prima* taking home **Champion Single Malt Whisky** for its *Tria Prima Enchantress*, while *Fleurieu Distillery* won **Champion Grain or Blend Whisky** for the second year running, this time with its *Mary Ann* blend. The distillery also took home the prestigious **Chair of Judges Annual Prize** with its *Telemachus* whisky.

"The whisky classes really shone this year, particularly the single malt whiskies. To me, this is proof that Australian whisky is on the cusp of a potential golden age. The Telemachus I selected for the Chair of Judges Annual Prize is a stunning example of where I think Australian whisky can land over the next few years," Gregor said.

In the lighter spirits, gin was celebrated for its impressive medal count, with 75% of entries in the traditional class and 89% of entries in the contemporary class receiving a medal.

The top picks - *Never Never Distilling Co's Triple Juniper Gin*, which won **Champion Traditional Gin**; *Bright Night Spirit's Wild Tasmanian Gin*, which took home **Champion Contemporary Gin**; and *Four Pillars' Navy Strength Gin*, which was named **Champion Other Gin**.

"I firmly believe Australia makes the world's best gin right now, and this show reinforced that view for me - the winners were terrific and show a lovely balance of traditional and Aussie botanicals.

"And my favourite surprise was the calibre of liqueurs entered. This is often a class that is overlooked and sometimes dominated by overly sweet "fake fruit" flavours. This year, there were four or five liqueurs that could easily have won a trophy.

"The Champion Liqueur was an absolute blinder, uniquely delicious and balanced, and a style we would love to see more of."

Champion Liqueur went to *Marionette's* rich and fruity whisky liqueur, the *Caretaker's Cottage Black Forest*. In the **Champion Alternative Spirit** category, *Never Never Distilling Co* came out on top again, this time with its limited edition, *Australian Absinthe*.

Shining a light on NSW small producers, *Blue Mountains Gin Company* won **Champion Vodka** with its *Wild*

Dog Vodka, while *Banks & Solander Distillery's Cask Strength Rum* was named **Champion Cane Spirit or Rum** and **Best NSW Distilled Spirit**. And the perfect drink for summer? *Four Pillars' Rare Dry Gin and Tonic*, which won **Champion Ready to Drink**.

"The Sydney Royal Distilled Spirits Show is about shining a light on the Australian distilled spirits industry and celebrating the craftsmanship of some of our best producers. And I believe in 2025 we did just that, the calibre of entries was fantastic and the spread of exhibitors from across the nation was great to see - with four states represented amongst tonight's champion winners.

"I congratulate all of the winners and thank all who contributed and exhibited at this year's Show."

THE BEST OF THE BEST

19TH ANNUAL RAS OF NSW PRESIDENT'S MEDAL

Tathra Oysters, NSW - Winner 18th Annual President's Medal

Royal Agricultural Society of NSW

Australia's Premier Food & Beverage Award

The President's Medal is Australia's most prestigious award for food and beverage producers. Unlike other awards judged solely on taste, the Medal recognises excellence across the entire production cycle — from gate to plate.

Exhibitors are assessed on six integrated pillars: environmental sustainability, social responsibility, financial sustainability, climate and business shock resilience, succession and governance, and knowledge sharing and industry impact.

The 19th Annual President's Medal will draw from Champion and Trophy-winning Exhibits from the 2025 Sydney Royal Wine, Cheese & Dairy Produce, Fine Food, Beer & Cider, and Distilled Spirits competitions, examining and celebrating producers whose passion, innovation and leadership set a benchmark for the future of Australian agriculture.

GIN

CLASS 1 - Gin - Classic

JUDGES' COMMENTS: Some incredible examples of true juniper forward London dry style gin. The golds, well made technical gin, with great integrated botanicals that linger with a mouth hugging finish. For those wanting to achieve more in this class, we recommend more juniper forward and classic supporting botanicals. The class is really strong in Australia.

- B 93** THE FARMERS WIFE DISTILLERY, *Warm Winter Gin* (Produced by The Farmer's Wife Distillery) **75**

CLASS 6 - Gin – Fruit

JUDGES' COMMENTS: A diverse class with the best examples showing a deft touch with regards to sugar/acid in line with expression of adjunct fruit and core gin qualities. The weaker examples were either too subtle in their expression, which could have seen score higher in the contemporary class OR the fruit expression didn't sit cohesively enough with the base spirit.
