Royal Agricultural Society of NSW

Welcome from the President

With a proud history running competitions for the benefit of breeders, producers and craftspeople going all the way back to 1823, the Royal Agricultural Society of NSW welcomes entries from right across Australia to be judged at the Sydney Royal Easter Show.

This year, more than ever before, it is important that our competitions and events draw a community response and demonstrate the strength and commitment of breeders, producers, artisans, competitors and exhibitors. Our competitions are held not only to improve the quality of produce and animal breeds – as per our charter – but also to allow all those who enter the opportunity to take pride in their achievements and present them to an eager and curious audience during the Sydney Royal Easter Show.

Your decision to take part in our competitions ensures your place in our history, joining more than 30,000 others each year with a willingness to be judged and assessed, and introduces your entry to Showgoers, consumers, exhibitors and our highly regarded judges.

Sydney Royal competitions are constantly evolving, not only due to industry trends but also due to the innovation and enthusiasm of competitors. Our ability to change and adapt guarantee Sydney Royal awards remain relevant and worth striving for.

Winning an award in a Sydney Royal competition confirms the exceptional standard of your entry and is an incredible acknowledgement of your hard work and dedication as judged by our esteemed panels of judges. As I thank you for considering our competitions, I also thank our judges, stewards, sponsors, committees and supporters.

Whether your entry is award-winning or not, I hope that you enjoy and ultimately benefit from this Sydney Royal experience, and I wish you the very best of luck.

PERPETUAL TROPHIES

The purpose of competition at the Sydney Royal Easter Show is to encourage agricultural and pastoral excellence, ensuring the continual improvement of standards. In the 1870s the Society introduced regulations to govern judges and judging to ensure that competition was consistent and fair, and the tradition of Perpetual Trophies dates back to this time.

The Perpetual Trophies are the most prestigious of all RAS awards. They have a dual function in recognising superior effort in competition and commemorating people and organisations that have had a long and meritorious connection with the Society. Some of the trophies currently competed for were first won in 1911. Winners of Perpetual Trophies are permanently honoured, taking their place alongside past winners and becoming part of the ongoing tradition of the RAS.

The Perpetual Trophy Collection of the RAS is unique. It comprises a wide range of beautiful and elegant trophies that illustrate an extraordinary history of agricultural judging and the pursuit of excellence.

Enquiries regarding the donation of Perpetual Trophies should be directed to the RAS Heritage Centre.
