Royal Agricultural Society of NSW

Welcome from the President

The Sydney Royal Easter Show is a true celebration of the best that Australia has to offer, and we are delighted that you will be part of it. Our agricultural competitions sit proudly at the heart of everything we do, with our world class livestock shows continuing to draw national and international attention. Alongside our horse events, poultry, domestic animals, perishable cooking, arts and crafts, horticulture and woodchopping, these competitions make the Easter Show a vibrant, living showcase of Australian skill, passion and excellence to hundreds of thousands of visitors each year.

The Royal Agricultural Society of NSW (RAS) has a rich history dating back to 1822, built on a tradition of fostering and rewarding excellence in agriculture. While we honour that legacy, the RAS of today is forward looking and innovative. Each of our Committees and competition sections has a clear strategic plan in place, ensuring that we not only preserve what makes the Show extraordinary, but continually adapt – harnessing innovation and technology to enhance our competitions, benchmarking and judging processes.

Agriculture remains at the very core of our mission, with the RAS making significant contributions each year towards the growth and strength of our farming and food production sectors. Sydney Royal competitions are unique in the way they benchmark and celebrate excellence in Australian agriculture, shining a light on those who set new industry standards. Nearly 30,000 entries each year, spanning the food supply chain from paddock to plate, demonstrate the extraordinary diversity, innovation and dedication of our exhibitors.

The benefits of a win at Sydney Royal are truly enduring. A Sydney Royal award is a mark of distinction and a symbol of the highest standards of quality and excellence, it is something people are truly proud of. For some of our exhibitors, it also opens doors to valuable opportunities that elevate their profile, connects them with consumers, and creates lasting advantages for their businesses well into the future.

The cornerstone of our competitions are independent, knowledgeable and highly respected judges, alongside our expert stewards, Councillors and all of our officials. These people generously give their expertise and professionalism to ensure both integrity and excellence. To all our volunteers and to the outstanding and dedicated staff at the RAS whose efforts bring our Show to life, I extend my heartfelt thanks.

If you are not already a Member, I encourage you to join the RAS. Membership offers an even deeper connection to the Show and to this incredible community of people dedicated to honouring tradition while driving innovation.

On behalf of the RAS, I wish you the very best of luck. I eagerly look forward to seeing the strength of our agriculture, the diversity of our competitions and the skill and passion of our exhibitors on display. This year, I will also be delighted to welcome our major winners each afternoon in the President's Suite and congratulate them firsthand.

SYDNEY ROYAL HORSE SHOW
2026 GUIDELINES FOR PERFORMANCE
ALL PERFORMANCES MUST BE SUBMITTED AT TIME OF ENTRY

There will be no additional performance accepted after close of entries:
WEDNESDAY 26 NOVEMBER 2025

The RAS has a limited number of stables to allocate at the Sydney Royal Easter Show and stabling availability substantially determines the maximum number of Exhibits that we can accept into our Competitions.

The RAS has traditionally used performances gained according to its Performance Guidelines as the fairest way to select the best Exhibits and Competitors from amongst those who enter to compete at the Sydney Royal Horse Show.

*Given the current circumstances, the RAS encourages all winning exhibitors to enter for 2026, and the RAS Horse Committee will work to take all information into account in the fairest way they can when offering acceptances of entry for the 2026 show. **The RAS will accept performances to be submitted in the following categories:***

1. Any performances gained between Thursday 28 November 2024 and Wednesday 26 November 2025 towards the following performance requirement:
*As detailed section by section hereunder, Saddlehorses and Show Hunters require a minimum of FIVE (5) open wins during the official performance period. This requires at least **FOUR (4) open wins from Agricultural Shows**, and no more than **ONE (1) open win from a non-agricultural (Breed or Hack) Show**. The majority of breed Classes need a minimum of three (3) wins in the Class that is relevant to what you will be entering (e.g. Three (3) open breed led wins if you are entering led Classes and three (3) open breed ridden wins if you are entering under saddle).*
2. Consideration may be given to Exhibits who placed at the 2025 Sydney Royal Horse Show. Exhibitors are encouraged to submit results where an Exhibit placed at the 2025 Show.

