Royal Agricultural Society of NSW

Thank you from the President

Thank you for entering in this Sydney Royal Competition and congratulations to those who were successful in winning a prestigious Sydney Royal award.

Our Sydney Royal competitions showcase excellence in rural produce and the passion of so many talented producers across NSW and interstate each year.

The standard of entries from right across the country continues to be remarkably high which is immensely pleasing for everyone involved in the Royal Agricultural Society of NSW (RAS). Rewarding excellence and encouraging innovation in food and wine production is at the heart of our charter, and in turn supports a viable and prosperous future for our agricultural communities.

To be the recipient of a Sydney Royal award is a significant achievement representing months, years and sometimes decades of hard work and dedication and is highly regarded by fellow producers. To help winning Exhibitors promote their success, the RAS provides Champion, Trophy, Gold, Silver and Bronze medal winners with Sydney Royal artwork to use on product packaging and other marketing materials to promote their success.

The RAS has a solid reputation for impartial judging standards, quality and distinction. We review our Competitions every year to ensure they remain relevant to industry standards and are up-to-date with changing trends. In the same manner, we value the strong links we have with agricultural industries and welcome feedback from producers and exhibitors.

There are many people involved in making our Competitions the world-class events they are and we take this opportunity to thank our stewards and judges for their time, expertise and energy. Their wisdom and integrity ensure Sydney Royal awards are presented only to the best of the best. We also extend our gratitude to our generous Competition partners along with our Committees and supporters.

On behalf of the RAS, thank you for your support. Your participation plays an important role in assisting the RAS to educate and increase awareness about the importance of our agricultural industries, and we encourage you to join in the tradition of entering every year.

We hope to see the winners of this year's Competitions go on towards even greater things as a result of their Sydney Royal success.

Jerky Trendy at the 2018 Sydney Royal Fine Food Show

Friday 21 September 2018

Sydney Royal Competitions will soon click over 200 years, but this time-honoured organisation can never be accused of not keeping up with trends, particularly in food.

Take for example Jerky, a standalone class at the just completed Sydney Royal Spring Fine Food Show at Sydney Showground, Sydney Olympic Park.

Jerky is lean meat which has been trimmed of fat, cut into strips and dried with the addition of salt and spices.

Entries have increased in number since 2016, proof of this meat class' growing popularity in Australia.

Jerky attracted one gold medal and five silvers in the 2018 Sydney Royal Fine Food Show which culminated tonight in the unveiling of Championship winners across all categories at the Sydney Royal Taste of Excellence Awards held at The Stables, Sydney Showground.

1168 entries were catalogued for judging across 126 classes in categories ranging from Pasta, Olive Oil, Regional Food and Branded Meat to Smallgoods and Charcuterie.

In the Regional Food competition, three of the four Champions in 2018 were first time entrants in Sydney Royal, while Sydney took the crown as top region by claiming the most medals overall.

Fine Food Committee Chair Lachlan Bowtell reflected on this year's Show:

"Despite adversity, notably the punishing drought, this year's entrants demonstrated an increase in quality almost across the board," Lachlan said,

"The exhibitors are making it tougher each and every year on our judges and that is a good thing.

"Seeing producers from our 2017 Sydney Royal competitions take on board our Judges' feedback and return with a better product is what it is all about," Lachlan Bowtell said.

Champions at a glance:

Pasta

Bianco Group was declared Champion in the **Durum Wheat Specialty Pasta** class for its Gnocchoni filled with Goats cheese and chives.

Regional Food

Regional Foods demonstrated a changing of the guard this year with three out of our four Champions being first time entrants. Sydney was the most successful region with the highest number of Medals, while **Champion Sweet Preserve** went to **Bunny Chow Down** for its Rosella Apple Chilli Jam and **Jam & Jelly by Jewel's** Beetroot Jelly took out **Champion Savoury Preserve**. **MCFarm Pty Ltd T/A Hazelbrae Hazelnuts** (Tasmania) claimed the **Champion Regional Food Specialty Product** for its **Hazelbrae Hazelnuts Oil** and **Hum Honey** for its **Cold Fusion Organic Lemon Myrtle**, being awarded the **Champion Regional Food Other Product**.

