MESSAGE FROM CHAIR OF JUDGES

Welcome to the second Sydney Royal Distilled Spirits Show.

The judges and all involved at the RAS were thrilled with the participation and quality of spirits entered in 2024 so we go again.

As I said last year, the Australian spirits industry has seen remarkable growth over the past 15 years but distilled spirits have long played a part in the rich history of Sydney Royal, with gin and rum being entered in miscellaneous drinks classes as far back as the 1870s.

Spirits in Australia are having their moment and while many distillers, and likely entrants in this year's show, are in their early stages of growth, the industry believes Australian spirits could and should be a \$1billion+ industry over the next decade.

In 2025 we have around 800 distilleries in Australia, in every State and Territory making a huge array of spirits, liqueurs, ready-to-drink cocktails and non-alcoholic variants. We invite them all to enter Australia's most famous Show.

As with all Sydney Royal Show categories our role as judges is twofold. To acknowledge the best Producers and help all Exhibitors hopefully "improve the breed" and for us to let consumers know who we think are the best Producers in the land at this point of time.

I want to thank the RAS of NSW for having faith in the industry and in me to lead the judging of its Distilled Spirits Show for a second time. I do not underestimate the importance of the role.

To Angus Barnes and the team at the Wine and Spirits Show Committee, heartfelt thanks for getting this up and running, surviving year one and making this year's show bigger and better again.

To all the Exhibitors, we wish you great good fortune and hope you learn something from entering the Show.

Cheers,

Stuart Gregor

Chair of Judges

2025 Sydney Royal Distilled Spirits Show

WHY ENTER THE SYDNEY ROYAL DISTILLED SPIRITS SHOW?

Join the Sydney Royal Distilled Spirits Show and unlock a world of opportunities for your distillery!

The Sydney Royal Distilled Spirits Show point of difference:

➤ **All-Australian Entries**

At Sydney Royal, the focus is on Australian agricultural excellence. That's why all entries are required to be a minimum of 85% Australian origin – which includes all ingredients and manufacture. Sydney Royal celebrates the high quality of Australian products and this gives Sydney Royal medals value and prestige.

➤ **Individual Exhibit feedback and benchmarking**

Each Exhibit is judged by a panel of experienced Judges, who spend time in providing individual Exhibit feedback. This feedback is provided to the Exhibitor following the release of results. Having your distilled spirits judged with Sydney Royal will allow you to benchmark your products in industry and provide opportunity for improvement and marketing your successes.

➤ **Ready to drink (RTD) Classes**

Ready-to-Drink beverages have gained significant popularity in recent years. By including RTD Classes, Sydney Royal is leading the way, recognising the quality and innovation of these beverages in the industry.

➤ **Non-alcoholic spirits Class**

Inclusion of a non-alcoholic Class sets the Sydney Royal Distilled Spirits Show apart by acknowledging the growing demand for sophisticated non-alcoholic distilled spirits drinks. This category provides a platform for Exhibitors to showcase their creativity and skill in crafting alcohol-free distilled spirits, catering to a diverse range of consumer preferences.

WHY ENTER A SYDNEY ROYAL SHOW?

The benefits of entering a Sydney Royal Show ("the Competition") include:

- Rigorous score-based evaluation, allowing you to compare your product against industry benchmarks.
- Individual confidential product feedback on every Exhibit, provided by experienced Judges.
- Opportunity to win a prestigious Sydney Royal award, demonstrating that your product has achieved a high level of quality and positive recognition from industry peers.

Sydney Royal award winners are given opportunities such as:

- Access to the Sydney Royal Medal artwork for winning Exhibits. This artwork provides the winning Exhibitor with a distinct marketing advantage and can be used to enhance advertising, promotional material and packaging.
- Access to the marketing promotional kit to guide medal winners how to best make the most of their achievement.
- Listing on the online consumer guide, Australia's Best Producers, that features medallists from the Sydney Royal Competitions, with the ability to tailor your listing and linking customers directly to your purchase facilities.
- Invaluable exposure to over 900 influential consumers and wine trade at the Sydney Royal Grape, Grain & Graze Festival.
- Opportunity to present and promote medal-winning products at the iconic Sydney Royal Easter Show, Australia's largest ticketed event attracting hundreds of thousands of visitors every year.
- Opportunity to be invited as an Exhibitor at Sydney Royal Talk & Taste at the Sydney Royal Easter Show, where you can talk and sell your medal-winning products directly to consumers.
- Opportunity to be handpicked by Sydney Showground to supply your medal-winning product at hundreds of events that happen on site throughout the year, including at the Sydney Royal Easter Show.

President's Medal

- Exhibitors of the top Exhibits will be invited to participate in the President's Medal Competition. Since 2006, the President's Medal has recognised excellence in Australian food and drink production with only the best of the best nominated to compete. Six Champion Exhibitors from the Wine, Beer & Cider, Cheese & Dairy Produce, Fine Food and Distilled Spirits Shows are selected to undergo a rigorous independent review of their business model to assess their social, economic and environmental impact both up and down-stream. It is this triple bottom line audit that makes the President's Medal Award the most unique and prestigious in the country. For more information on the President's Medal Competition visit our website <https://www.rasnw.com.au/presidentsmedal>.
