

**SYDNEY ROYAL HORSE SHOW
2027 GUIDELINES FOR PERFORMANCE
ALL PERFORMANCES MUST BE SUBMITTED AT TIME OF ENTRY**

**There will be no additional performance accepted after close of entries:
WEDNESDAY 25 NOVEMBER 2026**

The RAS has traditionally relied on performances achieved in accordance with its Performance Guidelines as the fairest and most objective method of selecting Exhibits and Competitors for the Sydney Royal Horse Show.

Given the unique circumstances surrounding qualification for the 2027 Show, the RAS strongly encourages exhibitors to provide as much relevant performance information as possible when submitting their entries. The more comprehensive the information provided, the better placed the RAS Horse Committee will be to assess each Exhibit's achievements, consistency, and competitiveness when determining acceptances.

The RAS Horse Committee will consider all information submitted and will endeavour to make acceptance decisions in the fairest and most equitable manner possible. Exhibitors are therefore encouraged to include all eligible results and achievements that may assist the Committee in assessing their application.

The RAS will accept performances submitted in the following categories:

1. Official Performance Period Results

Any performances gained between **Thursday 27 November 2025 and Wednesday 25 November 2026** towards the applicable performance requirements.

As detailed in the relevant sections below:

- **Saddle Horses and Show Hunters** require a minimum of **five (5) open wins** during the official performance period, including:
 - At least **four (4) open wins** at Agricultural Shows; and
 - No more than **one (1) open win** at a non-agricultural (Breed or Hack) Show.
- **Most Breed Classes** require a minimum of **three (3) wins** in the class relevant to the intended entry. For example:
 - Three (3) open breed led wins for Led Classes; and/or
 - Three (3) open breed ridden wins for Under Saddle Classes.

2. Sydney Royal Horse Show 2026 Results

Consideration may also be given to Exhibits that achieved placings at the **2026 Sydney Royal Horse Show**. Exhibitors are strongly encouraged to provide details of all relevant placings and achievements from the 2026 Show to assist the Committee in its assessment.

Important: Where an Exhibit has performances, awards, championships, reserve championships, high-point awards, or other significant achievements beyond the minimum requirements, exhibitors are encouraged to submit these details. The Committee welcomes comprehensive performance records, as this information assists in distinguishing between highly competitive entries when determining acceptances.

Please note: The RAS cannot provide a copy of any past performances submitted. It is the responsibility of exhibitors to re-submit their performances accurately.

All horses entered must be microchipped and registered on a recognised National Registry. All horses entered must also be registered with a BREED SOCIETY recognised by the ROYAL AGRICULTURAL SOCIETY of NSW (refer to Schedule) or with EQUESTRIAN AUSTRALIA, or the SHOW HORSE COUNCIL OF AUSTRALASIA. Only horses entered in Business Delivery & Turnout Classes and Heavy Horse Obstacle classes are not required to be registered.

If results are incorrectly recorded (Name, date of show, number in class, award gained, type of class, judge and exhibitor), the performance may not be accepted.

First place, Reserve Champion, Champion or Supreme Champion winners from the 2026 Sydney Royal Easter Show or any other State Royal Shows within the performance period are **not** afforded automatic entry into classes for future shows.

A "WIN" is considered as:

- First place, Champion or Reserve Champion in Open Classes at Agricultural Shows. An OPEN CLASS is one that does not restrict entrants. Examples of restricted Classes include Novice, Intermediate, Maiden, Local, etc.
- First, second, third and fourth placing in Open Classes at State Royal Shows, being Sydney, Melbourne, Brisbane, Canberra, Perth, Darwin, Adelaide and Hobart. Please note: Bathurst, Geelong, Toowoomba, Launceston and Norfolk Island are considered Agricultural Shows, not State Royal Shows.
- First and second placing in a Novice Class at the previous Sydney Royal Horse Show will be considered as a win.
- Only one (1) Lady's, Gentleman's or Child's HACK OR SHOW HUNTER event win, may be included as part of your performance.

- For Show Hunters only, one (1) Working Show Hunter event win may be included as part of your performance.

A first place in **Open Class** at the Sydney Royal Horse Show will be the equivalent of two Agricultural Show wins.

If you win a **NOVICE CLASS** at a State Royal prior to the 2027 Sydney Royal Easter Show, it is the Exhibitor's responsibility to officially withdraw from the Novice Class entered into, or transfer into an Open Class, if they are not already entered. If a horse has won an Open/Childs/Adult/Lady/Gent Class at a State Royal Show it is no longer considered a novice. If a rider has won an Open or Novice class at a State Royal Show, he or she is no longer considered a novice. An Exhibit that has qualified to compete in an Open Championship Class at another State Royal will no longer be eligible to compete in a Novice Class at Sydney Royal. A child under 17 years who has won an open or novice riding class at a State Royal will be eligible to compete as an adult novice rider, whilst eligible.

ONLY ONE PERFORMANCE FROM EACH SHOW WILL COUNT If you win your Open Class and then go on to win the Champion, only one will count as a win (including performances from Royal Shows). Should you place first in a restricted (e.g. Novice, Intermediate, etc.) Class and go on to win the Champion or Reserve, the Champion or Reserve will be counted. Similarly, if you place second (in open or restricted Class) and go on to gain Reserve Champion, the Reserve Champion will be counted as a win.
