Royal Agricultural Society of NSW

From the President

On behalf of the Royal Agricultural Society of NSW (RAS), I extend my heartfelt gratitude to everyone who participated in this year's Wine, Beer & Cider, Distilled Spirits, Cheese & Dairy Produce, and Fine Food competitions. Your dedication and excellence are the cornerstones of our mission to foster a prosperous and sustainable future for Australian agriculture.

Rooted in the vision set forth in the Society's original 1822 Prospectus, our mission is to implant a public spirit of agricultural improvement within the hearts of all. This mission is brought to life through our competitions, which drive innovation and set industry benchmarks for quality and excellence. Your participation not only elevates the standards of produce but also inspires the entire agricultural community.

We are deeply grateful to our Judges, Officials, Stewards, and all volunteers who generously contribute their time and expertise. Their commitment ensures the integrity and success of our competitions. To our RAS Councillors, Committee Chairs, and RAS staff, your meticulous efforts in curating these events are what makes them tick.

I am proud to work alongside such a dedicated team and community. Together, we celebrate and propel Australian agricultural excellence. I trust that you enjoyed your Sydney Royal experience and encourage you to join us again next year.

Australia's finest wines crowned at 2025 Sydney Royal Wine Show

MEDIA RELEASE

The Royal Agricultural Society of NSW has unveiled the winners of its prestigious Sydney Royal Wine Show at a celebratory lunch today, with this year's winners highlighting that premium quality wines don't always come with a premium price tag.

Taking home The Tucker Seabrook Perpetual Trophy for Best Wine of Show, was Abbey Vale Wines' 2023 Abbey Vale Premium RSV Cabernet Sauvignon – a wine whose exceptional quality is matched by its remarkable consumer-friendly price point, retailing for just \$27 a bottle.

"Australian wineries are producing world-class wines for every budget, and the Abbey Vale Premium RSV Cabernet Sauvignon is a great reflection of that," said Chair of Judges, Mike De Iuliis.

"The 2025 Sydney Royal Wine Show results were a testament to the incredible variety of outstanding wines that are on offer to consumers right now, whether you are looking for something to drink tonight or that special bottle that will reward you after years in the cellar.

"Just look for that Sydney Royal medal and you'll know that what you are getting is the best of the best and has undergone rigorous assessment."

This year's Show saw over 1500 wines assessed, with 103 gold medals awarded across five states and 23 wine regions, highlighting the exceptional calibre of wine being produced nationwide.

The Albert Chan Memorial Prize for Best White was won by the 2023 Evans & Tate Ellens Estate Chardonnay, with this year marking the third consecutive year that an Evans & Tate Chardonnay has claimed this prestigious award. Chardonnay has maintained its reputation for excellence, emerging as the standout varietal in 2025, earning more gold medals than any other varietal.

South Australia emerged victorious as the state with the highest gold medal count, narrowly beating out Western Australia; however, Margaret River stole the crown as the most decorated individual wine region, taking home almost half of the trophies awarded this year.

"It was great to see the major awards being spread across the different Australian regions, showcasing the depth and diversity of wine quality throughout the country. The healthy competition between these areas continues to elevate standards and drive excellence", said De Iuliis.

"Some regions continue to demonstrate their strength in key varietals. The Hunter Valley's renowned Semillons were once again a standout in their category, while South Australia dominated Grenache with an impressive eight gold medals.

"A particularly exciting area of this year's Show were the "red blend" classes, where we're seeing some fantastic new blends being made with purpose and precision. It's a dynamic area of the Australian wine market at the moment, and we're seeing a rise of new and innovative players".

One standout success story is that of Orange region's, Byrne Farm, who only began their wine journey in 2020 with the planting of their first vineyard block. Their remarkable rise within the industry saw them take home this year's Arthur Kelman Perpetual Trophy for Best Shiraz Dominant Blend – an extraordinary achievement in just their second year entering the competition.

Other notable highlights this year include De Bortoli Wines, Jim Barry Wines, and Stella Bella, each earning trophies for two different wines. De Bortoli Wines impressed in the Other Red Varietal and Other Red Blend categories with its Sangiovese and Tempranillo Touriga, while Stella Bella claimed top honours for Best White Blend and Best Rosé. Jim Barry Wines took out the prize for Best Shiraz, while its Riesling was recognised with the Best Value Wine award.

Three wineries managed to produce an outstanding vintage with Evans & Tate's 2023 Ellens Estate Chardonnay, Tyrrell's Vineyards' 2013 Vat 1 Semillon, and Abbey Vale Wines' 2023 Premium RSV Cabernet Sauvignon each earning 3 trophies.

"We were extremely happy with the standard of wines showcased this year. We awarded 1067 medals, which means that approximately two-thirds of entries received a medal of some colour", said De Iuliis.