Please note: The RAS cannot provide a copy of any past performances submitted. It is the responsibility of Exhibitors to re-submit their performances accurately.

All horses entered must be microchipped and registered on a recognised National Registry. All horses entered must also be registered with a BREED SOCIETY recognised by the ROYAL AGRICULTURAL SOCIETY of NSW (refer to Schedule) or with EQUESTRIAN AUSTRALIA, or the SHOW HORSE COUNCIL OF AUSTRALASIA. Only horses entered in Business Delivery & Turnout Classes and Heavy Horse Obstacle Classes are not required to be registered.

If results are incorrectly recorded (Name, date of show, number in class, award gained, type of class, judge and exhibitor), the performance may not be accepted.

First place, Reserve Champion, Champion or Supreme Champion winners from the 2025 Sydney Royal Easter Show or any other State Royal Shows within the performance period are **not** afforded automatic entry into Classes for future Shows.

A "WIN" is considered as:

- First place, Champion or Reserve Champion in Open Classes at Agricultural Shows. An OPEN CLASS is one that does not restrict entrants. Examples of restricted Classes include Novice, Intermediate, Maiden, Local, etc.
- First, second, third and fourth placing in Open Classes at State Royal Shows, being Sydney, Melbourne, Brisbane, Canberra, Perth, Darwin, Adelaide and Hobart. Please note: Bathurst, Geelong, Toowoomba, Launceston and Norfolk Island are considered Agricultural Shows, not State Royal Shows.
- First and second placing in a Novice Class at the previous Sydney Royal Horse Show will be considered as a win.
- Only one (1) Lady's, Gentleman's or Child's HACK OR SHOW HUNTER Event win, may be included as part of your performance.
- For Show Hunters only, one (1) Working Show Hunter Event win may be included as part of your performance.

A first place in **OPEN CLASS** at the Sydney Royal Horse Show will be the equivalent of two Agricultural Show wins.

If you win a **NOVICE CLASS** at a State Royal prior to the 2026 Sydney Royal Easter Show, it is the Exhibitor's responsibility to officially withdraw from the Novice Class entered into, or transfer into an Open Class, if they are not already entered. If a horse has won an Open/Childs/Adult/Lady/Gent Class at a State Royal Show it is no longer considered a novice. If a rider has won an Open or Novice Class at a State Royal Show, he or she is no longer considered a novice. An Exhibit that has qualified to compete in an Open Championship Class at another State Royal will no longer be eligible to compete in a Novice Class at Sydney Royal. A child under 17 years who has won an Open or novice Riding Class at a State Royal will be eligible to compete as an adult novice rider, whilst eligible.

ONLY ONE PERFORMANCE FROM EACH SHOW WILL COUNT. If you win your Open Class and then go on to win the Champion, only one will count as a win (including performances from Royal Shows). Should you place first in a restricted (e.g. Novice, Intermediate, etc.) Class and go on to win the Champion or Reserve, the Champion or Reserve will be counted. Similarly, if you place second (in Open or restricted Class) and go on to gain Reserve Champion, the Reserve Champion will be counted as a win.

SADDLE HORSES AND SHOW HUNTERS

AN EXHIBIT CAN ONLY BE ENTERED IN EITHER SADDLE HORSE CLASSES OR SHOW HUNTER CLASSES BUT NOT BOTH. THE PERFORMANCE GUIDELINES BELOW APPLY TO BOTH SADDLE HORSES AND SHOW HUNTERS.

- Qualifications for entry of SADDLE HORSES OR SHOW HUNTERS to the Sydney Royal Easter Show change from year to year. There is no specific performance requirement set until after the Closing Date of Entries when all entries are considered. - **CHAMPION SADDLE HORSE HACKS, OR CHAMPION SHOW HUNTER HACKS** from the 2025 Sydney Royal Horse Show will be accepted into Open Classes with only additional two (2) performances from Agricultural Shows held after Tuesday 22 April 2025. Please note: Supremes, Champions and Reserve Champions from other State Royals will count as one (1) win.
- In cases where a horse has only five (5) wins, second placings at Agricultural Shows will be considered at a ratio of four seconds are equal to one first. In addition, overall performance at all events will be taken into consideration.

- Breed wins will only be accepted from shows affiliated with an RAS recognised Breed Society. Recognised Breed Societies are listed in this document and on the website.
- Breeds which require a suggested minimum of two (2) placings in the Class that is relevant to what is being entered are: Clydesdales, Percherons, Shires, Suffolk Punch and Belgians.
- First places, Champions and Reserve Champion placings in relevant Classes at Agricultural Shows or Breed Shows must be gained during the official performance period.
- First, second or third placing gained in a Class at the 2025 Sydney Royal Horse Show will be considered as a win.

- Broodmares do not require any performances and may transfer to dry mare Classes only if they have the relevant performance.

WORKING AUSTRALIAN STOCK HORSE CLASSES

- **Only horses entered in Stock Horse Classes are eligible to enter Working Stock Horse Classes.**
- All horses entered in Working Stock Horse Classes **must submit at least three (3) Working Stock Horse performances** obtained during the qualification period.
- ASH Futurity and Maturity classes will **not** be counted as a win, but Exhibitors are able to include this in their performance listing.

RIDING CLASSES & TURNOUT CLASSES

- For the 2026 Sydney Royal Easter Show, **Riding Classes require a minimum of three (3) Open Riding Class wins** at Agricultural Shows or recognised Breed shows.
- First and second placing in a Novice Class at the previous Sydney Royal Horse Show will be considered as a win.
- **Turnout Classes and Equestrian Showcases** require a minimum of two (2) performances (placings) in Turnout Classes during the qualification period or a minimum of three (3) Open Riding Class wins at Agricultural Shows or recognised Breed shows.
- It is the Rider's responsibility to confirm that the mount nominated to be used in your Riding Class(es)/Turnout Class has been accepted for (excluding Pony Club) and competing in at least one Class for Breeds, Hack or Showjumping before it can be used as your Riding Class/Turnout mount. If the horse nominated, was not accepted in at least one Class, then you must contact the Horse Section to nominate a different horse, that you have confirmed with the Owner has been accepted and competing in at least one Class at the 2026 Sydney Royal Easter Show, otherwise you must officially withdraw.

HARNESS CLASSES

- Horses or Ponies entering in the Harness Classes are **recommended to submit one (1) harness performance** at a recognised Agricultural Show or Harness Show. These must be gained during the official performance period.

❖ DISCLAIMER

The information contained in this publication is for the purpose of providing information to our Exhibitors and Show patrons. The information is correct at the time of printing, however, the information may be subject to change or amendments. Please check our websites for the most recent up to date information.

❖ PRIZES & GST

The Australian Taxation Office has deemed that GST is payable on prizes if an Exhibitor is registered for GST and enters an Exhibit as part of a business enterprise.

The information an Exhibitor provides on the Application for Entry determines whether GST is applicable.

Any prize stated in this Schedule does not include GST.

GST will not apply:

1. if an Exhibitor enters an Exhibit as a hobby or private recreational pursuit; or
2. if an Exhibitor enters an Exhibit as part of a business enterprise, the Exhibitor has an ABN, but the Exhibitor is NOT REGISTERED for GST.
3. if an Exhibitor enters an Exhibit as part of a business enterprise, the Exhibitor is not entitled to an ABN as the business or enterprise is not operating in Australia.

GST will apply:

4. if an Exhibitor enters an Exhibit as part of a business enterprise, the Exhibitor has an ABN, and the Exhibitor is REGISTERED for GST.

Where GST applies, the RAS will pay the prize money quoted in this Schedule plus 10% GST. The RAS will issue a recipient created tax invoice.

WARNING: The Exhibitor must complete the **Tax Details** on the Application for Entry. Failure to do so will result in the RAS deducting 47% of the successful Exhibitor's prize money as Pay As You Go Tax (PAYG). The RAS recommends that the Exhibitor seeks professional advice before completing the Tax Details.

