Royal Agricultural Society of NSW

From the President

The Royal Agricultural Society of NSW (RAS) and the Sydney Royal Easter Show (SRES) prioritise supporting and promoting the viable sustainability of our competitions.

By hosting, developing and improving our agriculture competitions, the RAS and SRES function as an influential force in the ongoing direction and development of a wide range of pursuits. We understand that while there is much family heritage, personal achievement and regional pride at stake in every judged section, the goal of every show, however big or small, is to provide a memorable and enjoyable experience that compels people to re-enter.

Sustainability, innovation and excellence are the key components that shape our competitions. The RAS knows this is what drives every exhibitor's pursuit of distinction as well. So, to all of our competitors and exhibitors, I offer you my sincere gratitude for being part of this mission. You are why Showgoers come back year after year!

I also extend a heartfelt Thank You to all our Judges, Officials, Stewards and volunteers who give so freely of their time and expertise. To our generous sponsors, Committee Members, Councillors, Breed Societies, and supporters—thank you! And also, to our valued staff, we wouldn't be able to do what we do, without you.

On behalf of everyone involved with the 2024 Sydney Royal Easter Show, Sydney Royal competitions, and the Royal Agricultural Society of NSW, I trust that you enjoyed your Sydney Royal experience.

I encourage you to join in the tradition of entering every year, and I look forward to seeing you again next year!
