SYDNEY ROYAL EASTER SHOW - A DIVISION OF THE ROYAL AGRICULTURAL SOCIETY OF NSW (RAS) ABN 69 793 644 351

Royal Agricultural Society of NSW

Welcome from the President

The Sydney Royal Easter Show is a true celebration of the best that Australia has to offer, and we are delighted that you will be part of it. Our agricultural competitions sit proudly at the heart of everything we do, with our world class livestock shows continuing to draw national and international attention. Alongside our horse events, poultry, domestic animals, perishable cooking, arts and crafts, horticulture and woodchopping, these competitions make the Easter Show a vibrant, living showcase of Australian skill, passion and excellence to hundreds of thousands of visitors each year.

The Royal Agricultural Society of NSW (RAS) has a rich history dating back to 1822, built on a tradition of fostering and rewarding excellence in agriculture. While we honour that legacy, the RAS of today is forward looking and innovative. Each of our Committees and competition sections has a clear strategic plan in place, ensuring that we not only preserve what makes the Show extraordinary, but continually adapt – harnessing innovation and technology to enhance our competitions, benchmarking and judging processes.

Agriculture remains at the very core of our mission, with the RAS making significant contributions each year towards the growth and strength of our farming and food production sectors. Sydney Royal competitions are unique in the way they benchmark and celebrate excellence in Australian agriculture, shining a light on those who set new industry standards. Nearly 30,000 entries each year, spanning the food supply chain from paddock to plate, demonstrate the extraordinary diversity, innovation and dedication of our exhibitors.

The benefits of a win at Sydney Royal are truly enduring. A Sydney Royal award is a mark of distinction and a symbol of the highest standards of quality and excellence, it is something people are truly proud of. For some of our exhibitors, it also opens doors to valuable opportunities that elevate their profile, connects them with consumers, and creates lasting advantages for their businesses well into the future.

The cornerstone of our competitions are independent, knowledgeable and highly respected judges, alongside our expert stewards, Councillors and all of our officials. These people generously give their expertise and professionalism to ensure both integrity and excellence. To all our volunteers and to the outstanding and dedicated staff at the RAS whose efforts bring our Show to life, I extend my heartfelt thanks.

If you are not already a Member, I encourage you to join the RAS. Membership offers an even deeper connection to the Show and to this incredible community of people dedicated to honouring tradition while driving innovation.

On behalf of the RAS, I wish you the very best of luck. I eagerly look forward to seeing the strength of our agriculture, the diversity of our competitions and the skill and passion of our exhibitors on display. This year, I will also be delighted to welcome our major winners each afternoon in the President's Suite and congratulate them firsthand.

PERPETUAL TROPHIES

The purpose of competition at the Sydney Royal Easter Show is to encourage agricultural and pastoral excellence, ensuring the continual improvement of standards. In the 1870s the Society introduced Regulations to govern judges and judging to ensure that competition was consistent and fair, and the tradition of Perpetual Trophies dates back to this time.

The Perpetual Trophies are the most prestigious of all RAS Awards. They have a dual function in recognising superior effort in competition and commemorating people and organisations that have had a long and meritorious connection with the Society. Some of the trophies currently competed for were first won in 1911. Winners of Perpetual Trophies are permanently honoured, taking their place alongside past winners and becoming part of the ongoing tradition of the RAS.

The Perpetual Trophy Collection of the RAS is unique. It comprises a wide range of beautiful and elegant trophies that illustrate an extraordinary history of agricultural judging and the pursuit of excellence.

Enquiries regarding the donation of Perpetual Trophies should be directed to the RAS Heritage Centre.