❖ PAYMENT OF PRIZE MONEY

Prize money won during the Sydney Royal Easter Show will be paid by Electronic Funds Transfer (EFT) to the bank account nominated for the Exhibitor in the competition entry system (myRAS) at the time the RAS commences processing a payment. If the bank details are incomplete or incorrect, the RAS will attempt to contact the prize winners to confirm payment details.

The RAS seeks to finalise all prize money payments by the end of June. Queries regarding unpaid prize money can be addressed to the Service Centre by email at competitions@rasnsw.com.au.

Any prize money left unclaimed for a period in excess of six months, is deemed forfeited by the Exhibitor.

IMPORTANT INFORMATION FOR EXHIBITORS (continued)

❖ SUPPORTER PRIZES

Prizes are provided by third parties and the RAS advises that any such prizes may be subject to change or amendment occurring at any time, thereby making the original information published incorrect.

❖ WORKPLACE SURVEILLANCE ACT

RAS operates surveillance cameras from Sydney Showground Security and these are located in and around facilities requiring security monitoring for the safety or security of individuals or property. RAS also has access to Sydney Olympic Park security cameras and vice versa. Please note that security camera monitoring is continuous and ongoing and it is deemed that a person, by entering the Showground, consents to this photographing, filming or taping. RAS strictly complies with the Workplace Surveillance Act 2005.

❖ WITHDRAWALS

A refund of Entry Fees shall not be made unless a notification of withdrawal is received by the Exhibitors myRAS account before the Closing Day of Entry.

To withdraw an Exhibit in part or in full, Exhibitors must log into their myRAS account and select the Classes they wish to withdraw for each Exhibit and complete the withdrawal process.

❖ WITHDRAWALS (Gents, Ladies and Childs Hack and Show Hunter Classes).

Exhibitors must confirm their intention to start in their chosen Class by 7am on the morning of the Class. Failure to withdraw from the Class(es) you are not competing in will result in an Absent Penalty of \$150. Acceptance Fees for these three Sections will not be refunded.

Please note: If an Exhibit has won its Open Class, it is permitted to be withdrawn from Gents, Ladies & Childs Classes with no withdrawal penalty.

❖ CLASHES

When entering Classes from the Horse Schedule please be aware that due to the complicated nature of the 12 day program there are likely to be clashes between some Classes. We are aware of these and every endeavour has been made to eliminate them, where possible. However, due to horses having multiple registrations and the fact that as many as four Classes are run at the same time, in different rings, it is not possible to eliminate all Class clashes. Therefore, where these occur, the Exhibitor may have to make a choice between one Class and the other. Your co-operation will be much appreciated.

❖ SWAPPING MOUNTS

Swapping mounts in the Main Arena is not permitted. Riders must leave the Arena to swap mounts. An exception may be granted by the Chief Steward in a Championship Class where a rider may have more than one mount in the Class.

❖ TRANSFER OF OWNERSHIP

PERPETUAL TROPHIES

The purpose of competition at the Sydney Royal Easter Show is to encourage agricultural and pastoral excellence, ensuring the continual improvement of standards. In the 1870s the Society introduced Regulations to govern judges and judging to ensure that competition was consistent and fair, and the tradition of Perpetual Trophies dates back to this time.

The Perpetual Trophies are the most prestigious of all RAS Awards. They have a dual function in recognising superior effort in competition and commemorating people and organisations that have had a long and meritorious connection with the Society. Some of the trophies currently competed for were first won in 1911. Winners of Perpetual Trophies are permanently honoured, taking their place alongside past winners and becoming part of the ongoing tradition of the RAS.

The Perpetual Trophy Collection of the RAS is unique. It comprises a wide range of beautiful and elegant trophies that illustrate an extraordinary history of agricultural judging and the pursuit of excellence.

Enquiries regarding the donation of Perpetual Trophies should be directed to the RAS Heritage Centre.
