## Thank you from the President

Thank you for entering in this Sydney Royal Competition and congratulations to those who were successful in winning a prestigious Sydney Royal medal.

It's quite remarkable that every year our Sydney Royal Competitions attract such a high standard of entries, not only from New South Wales, but from right across the country. Agricultural competitions are at the heart of the Royal Agricultural Society of NSW (RAS) charter – to encourage and reward excellence, and support a viable and prosperous future for our agricultural communities.

To be the recipient of a Sydney Royal award is a significant achievement representing months, years and sometimes decades of hard work and dedication. To help winning Exhibitors promote their success, the RAS provides Champion, Trophy, Gold, Silver and Bronze medal winners with Sydney Royal artwork to use on product packaging and other marketing materials to promote their success.

Our Competitions are reviewed every year to ensure they remain relevant to industry standards and are up-to-date with changing trends. Please do give us your feedback; we value the strong links we have with agricultural industries.

There are many people involved in making our Competitions the world-class events they are and I thank our stewards and judges for their time, expertise and energy. Their impeccable ethics ensure only the best of the best are awarded. I also extend my gratitude to our generous Competition partners along with our Committees and supporters.

On behalf of the RAS, thank you for your support of our Competition program. Your participation plays an important role in assisting the RAS to educate and increase awareness about the importance of our agricultural industries.

I hope you enjoyed your Sydney Royal experience and I encourage you to join in the tradition of entering every year.

A handwritten signature in black ink that reads 'Robert M. Ryan'.

# Century old Central Coast family butchery breaks through for Sydney Royal glory

23 September 2017

Central Coast family butchery Edwards Family Butchery has been unveiled as the Champion of the Deli Meats class at the Royal Agricultural Society of NSW's prestigious Taste of Excellence Awards held at Sydney Showground, Sydney Olympic Park overnight.

The Edwards' have won for their Chilli Con Carne entry in the Champion Gourmet Sausage Class through their Woy Woy premises.

The Edwards family had in previous years won a silver and bronze medal in the same competition, but had never been declared Champion.

The Edwards family's links to the meat industry stretch back to the early 1900s and then 12 year old apprentice butcher Jack Edwards. The family later famously established shops across Sydney's North Shore, Round Corner in northwest Sydney and now the Central Coast.

The Taste of Excellence Awards is the culmination of months of intense judging by local and international experts.

Categories that made up the 2017 Taste of Excellence Awards included Beef, Lamb, Chocolate, Beer and Cider, Deli Meats, Regional Food, Pasta, Olive Oil and for the very first time, Pork.

Champion in the Pork category was West Australian entry Food Security International for its Black Label Berkshire, Berkshire Silver.

Overall a total of 112 Gold, 525 Silver and 390 Bronze medals were awarded across all categories and classes.

Chair of the Sydney Royal Wine and Fine Food Committee Ms Lyndey Milan OAM says the level of national interest and quality of entries each year is proof of the prestige of the Taste of Excellence Awards.

"Sydney Royal standards are extremely high and the number of medals awarded is proof that Australian producers are continuing to turn out world class product, providing potential business growth both at home and internationally.

"It is pleasing to see that Australian companies are concentrating on quality and imagination in what they are producing. We see that not only at the Sydney Royal Easter Show each year in an ever increasing list of animal breeds and food varieties, but in each of our Sydney Royal competitions," Ms Milan said.

"Judges this year spoke of the complexity and innovation in Australian chocolates submitted to the Taste of Excellence Awards as just one example," she said.

Champions from the individual categories will now be eligible for assessment for the RAS' ultimate accolade, the President's Medal, to be announced at a gala dinner at the 2018 Sydney Royal Easter Show.

## 2017 PORK COMPETITION

### PORK CLASSES

**Class 1** - Boneless Pork Loin, trimmed to 5 to 10mm.

JUDGES COMMENTS: This was a really tough Class to judge based on the overall high standard. The difference between the highest and lowest scoring Exhibits was very tight. The differences were nuances only, with multiple slightly better aspects combining to elevate the winning Exhibits.

## 2017 OLIVE OIL COMPETITION

### VOLUME

**Class 1** - Australian Extra Virgin Olive Oil. BOUTIQUE CLASS. Any varietal or blend. Mild, medium or robust. Volume between 50 - 199 litres.

JUDGES COMMENTS: Generally, the Exhibits in this Class lacked positive fruit characters on the nose and especially the palate. Often either the bitterness, pungency or both completely overpowered any fruit flavours present. There were a few standout oils in terms of balance and complexity, where all the positive attributes were in harmony. The two Gold medal oils were quite different in their flavour profiles, but displayed excellent character.

**Class 2** - Australian Extra Virgin Olive Oil. SMALL COMMERCIAL CLASS. Any varietal or blend. Mild, medium or robust. Volume between 200 - 4999 litres.

JUDGES COMMENTS: A strong Class of diverse and interesting oils. The Golds were outstanding. The fact that so many oils featured in the Silver medal range is both a credit and compliment to the producers and their trees. More attention to handling and storage will be influential in the future. Frost is another contributor to olives not being able to express their potential.

JUDGES COMMENTS: What a flavoursome Class! Well done. We loved the integrity of ingredients in this Class, with Exhibitors using good quality product to create tasty filled pasta. Variety of flavour profiles was great, with good solid combinations. Two points for Exhibitors to take on board:

1. Consider your flour choices, as durum quality is imperative to success,
2. Please check your cooking instructions, (how cooks at home will experience your product), and if the guidelines are not correct, the result can be tough undercooked pasta, or in this Class, overcooked pasta and a wet, soggy filling!
