## From the President

Thank you for entering this Sydney Royal Competition and congratulations to all entrants who were successful in achieving the status of Sydney Royal medal winner.

Now more than ever the rewards for excellence are to be applauded as they show the determination and spirit of producers right across Australia. To continue to follow your passion and not only value your work enough to enter into competitions but to achieve outstanding results is a testament to all that the Sydney Royal competitions stand for.

To be the recipient of a Sydney Royal award is a significant accomplishment representing months, years and sometimes decades of hard work and dedication. The ability to go to market with Sydney Royal artwork on the packaging elevates your product and signifies the exceptional quality recognised by our judges.

Our competitions are renowned for their fair yet rigorous judging process, the professionalism and integrity of our judging panels and the relevance of our classes to industry and consumer trends. We review our Competitions every year to ensure they remain relevant to industry standards and up-to-date with changing trends and we value feedback from all entrants. There are many people involved in making our Competitions the world-class events they are. I must thank our judges for their time, expertise and energy. Their impeccable ethics ensure only the best of the best are awarded. I also extend my gratitude to our generous Competition sponsors along with our Committees and supporters.

I hope all entrants have enjoyed their experience and take advantage of the feedback they receive as well as the marketing opportunities available for those who are Sydney Royal medal winners. I encourage all of you to enter again next year and continue to grow your product alongside those of your peers.

## CLASS 13 - Chardonnay, 2019

JUDGES' COMMENTS: First group of wines were showed great fruit and oak interplay. Two gold wines excellent examples. main faults dusty coconut oak, acid fruit balance. Appeared to be a region change mid way through. Second Group, wide range of quality levels. The best wines stood out clearly - they had complex aromatics, great flavour, layers and length. And the best wine of class had great drive. Of the non-performing wines, there were many dilute wines with disjointed oak. There were also some overripe styles. Concentration and balance were important elements in the top medal winning wines.

**CLASS 25 - Tempranillo, 2020 and older**

JUDGES' COMMENTS: Young wines quite tannic, Strong wines showed balance of fruit and oak, some exhibits too oaky.

**CLASS 24 - Merlot, 2020 and older**

JUDGES' COMMENTS: A struggle with one gold and a very good example of supple, fine tannin and red berry fruit. Main concerns were under ripe grapes and gum leaf notes. Oak is not a substitute for fruit.

JUDGES' COMMENTS: Some excellent, pristine expressions at the top end, plus some very impressive, beautifully textured wines in the silver medals. Some wines were let down by the usual suspects: out of condition & premature, overripe and over-oaked.

JUDGES' COMMENTS: Panel A: Many over-ripe, dense, high octane wines. The golds showing restraint, fruit and perfume. Panel B: A mixed bag with few highlights. Many wines were over-oaked and overripe. The best wines had richness, energy and brightness. Panel C: An ok class but not many highlights in this section. Under ripe fruit was the main concern. Panel E: An excellent class of wines, showing the diversity of the variety. The two top wines were outstanding showing purity of fruit, fine tannin and great length. Panel F: Solid class with fruit intensity lacking in some, top wines with beautiful ripeness in fruit and tannin and understated oak.

**CLASS 37 - Shiraz, 2018**

JUDGES' COMMENTS: Panel A: Nothing compelling in this group.  
 Panel B: A disappointing class with many overripe and over oaked wines.  
 Panel C: Strong bracket but no great highlights. Still, a pleasure to judge. Top wine, while at this stage has lots of classy oak, also backed by powerful fruit.

### CLASS 44 - Other red varietals, 2019

JUDGES' COMMENTS: It is so good to see so many different varietals in this class. Many wines of joy, with fine winemaking on display. Of the non-medal winning wines, oak usage was often very heavy and suppressed the varietal fruit characters. The best wines were finely crafted and allowed the variety to shine.

**CLASS 46 - Red blends, 2019**

JUDGES' COMMENTS: A very interesting class filled with fascinating, layered, complex, balanced wines which would be absolutely delicious to drink. Due to the strength in quality, we would like to see more wines entered into this class. The top wines were excellent examples of their type, though all very different in style. There was the traditional full-fruited wine, the layered and detailed red, and the savory/structured blend. We applaud the creativity and the attention to detail of the top wines in this class.
