2026 SYDNEY ROYAL EASTER SHOW - TREATMENT NOTIFICATION FORMS

Thank you for entering the 2026 Sydney Royal Easter Show. As an Exhibitor, you have agreed to comply with the RAS General Regulations, your specific Competition Regulations, and the Sydney Showground Conditions of Entry (collectively known as “the Regulations”). I wish to bring to your attention the following RAS General Regulations pertaining to Prohibited Substances:

PROHIBITED SUBSTANCE

128. A Treatment Notification Form must be:

- (a) completed if a Prohibited Substance has been administered to an Exhibit within:
 - (i) in the case of hormones and their synthetic counterparts, cortico steroids and anabolic steroids, 180 days,
 - (ii) in all other cases, 14 days, before the Day of Exhibition,
- (b) signed by a qualified veterinarian, and
- (c) submitted to the Superintendent's office of the relevant Section by 6pm on the day before the Day of Exhibition.

Note – in the case of Dogs and Small Animals, submitted to the office no later than 8.30am on the day of judging.

129. An incomplete Treatment Notification Form may be rejected by the RAS and if that occurs, the Exhibit must not compete in any event unless, prior to that event:

- (a) the Exhibit has been examined as contemplated in General Regulation 132,
- (b) the Exhibitor has paid to the RAS an examination fee as determined by the relevant Committee, and
- (c) permission to compete has been given in writing by the Chair of the Veterinary Committee or an RAS Veterinarian.

Exhibitors are also be reminded that the RAS may, at its discretion, examine and/or take samples from any Exhibit for the purposes of detecting Prohibited Substances. Should a confirmatory test be requested by the Exhibitor, this test will be at the Exhibitor's expense.

A Treatment Notification Form can be obtained from the Event Manager of your section prior to/or at the Sydney Royal Easter Show. Please find your Event Manager's details below:
