Royal Agricultural Society of NSW

## Welcome from the President

The Royal Agricultural Society of NSW (RAS) is mission-purposed to foster the prosperous and sustainable future of Australian agriculture. Our goal is to help producers improve Australian produce to award-quality levels. This is accomplished primarily through the time-tested approach of competitions, because the very nature of competition drives innovation and excellence.

Sydney Royal competitions establish industry benchmarks by which success can be measured year-on-year. Our Committees carefully design competition categories and establish judging panels to ensure the most effective impact on industry and relevant markets.

We know from 200 years of experience that our competitions raise not only the quality of produce but also the calibre of producers. This year was no different, the excellence of every exhibitor across the board is what continues to keep our competitions so highly anticipated and so well regarded. Thank you to every one of our exhibitors, we value your participation greatly.

Thank you also to our Judges, Officials, Stewards and volunteers who give so generously of their time and expertise. To our valued sponsors and supporters, thank you for your continued investment in what we do. It is because of all of you that Sydney Royal competitions continue to drive excellence in Australian produce, and to ensure the sustainability of agricultural practices for generations to come.

Being newly elected to this role, I am delighted to be working closely with our RAS Councillors and Committee Chairs and all RAS Staff involved in the Wine, Dairy, Fine Food, and Beer & Cider sections. On behalf of us all, I trust that you enjoyed your Sydney Royal experience and I encourage you to join in the tradition of entering every year so that together we can celebrate and propel Australian agricultural excellence.

I look forward to seeing you again next year.

A handwritten signature in black ink, reading "John C. Bennett".

John C. Bennett, OAM  
President, Royal Agricultural Society of NSW

**CLASS 23 - Tempranillo, 2022 and older**

JUDGES' COMMENTS: On the whole a solid glass, many nice wines, well made. A couple of standouts with a more fruit driven crunchy style getting top gold. The class was marred with wines which either had too high acid or too low acid in some low awarded wines which made the wines quite uncoordinated on the palate.

**CLASS 30 - Shiraz, 2018 and older**

JUDGES' COMMENTS: This shows the brilliance of what 2018 provided for the great variety called shiraz in our land. Some beautiful examples of wines from both cool and warm climates within Australia and the wines showing great poise, balance and ability to age. Main faults of non-award winners were that the wines were starting to dry out or had some sulphides but otherwise the class was a joy to judge.

#### CLASS 36 - Cabernet Sauvignon, 2020

JUDGES' COMMENTS: To be honest a little tough to judge. Quite a few tired and dried out wines, showing premature development for 2020. The top wines showed freshness, and bright fruit characters coupled with complexity, balanced oak and herbal notes.

#### CLASS 37- Cabernet Sauvignon, 2019 and older

JUDGES' COMMENTS: Nice class which caused much discussion between the judges. Top awards winners had excellent fruit flavours and supple tannins and weren't over swamped with too much oak. Non award winners were either over oaked or too advanced.

#### CLASS 41 - Other red varietals, 2022

JUDGES' COMMENTS: Diverse range of wines, that was very enjoyable to judge. People starting to have a clear vision of what they want to achieve with the varieties. Top wines showed good varietal character and high drinkability. A number of wines looking a little raw and undeveloped/finished, perhaps needing a little more time before bottling. Conversely also need to watch oak use to allow full expression of varieties. Overall fun and exciting times.
