Royal Agricultural Society of NSW

Thank you from the President

Thank you for entering this Sydney Royal Competition and congratulations to all of this year's Sydney Royal medal winners.

Entries continued to be strong this year, highlighting the importance of our competitions amongst producers. Acknowledging excellence and encouraging innovation is at the heart of our charter, and in turn, supports a sustainable and successful future for all involved in each agricultural step of our food and wine industries.

Our Sydney Royal competitions are amongst the most prestigious in the country, raising the benchmark in product superiority across a range of diverse classes.

The reward for such excellence is a Sydney Royal medal, a significant achievement and one that is acknowledged by your industry peers and consumers alike. The ability to go to market with Sydney Royal artwork on the packaging elevates your product and signifies the exceptional quality recognised by our judges.

The standards set at our competitions are renowned across Australia, endorsing the impartiality, rigorous standards and absolute professionalism of our esteemed judging panels.

I would like to extend my gratitude to our judges, stewards and dedicated committees. I would also like to give thanks to all associated sponsors who support the ongoing development of our Sydney Royal competitions each year.

I look forward to seeing the passion and devotion of our winning producers result in commercial success, and I encourage them to take advantage of all associated benefits of their win.

I hope all entrants have enjoyed their experience and are inspired to join in the tradition of entering every year. It is one way in which producers can play a crucial role in the viable future of our agricultural industries.

WHITE WINE CLASSES

Class 1 - Riesling, 2019

JUDGES COMMENTS: Combination of very newly bottled wines and some obviously tough vintage conditions in some regions saw the full gamut of quality. Some wines still remain unresolved with slight yeast/estery characters still evident while some quite sunkissed characters and forward wines appeared in the mix. Best wines were light, pure expressions of the variety with good freshness, shape and length.

Class 4 - Sauvignon Blanc, 2019

JUDGES COMMENTS: A moderately strong Class of young wines with some lovely examples and very few faulty examples. The best wines showed beautiful varietal character with lovely balance and acidity. There was also a good use of residual sugar and lees work in some examples.

Class 13 - Chardonnay, 2017

JUDGES COMMENTS: An interesting Class. A lot of wines starting to show signs of decay. Better wines had length, clarity and freshness. Vitality and freshness is key; top gold had length with balance and finesse.

Class 17 - White blends, 2019

Class 20 - Sweet White wine, 2019 and older

JUDGES COMMENTS: Quite a challenging Class to judge due to the range of styles and varieties. Some wines were rather out of class, being medium-sweet varietal wines rather than true sweet wines. Whilst some wines lacked freshness and acidity leaving them without balance, the top wines had lovely purity, with sugar kept in balance by clever use of texture and/or oak and phenolics.

Class 22 - Pinot Noir, 2018

JUDGES COMMENTS: Overall, was a diverse class of Pinots showing fruit generosity with a deft winemaking hand in the best cases. Many tough wines with textural properties overshadowing fruit.

- 25/27 Fox Gordon: 2017, *Fox Gordon By George Tempranillo* GOODWOOD SA **81**

Class 26 - Grenache, 2018 and older

JUDGES COMMENTS: A lot of variations of style within the bracket between the traditional and the modern. There appeared to be a purposeful "hunting for style" in some examples. The best wines were beautifully perfumed, sweet-fruited without being sweet, lingering and light on their feet. The younger wines were strong. The older wines in the bracket appeared tired in general and the question was whether the best older wines were being shown.

Class 27 - Grenache dominant blends, 2018 and older

JUDGES COMMENTS: 2017 showed the difficult vintage. Many of the 2018 were a touch simple and some of the older wines were a little tired. The best wines showed good varietal characters, complexity and balance.

Class 28 - Cabernet Sauvignon, 2018

JUDGES COMMENTS: Overall a solid Class of younger Cabernet; the best examples showed varietal characters, with integrated oak, and freshness. Some examples with heavy use of oak, and overripe fruit, lost any varietal character.

Class 30 - Cabernet Sauvignon, 2016

JUDGES COMMENTS: Generally a disappointing Class. Too many wines were dried out and lacking freshness or hints of varietal character. Premature colour development and old school dry red characters prevailed in many of the wines. The best wines were fresh and showed youthful colour and balance on the palate and will age well.

Class 35 - Shiraz, 2018

JUDGES COMMENTS: Lots of silky, young fresh wines. Top wines had extra complexity from good winemaking and depth of fruit. Brightness and freshness is key. Well managed oak and extraction is vital to keeping wines vibrant. Also timing of picking is obviously extremely important to getting the balance of these wine in balance.

Class 36 - Shiraz, 2017

JUDGES COMMENTS: Note from our international judge: it's great to see why australia does so well with the shiraz variety! Lovely wines, medium bodied and elegant. Lesser wines showed overuse of oak and tired fruit.

Class 38 - Shiraz, 2015

JUDGES COMMENTS: These wines should be sold - as they have reached their peak drinking window. In many wines, the fruit is drying out and oak is taking over, looking tired and confected.

Class 39 - Shiraz, 2014 and older

JUDGES COMMENTS: A mixed bag; judges felt it was largely split between wines that were intended to age/be cellared and wines that were still hanging around, hoping for the best. The latter showed oxidation, tired fruit and a range of faults. The best wines however were vibrant, balanced and harmonious.

Class 43 - Other red varietals, 2018

JUDGES COMMENTS: The best wines were very fresh and drinkable with excellent balance. There was a range of varieties rewarded. Too many wines in the bracket that showed a poor balance of acid and tannin and the result was a lean and hard finish. There was overuse of residual sugar in some wines in an attempt to compensate.

Class 45 - Red blends, 2018

Class 47 - Red blends and/or other varietals wine, 2016 and older

JUDGES COMMENTS: Overall, the single varieties shone more than the blends, with some of the lesser wines showing lack of freshness, poor oak choices and winemaking faults. However, the quality and balance of the best wines, across a range of varieties, was very encouraging. Lots of drinkability to be found in this Class.