MEDIA RELEASE

Olive Oil

Alto Olives received its first championship since 2014 in the **Champion Olives** category. While former Sydney Royal President's Medal winner **Cobram Estate** also takes home two championships for **Extra Virgin Olive Oil** and **Varietal Extra Virgin Olive Oil**. **Champion Flavoured Olive Oil** has gone to **Bylands Estate T/A Kyneton Olive Oil** for its **Basil Infused Oil** and **Gooramadda Olives** has been named **Champion Boutique Extra Virgin Olive Oil**.

Branded Meats

Despite the tough drought conditions currently facing the meat industry, Judges referred to a high quality of produce entered this year, particularly within the Lamb classes. The **Champion Pork** title has gone to **Diamond Springs Pastoral** and **Champion Beef** to **Manning Valley Naturally**. This year's **Champion Lamb** and **The Dick Stone Perpetual Branded Meat Champion Trophy** winner is **Victoria's Woodward Foods Australia** for its **Woodward Foods Export Lamb (USA)**.

Smallgoods & Charcuterie

The Smallgoods & Charcuterie competition saw an increase in quality this year and as a result, Gold medals, with all Champions being returning exhibitors. Interesting new sausage flavours impressed our judges, however a classic still remains, with **Andrews Meats Industries** claiming **Champion Traditional Sausage**. **Champion Bacon** has been taken out by **Bertocchi** for its **Smoked Wide Middle Bacon** and **Sunshine Meats Double Smoked Boneless Ham** has claimed **Champion Ham**.

Zammit Ham & Bacon Curers Pty Ltd is the **Champion Smallgoods & Charcuterie Speciality Product** for 2018 while **Sunshine Meats** has taken out **Champion Poultry Product** for its **Nitrite Free Butterfly Duck**. **Barossa Fine Foods** has had a massive 2018 competition, claiming three championships – **Champion Cooked Smallgoods Product**, **Champion Smallgoods Product**, and **Champion Smallgoods & Charcuterie Gourmet Product**.

All Champions are announced in the attachment above (detailing winners' locations) and all Gold, Silver and Bronze Medal winners can be found on the on the [RAS website](#).

Class 8 - Open Beef.

JUDGES COMMENTS: Wide variation in products entered. Possibly not the quality seen in previous years but given the lack of season, both the producers and processors have done a great job. Some interesting aromas noted for a number of Exhibits, floral and caramel etc, with some steaks unfortunately displaying no distinct aroma at all. Most entries had great tenderness and juiciness, or juiciness and flavour, but only a small number managed to show a combination of all three attributes. Great, unique flavour noted for most Exhibits, a small number of entries had a slight metallic/iron noted. Congratulations to the Exhibitors.

2018 OLIVE OIL COMPETITION

VOLUME

Class 1 - Australian Extra Virgin Olive Oil. BOUTIQUE CLASS. Volume between 50-199 litres. Any varietal or blend. Mild, medium or robust. 1 litre.

JUDGES COMMENTS: As expected from this boutique Class, we experienced a wide range of variety, flavour and styles, ranging from green salad leaves to exotic passion fruits. Some have delicate flavours and finish, while others were quite robust. The descriptions - mild, medium, robust - were often not true to type.

Class 3 - Australian Extra Virgin Olive Oil. COMMERCIAL CLASS. Minimum Production – 5000 litres. Any varietal or blend. Mild, medium or robust. 1 litre.

JUDGES COMMENTS: Quite a few of the oils were very similar with aroma and finish being excellent. However the palate lacked complexity on several oils.

VARIETAL

Class 4 - Australian Extra Virgin Olive Oil. ITALIAN - 100% SINGLE VARIETAL. Minimum Production – 200 litres. (e.g. Frantoio, Correggioli, Leccino, Mediterranean, etc). Mild, medium or robust. 1 litre.

JUDGES COMMENTS: A reasonably consistent Class, with no real outstanding oils. A general lack of fruit intensity and complexity, along with lacking balance, restricted the scoring. Congratulations to those medal winners in a difficult year.

TABLE OLIVES

Class 8 - Green Olives - Plain, whole olives in brine only. No flavourings of any kind permitted. 150ml/g.

