Royal Agricultural Society of NSW

Welcome from the President

With a proud history of running competitions for the benefit of breeders, producers and craftspeople going back to 1823, the Royal Agricultural Society of NSW today welcomes entries from right across Australia to be judged at the Sydney Royal Easter Show.

Our competitions were established to improve the quality of produce and animal breeds and that has not changed over the past 200 years. Our vision is for a community that understands and values sustainable Australian agriculture and award-quality produce, and this vision is fulfilled with each entry in our competitions.

Initially, we assessed livestock before adding tobacco, coffee, wine, and precious stones and diamonds in our early years. As the young colony of New South Wales evolved, we added domestic pets, arts and crafts, foodstuffs and even ostriches were judged in 1882.

Your decision to enter this competition ensures your place in our history. You are taking your place along with more than 30,000 others with a willingness to be judged and assessed, and introduces your entry to Showgoers, consumers, exhibitors and our highly regarded judges.

Sydney Royal competitions evolve and progress each year, in part due to the innovation and enthusiasm of competitors, and also in response to consumer and industry trends. It is this spirit that saw us introduce, amongst others, classes for canaries (1873), woodchopping (1899), potato crops (1927), campdraft (1934), and even pedigree guinea pigs (1977). This willingness to change and grow guarantees Sydney Royal medals remain relevant, valued, and worth striving for.

Winning an award in a Sydney Royal competition confirms the exceptional standard of your entry and provides marketing opportunities on many levels. It is an incredible acknowledgement of your hard work and dedication as judged by our esteemed panels of judges. As I thank you for considering our competitions, I also thank our judges, stewards, sponsors, committees and supporters.

Whether your entry is awarded a ribbon or not, I hope that you enjoy and ultimately benefit from this Sydney Royal experience, and I wish you the very best of luck.

PERPETUAL TROPHIES

The purpose of Competition at the Sydney Royal Easter Show is to encourage agricultural and pastoral excellence, ensuring the continual improvement of standards. In the 1870s the Society introduced regulations to govern judges and judging to ensure that Competition was consistent and fair, and the tradition of Perpetual Trophies dates back to this time.

The Perpetual Trophies are the most prestigious of all RAS awards. They have a dual function in recognising superior effort in Competition and commemorating people and organisations that have had a long and meritorious connection with the Society. Some of the trophies currently competed for were first won in 1911. Winners of Perpetual Trophies are permanently honoured, taking their place alongside past winners and becoming part of the ongoing tradition of the RAS.

The Perpetual Trophy Collection of the RAS is unique. It comprises a wide range of beautiful and elegant trophies that illustrate an extraordinary history of agricultural judging and the pursuit of excellence.

Enquiries regarding the donation of Perpetual Trophies should be directed to the RAS Heritage Centre.
