SYDNEY ROYAL EASTER SHOW - A DIVISION OF THE ROYAL AGRICULTURAL SOCIETY OF NSW (RAS) ABN 69 793 644 351

Royal Agricultural Society of NSW

Welcome from the President

The Sydney Royal Easter Show is one of Australia's great celebrations of agriculture, community and achievement, and I am delighted to welcome you as an exhibitor in 2027.

Our Sydney Royal competitions sit proudly at the heart of the Show. From livestock and horticulture to horse events, District Exhibits, poultry, companion animals, arts and crafts, woodchopping and our many other competition sections, they bring together an extraordinary breadth of skill, passion and dedication. Most importantly, they provide a platform for our exhibitors and their achievements to be celebrated before hundreds of thousands of appreciative Show visitors each year.

Since 1822, the Royal Agricultural Society of NSW (RAS) has fostered and rewarded excellence in agriculture. While we are immensely proud of that heritage, our focus is equally on the future. Through competition, education and innovation, we continue to strengthen our industries, support regional communities and create opportunities for the next generation to participate, learn and achieve.

Competition remains one of the most important ways we deliver our mission. With nearly 30,000 entries each year, Sydney Royal provides an opportunity to benchmark against the best, learn from respected judges and be recognised for excellence. For those who succeed, a Sydney Royal award is more than a ribbon, medal or trophy – it is a respected mark of achievement and something our exhibitors can carry with pride well beyond the Show.

The integrity and reputation of our competitions rely on the expertise and commitment of our judges, stewards, Councillors, committee members, volunteers and RAS staff. I sincerely thank them for the time, knowledge and professionalism they contribute.

Above all, I thank you, our exhibitors, for choosing to compete at Sydney Royal. Your commitment, enthusiasm and willingness to put your work forward for judging are what bring our competitions to life and ensure the Show remains an authentic showcase of Australian agriculture, skill and achievement.

If you are not already a Member, I encourage you to consider joining the RAS and becoming part of the community that supports this work throughout the year.

I wish you every success in 2027 and look forward to welcoming our major winners to the President's Suite during the Show and congratulating them personally.

PERPETUAL TROPHIES

The purpose of competition at the Sydney Royal Easter Show is to encourage agricultural and pastoral excellence, ensuring the continual improvement of standards. In the 1870s the Society introduced Regulations to govern judges and judging to ensure that competition was consistent and fair, and the tradition of Perpetual Trophies dates back to this time.

The Perpetual Trophies are the most prestigious of all RAS Awards. They have a dual function in recognising superior effort in competition and commemorating people and organisations that have had a long and meritorious connection with the Society. Some of the trophies currently competed for were first won in 1911. Winners of Perpetual Trophies are permanently honoured, taking their place alongside past winners and becoming part of the ongoing tradition of the RAS.

The Perpetual Trophy Collection of the RAS is unique. It comprises a wide range of beautiful and elegant trophies that illustrate an extraordinary history of agricultural judging and the pursuit of excellence.

Enquiries regarding the donation of Perpetual Trophies should be directed to the RAS Heritage Centre.