JUDGES COMMENTS: Overall quality of olives was very high. Presentation and visual appeal high. Textures were generally firm with some presenting with crispness and a full olive flavour profile. Although olives are salty, these award winners did not have olives dominated by salt that allowed the fruitiness of the olive to be tasted.

Class 10 - Kalamata Olives. Plain whole Kalamata Olives, in brine only. No flavourings of any kind permitted. 150ml/g.

JUDGES COMMENTS: A very high standard of kalamatas and good to see all the different sizes had good flavor profiles. Proves size doesn't matter when it comes to flavour. Variations in saltiness were evident but most Exhibits did not have salt overpower the fruit. Meaty fleshy olives gave a good overall mouth experience. Well done to all Exhibitors.

JUDGES COMMENTS: A difficult Class to judge, due to such variation in size, this small Class had three distinct Entries but the Gold medal Exhibit showed how well this type of olive medly can be presented. This Gold winner showed how each olive variety was a medal winner in its own right, keeping its own unique oliveness. Proving that when you mix varieties you can't compromise on quality.

Pasta quality varied from high quality durum pasta displaying a strong clean yellow colour, non sticky with few if any specks to sticky brownish coloured products. The fillings were also variable in tastes, flavour and texture which was reflected in the score. On the whole, Exhibit quality was most acceptable across the Class.

JUDGES COMMENTS: Class 9 was a small Class with three Exhibits. The overall quality was very good. None of the products were scored as outstanding however two of the three scored Silver medals while the third Entry was a high Bronze score. Pasta quality ie yellow colour and surface properties were very good but the Judges found several of the fillings left an after non seafood taste eg lemon covering the pleasing seafood taste.

The best Exhibits were made from good quality durum semolina which gave a bright yellow colour and non sticky pasta. These Exhibits scored high Silver awards. The judges found the taste and texture of fillings to vary. Some fillings gave a strong after taste which tended to cover the main ingredient flavours. In general these Exhibits were pleasing and should be acceptable in the market place.

Fillings varied from pleasing to less appealing uninteresting flavours and textures.

Class 13 - Gnocchi, Any Variety, shape or size. 500g.

JUDGES COMMENTS: Overall we were impressed with this Class, all Exhibits showed very good results, they cooked up well, offered up very good flavour profiles that were true to their description. Gnocchi is a challenging product to make more often the results are tough or doughy, not so with these Exhibits. All had good to very good taste and texture. Our Gold awarded Exhibit was particularly impressive. Its goat's cheese filling was a clever balance of flavour and texture.

- G** 55 Bianco Group, *Gnocchoni Filled W/goats Cheese And Chives* (Produced by Bianco Kitchen) **92.00**

Class 14 - Cannelloni, Meat or other fillings. 500g.

JUDGES COMMENTS: We liked what we saw in this cannelloni Class, three very good offerings. Overall the quality of Exhibit was of a high standard.

- S** 57 The Natural Pasta House, *Ricotta & Spinach Cannelloni In Napoli Sauce* (Produced by The Natural Pasta House) **86.00**
- S** 58 Pasta Di Porto Pty Ltd, *Fresh Baby Spinach, Buffalo Ricotta, Aged Parmesan & Basil Cannelloni* (Produced by Pasta Di Porto Pty Ltd) **84.33**
- 56 Bianco Group, *Cannelloni* (Produced by Bianco Kitchen) **70.00**

Class 15 - Lasagne, traditional or fillings. 500g.

JUDGES COMMENTS: A few good examples in this Class but we would recommend quality over economy as the Exhibits we saw needed more meat to pasta. Very shallow Exhibits of lasagna, which needed more attention to cooking time. Results varied and product compromised due to this. Look at integrity of fillings.

- B** 60 The Natural Pasta House, *Beef Lasagna Made With Bolognese Sauce* (Produced by The Natural Pasta House) **79.67**

GLUTEN FREE SPECIALTY CLASSES**Class 16** - Fresh and Dried Pasta, (e.g. buckwheat, rice, corn etc). Unfilled, 500g.

JUDGES COMMENTS: Very impressive Class of gluten free pastas, past years have seen some ordinary product, however, this years Exhibits delivered great tastes and great textures that will be well received by consumers. Exhibitors need to be more precise with their suggested cooking times, getting it wrong in some instances can be very detrimental to the end result and customer satisfaction.

Class 18 - Filled Pasta. Any variety, shape or size. Flavour to be specified. 500g.

JUDGES COMMENTS: Not overly impressed with this Class, which previously had such a good standard. These two Exhibits lacked in taste and texture and integrity in fillings.

- 73 Pasta Fresca, *Ricotta Spinach Ravioli* (Produced by Pasta Fresca) **69.67**
- 74 Pasta Emilia, *Gluten Free Spinach And Ricotta Cannelloni* (Produced by Pasta Emilia) **64.00**

SWEET PRESERVES

Class 1 - Sweet Jams, Jellies & Conserves.

JUDGES COMMENTS: Good variety and interesting combinations of flavours, although some products entered may have been better suited to the Class for spreads. We recommend that Exhibitors take care with the proportion of syrup to fruit when preparing jam. The size of fruit should be suspended in the syrup and should be called a conserve, not a jam, if the fruit is in larger pieces or whole.

Class 2 - Sweet Marmalades.

JUDGES COMMENTS: We liked the brightness of the Class. Most Exhibits had great visual appeal. Strong fruit flavours, but a little bit of variance with regard to other flavours. We had some concerns over texture, finding some Exhibits smooth, consistent and glossy, and others more globular and separated. We would like to see some native ingredients included in the Class in future.

Class 3 - Sweet Spreads & Pastes (including butters and curds).

JUDGES COMMENTS: Curd/butter products need to ensure good smooth textures, balance of acid and sweetness, and avoid eggy aftertastes in finished product. Pastes were good overall, with innovative ideas present. Exhibits with good balance of flavours, texture and sweetness scored best in the Class.

Class 22 - Australian Grown Culinary Herbs/Spices (dried and/or processed, including lemon myrtle, vanilla, saffron, pepper).

JUDGES COMMENTS: Good quality Exhibits overall. It would be better not to include the pack of moisture absorbant in products.

- S** 321 Bakarindi Bush Foods, *8 Pepper Salt* (Produced by Bakarindi Bush Foods) **82.33**

- B** 319 Freshwater Creek Garlic, *Garlic Granules* (Produced by Freshwater Creek Garlic) **78.00**

Class 23 - Salt and other seasonings.

JUDGES COMMENTS: Grinder Class was problematic as the result that comes out of the grinder has huge variability. The first grind differs greatly from a later grind, as particles in the jar strata over handling and time. We felt most of the salt blends would have performed better if they were presented as a pre-ground blend. Some Exhibits would have been worthy of a Gold medal if a consistent result was achievable. Better quality grinding mechanisms would help, as more uniform particle sizes in the jar would also be preferable.

Class 25 - Vinegar, maceration (from vinegar & maceration including raspberry or tarragon).

Class 26 - Vinegar, caramelised (from vinegar, sweetened and heat reduced, without thickeners including caramelised balsamic).

JUDGES COMMENTS: Very diverse range of caramelised balsamic Exhibits. Very few technical faults, a few showed crystallisation, some interesting flavour innovations were great to see in the field. Medal winning Exhibits showed flavour intensity and good balance. Gold medal had good distinctive but not overpowering truffle character, well balanced.

- 360 Fat Wren Farm, *Immune Booster* (Produced by Fat Wren Farm) **67.33**

ALL OTHER

Class 28 - Includes Sweet, Savoury or Specialty Products which do not fit in any of the Classes listed above. This could include truffles, mushrooms, garlic, edible seaweeds, preserved/dried vegetables and caviar. Please note this does not include pre-mixes that need to be cooked.

JUDGES COMMENTS: A very mixed Class, with the biggest cluster being infused honeys and pearls. The infusion process of flavours into honey needs some research to optimise flavour delivery. Benchmark salmon roe and finger lime. Pearls are somewhat problematic as the consistency, mouthfeel and flavour were not as good as they could be, as they should deliver a recognisable burst of flavour. Overall, it was good to see innovative and well made Exhibits.
