BENCHING

The purple BENCH SLIP (Confirmation Advice) enclosed in your Exhibitor pack indicates the bench number you have been allocated. Benches are allocated according to the size of the breed and are a designated, fenced, secure space for your dog to be accommodated during your time at the Show.

As a condition of entry:

- Your dog must be benched during the hours listed below.
- Dogs must remain in the ADVANCE™ dog pavilion until 5.00pm unless a direction to the contrary is issued by the Companion Animals events staff or Councillors.
- Dogs should be under the care of a responsible person at all times and should never be left unattended.

We Recommend:

- Our system allocates benches by breed and doesn't recognise when one Exhibitor is showing different breeds on the same day. If this is you, it means your dogs may inadvertently be benched in different parts of the pavilion. To avoid this, please email us your bench request within one week of entries closing. After that, we will assist where possible.
- There are anchor points on the bench which can be used to secure your dog. Add a mat or bedding to make the space comfortable for them.
- Depending on the size of your bench, your crate may fit inside. If you bring a show trolley to set up in front of your bench, please ensure it doesn't impede access or infringe on the space of another Exhibitor
- Bench numbers must not be changed upon arrival. If you have not submitted a bench request and the one you've been allocated isn't suitable, please pay a visit to the event office inside the pavilion where we'll be happy to try and find you an alternative.
- A board no larger than 450mm x 150mm displaying the registered Kennel and/or the dog's name and the official prize cards and ribbons for the current Show may be displayed.

ENTRY PASSES

Your Exhibitor pack contains several different tickets and passes and below is a description of what you will use each one for. Please check your pack when it arrives and call the Companion Animals events team if anything is missing. Don't forget to bring the pack and all its contents with you on your competition day.

Bench Slip / Confirmation Advice:

This slip with purple letterhead lists your Exhibits, the classes you've entered, your bench number and any additions you've paid for such as a catalogue or parking. It will not permit entry to the Showground but will be requested by security upon entry as proof you are permitted to bring an animal on site.

Dashboard Slip:

This slip with green letterhead permits vehicle access into the Showground for the purpose of dropping off and collecting dogs before and after the day's competition. It will permit entry for one vehicle through the Gate 10 security checkpoint to the Gate 11 vehicle drop off zone during the times specified on the slip for a period ideally no longer than 20 minutes. The vehicle should then be removed from the Showground and taken to P5A if a car/car and trailer parking pass was purchased with your entry.

Vehicle entry and exit with a Dashboard Slip is via the Gate 10 security checkpoint on Australia Avenue and all persons inside the vehicle must have a valid One-Day-Entry Pass to the Sydney Royal Easter Show. If you are walking back into the Showground after parking your vehicle, please ask Security for a wrist band pass out.

Your Dashboard Slip must be displayed on the inside windscreen of your vehicle at all times including in the P5A carpark during the day.

Collection of Exhibits in the afternoon is via the same gate and route.

One-Day-Entry Passes:

Entry into the Showground for Exhibitors is by One-Day-Entry Pass and the number of passes you have been issued corresponds with the number of dogs you have entered.

One to two dogs = 2 One-Day Entry Passes ONLY
Three to five dogs = 3 One-Day Entry Passes ONLY
Six or more dogs = 4 One-Day Entry Passes ONLY

One-Day-Entry passes (Exhibitor) allow entry to the Show before the gates open to the public at 8.30am. Each pass is valid for one entry only and can't be used to exit and re-enter the Showground (please ask security for a wrist band pass out if you need to re-enter the Showground on foot after dropping dogs and parking your vehicle).

Additional passes (General Admission) can be pre-purchased by visiting www.eastershow.com

Handler Passes:

In an effort to reduce printing, Handler Passes will not be issued in 2027. If you are questioned by a volunteer manning an Exhibitor Only area of the pavilion, please show your purple Bench Slip (Confirmation Advice) to gain access. The event office will have Handler Passes that you can borrow for the day if required for a helper.

Please remember that our volunteers are on site to make the day safe and enjoyable for you and your dogs. With a new system in place, we ask that you remain courteous in the event a volunteer requests you confirm you're an Exhibitor or helper.

Parking Passes:

If you have purchased parking with your entry, please ensure it's the first thing you check when you receive your Exhibitor pack. If you have received a pass for a different day or it isn't in your pack, please call the office immediately.

P5A is reserved for Exhibitors, staff and contractors of the Show and access has been provided to you at a discounted rate. Entry is via boom gate on Holker Street, off Hill Road.

Passes are valid for 1 x 24-hour period only on the date displayed on the pass. If you lose your ticket you will be required to pay the full fee to exit the carpark. Unfortunately, the event office does not have replacement tickets.

Disabled parking is available in car park **P5A. Please ensure that the disability permit is displayed in the front window.** There is **no** disabled parking for cars with trailers. Exhibitors not displaying a disability permit who park in the disabled parking spaces will be asked to move their vehicles by Security Staff.

We Recommend:

- The walk from P5A to the ADVANCE™ dog pavilion is a flat one of approximately 750metres. Many Exhibitors choose to walk their dog from the carpark to give him or her some exercise before being benched during the day.

- There is a free shuttle bus that operates every 20 minutes starting at 5.00am and finishing at 1.00am. The closest drop off point to the ADVANCE™ dog pavilion is Kevin Coombes Avenue between Gate 9 and 10. Dogs are not permitted on the bus.

- Additional parking passes in P5 are limited and difficult to secure. The only way to guarantee a pass is to purchase it when you enter the competition via your MyRAS account. If you forget or require additional parking, please call the event office and we will do our best to help. If we're able to secure you a pass, you may be asked to visit the office in the pavilion on the morning of your competition to pay for and collect it.

We encourage you not to leave personal belongings unattended. Any personal items brought into the pavilion remain the responsibility of the exhibitor and the RAS will not accept liability for any damage or loss. Lockable lockers are available at the Showground and they're located close to the ADVANCE™ dog pavilion, on the eastern side, opposite the Showbag Pavilion.
