Royal Agricultural Society of NSW

Thank you from the President

Thank you for entering in this Sydney Royal Competition and congratulations to those who were successful in winning a prestigious Sydney Royal medal.

It's quite remarkable that every year our Sydney Royal Competitions attract such a high standard of entries, not only from New South Wales, but from right across the country. Agricultural competitions are at the heart of the Royal Agricultural Society of NSW (RAS) charter – to encourage and reward excellence, and support a viable and prosperous future for our agricultural communities.

To be the recipient of a Sydney Royal award is a significant achievement representing months, years and sometimes decades of hard work and dedication. To help winning Exhibitors promote their success, the RAS provides Champion, Trophy, Gold, Silver and Bronze medal winners with Sydney Royal artwork to use on product packaging and other marketing materials to promote their success.

Our Competitions are reviewed every year to ensure they remain relevant to industry standards and are up-to-date with changing trends. Please do give us your feedback; we value the strong links we have with agricultural industries.

There are many people involved in making our Competitions the world-class events they are and I thank our stewards and judges for their time, expertise and energy. Their impeccable ethics ensure only the best of the best are awarded. I also extend my gratitude to our generous Competition partners along with our Committees and supporters.

On behalf of the RAS, thank you for your support of our Competition program. Your participation plays an important role in assisting the RAS to educate and increase awareness about the importance of our agricultural industries.

I hope you enjoyed your Sydney Royal experience and I encourage you to join in the tradition of entering every year.

World-class winners have food down to a fine art

Friday 24 February 2017

Australia's best fine food producers have been unveiled after ten days of judging outstanding bakery, coffee and aquaculture products at the 2017 Sydney Royal Fine Food Show at Sydney Showground.

Hosted by the not-for-profit Royal Agricultural Society of NSW (RAS), the Show rewarded excellence while promoting, fostering and encouraging the sustainable development of Australian agriculture.

The Show's Coffee, Professional Bakery and Aquaculture competitions were an opportunity for producers to benchmark their products against their peers with a win distinguishing them as a fine food industry leader.

More than 780 exhibits were judged between 31 January - 10 February with 12 Champions being awarded a coveted Sydney Royal Medal and a further 52 Gold, 134 Silver and 239 Bronze medals distributed.

Chair of the Sydney Royal Fine Food Show, Sally Evans, said winners were selected by a panel of industry specialists through a blind judging process.

"Sydney Royal is committed to creating a competitive space that promotes the pursuit of excellence in the fine food, wine and produce sectors," Ms Evans said.

"Australian companies continue to benefit considerably from winning a Sydney Royal medal. Doors are opened to new marketing opportunities both locally and internationally," she added.

Coffee

301 entries from 56 exhibitors were judged by an expert panel of Australia's most respected and fine-tuned palates.

The high standard of quality required to earn a coveted Gold Medal was reinforced with just one being awarded in the 2017 competition alongside 25 Silver and 118 Bronze medals.

Diva Coffee from Belrose was presented the prestigious Gold Medal, taking out Champion Latté for their Diva Fair Trade Blend which judges described as beautifully balanced with a fantastic full palate.

All coffees were roasted in Australia using locally and internationally grown beans. Categories judged included international and Australian grown single origin and blend coffees across latte, espresso, plunger and decaffeinated.

Professional Bakery

The Sydney Royal Professional Bakery Competition saw 19 Gold, 65 Silver and 98 Bronze medals awarded.

More than 340 entries across 64 classes were submitted by professional bakers from across the country.

MEDIA RELEASE

Brasserie Bread from Banksmeadow was awarded Champion Bread for their Flinders Ranges Sprouted Wheat thanks to its astounding volume, delicate crumb and good texture.

A flavour trend was uncovered with The Gumnut Patisserie taking out Champion Pastry with their Salted Caramel Tartlet, and Cessnock's Exquisite Cakes by Lennert Salted Caramel Slice winning Champion Cake.

The Gumnut Patisserie in Mittagong also saw their rising star, Samantha Trotter win Best Apprentice/Student Exhibit. Judges described her Blueberry and Custard Brioche, Raspberry Croissants and Vanilla Slice as an amazing selection of products with great consistency.

The apprentice and student classes encourage the development of upcoming bakery professionals, ensuring the industry's continued success.

Aquaculture

This year the highest ever quality of oysters were presented to the judging panel which was reflected in the results with 11 more gold medals being awarded than in the 2016 competition. A total of 99 medals were awarded in 2017 consisting of 32 Gold, 44 Silver and 23 Bronze.

Doyles Oysters from Batemans Bay claimed the Champion Sydney Rock Oyster and the Champion Aquaculture Product Perpetual Trophy donated by Noel Herbst OAM.

Championship winners included:

- Champion Prawn: Pacific Reef Fisheries
- Champion Barramundi: Pejo Enterprises
- Champion Fresh Fish: Murray Gold Australia
- Champion Salmon Product: Pialligo Estate
- Champion Trout Product: Arc-en-Ciel Rainbow Trout

2017 COFFEE COMPETITION

Class 1 - Espresso. Blend.

JUDGES COMMENTS: We found a return to darker roast levels this year, however there still seems to be some confusion with dark and lighter roasts predominating to an extreme level. Distribution of medals was similar to previous years. A good overall standard for this Class.

Class 4 - Latté. Blend

JUDGES COMMENTS: We experienced the full range of coffees this year. The good coffees were very good and at the other end of the spectrum we had coffees that were under roasted, underdeveloped, scorched or burnt. The qualities exhibited in the green bean were very good, so more attention needs to be paid to the time taken and temperatures used when roasting.

Class 5 - Latté. Single Origin

JUDGES COMMENTS: We had some outstanding Exhibits in this Class, which were very complex with depth and great flavours. The coffees that didn't rate generally had underdeveloped roast profiles that didn't realise the potential of the coffee.

Class 6 - Latté. 100% Australian grown coffee from a Single Origin or Regional Blend Estate.

JUDGES COMMENTS: Further attention needs to be given towards the roast development. As a result, the coffees generally lacked depth and complexity.

Class 7 - Plunger Coffee. Blend

JUDGES COMMENTS: Based on the Exhibits entered this year, the standard of roasting was darker than previous years, which affects the levels of acidity. Darker roasts were masking some of the more subtle characteristics that could be demonstrated in the cup. The slightly lighter roast colours were adding additional dimensions and complexities to the flavour profiles.

Class 9 - Plunger Coffee. 100% Australian grown coffee from a Single Origin or Regional Blend Estate.

JUDGES COMMENTS: Bronze medal coffees were well deserved, demonstrating fruitiness and sweet notes. The lighter roasted coffees seen in this plunger Class outperformed the darker ones.

- B** 287 High Trees Estate, *Premium Single Estate Organic* (Produced by High Trees Estate) **78.25**

Class 10 - Decaffeinated Coffee. Espresso. Blend or Single Origin.

JUDGES COMMENTS: The Decaffeinated Class this year had a few great Exhibits but a lot of the Exhibits were roasted to a high profile, which brought out metallic flavours that were not pleasant. Overall, most Exhibits had really good body so the coffees were balanced.

Class 8 - Plunger Coffee. Single Origin

JUDGES COMMENTS: Generally, the standard was high and worthy of being in the Show. More complexity with floral and fruity dimensions or notes were evident. High percentage of medium roasted compared to what was seen last year.