"It's a strong reflection of the industry's momentum as we look ahead to next year and the milestone celebration of 200 years of the Sydney Royal Wine Show in 2026".

The public will have the exciting opportunity to taste wines from the Sydney Royal Wine Show, including medal and trophy winners, at the Grape, Grain & Graze Festival, held at Sydney Showground on Saturday, 20 September.

WHITE WINE CLASSES

CLASS 1 - Riesling, 2025

JUDGES' COMMENTS: The 2025 Riesling class was quite diverse indicating some more challenging condition in certain parts of the country. A tip of the hat to those producers that managed their picking decisions and winemaking to retain that lovely freshness and vitality so intrinsic to the classic dry style. Great to see some valiant efforts with fuller, richer styles with winemaking artefact.

CLASS 4 - Sauvignon Blanc, 2025

JUDGES' COMMENTS: A class with lots of pungency and freshness. Great to see so much personality from this vintage. Unfortunately, fermentation issues popped out on the weaker wines, along with broad and simple pallet weights. The best wines had good power of fruit and a real energy and crunch.

CLASS 6 - Semillon, 2025

JUDGES' COMMENTS: A very consistent bracket of semillon from the 2025 vintage - lots of wine with great balance between acidity and flavour. Our favourite wines had exception length, well balanced fruit and delicious texture. Less successful wines demonstrated some out of balance use of sugar and some fermentation issues.

CLASS 8 - Semillon, 2023 and older

JUDGES' COMMENTS: A wonderful class of some exceptional examples of the variety, across multiple vintages. The top wines showed exemplary fruit expression, acidity precision and balance, with good fragrance and vibrancy regardless of their age. The lesser wines showed dilute fruit, fermentation impacts, reduction and unbalanced acidity.

CLASS 9 - Pinot Gris or Pinot Grigio, 2025

JUDGES' COMMENTS: A solid class of wines, some wines lacking in fruit intensity and flavour ripeness. Careful attention needs to be paid to timing of picking decisions with a number of under-ripe wines. More attention needs to be paid to ferment issues. Top wines were contrasting styles and should be sought out to see the leading examples of these styles.

JUDGES' COMMENTS: A diverse class displaying a wide array of well-made styles. The top wines showed great fruit drive and expression, with well-handled oak and sulfide complexities. The lesser wines suffered from poor ferment management, under fruited or too much oak and phenolic heat.

CLASS 12 - Chardonnay, 2023

JUDGES' COMMENTS: An exceptional class of 2023 Chardonnays and a joy to judge. The best wines holding incredible freshness balanced with fruit power and carefully constructed back palates. A few had all the assets of greatness but hadn't quite balanced the acidity at the finish.

CLASS 14 - Other White varietal wines, 2025

JUDGES' COMMENTS: Some strong exhibits from some alternative white offerings this year - a highlight being a beautiful Fiano that had great varietal flavour with texture and piquant acidity. Some of the Exhibits generally were lacking a bit of acid (perhaps due to the warmer season in some parts of the country) to meet the fruit weight, and there are still the usual concerns of neutrality rather than varietal celebration.

CLASS 16 - White blends, 2025

JUDGES' COMMENTS: Wines displayed real harmony and intent, with clarity of varietal character and sensitive winemaking. The best examples managed to strike a fine balance between aromatic lift, texture, and drive, with our favourite throwing some oak into the mix.

CLASS 18 - Sweet White wine, 2025 and older

JUDGES' COMMENTS: A small class with a few different options. The judges were taken with the top gold with it's expression and style, but the top wine showed complexity, phenolic drive, acidity balance and freshness. The lesser wines suffered from being out of condition, unbalanced or lacking fruitfulness.

ROSÉ CLASS

CLASS 19 - Rosé, any variety or blend of varieties, any style, 2025 and older

JUDGES' COMMENTS: A slightly underwhelming class, a lot of wines showing premature development, lack of fruit intensity and winemaking issues. Sugar is not a substitute for flavour with a lot of wines being overly sweet. Top wine was a great example of a bright refreshing style of Rosé.

RED WINE CLASSES

CLASS 20 - Pinot Noir, 2024

JUDGES' COMMENTS: A nice class showing bright fruit balanced with ripeness, oak and tannin profiles. Best examples had silky tannins to balance fruit weight and integrated oak. Lovely fruit concentration and balance. Some wines lacked fruit concentration to back up winemaking styles.

JUDGES' COMMENTS: Quite a mixed class with a few wines showing early development. The better wines still holding their vitality and freshness while delivering intriguing flavour spectrum. Great to see some unusual blends in here. The battle for top wine of class was epic between two gold medals as both delivered fantastic aromatic freshness and interest.

SPARKLING CLASSES

CLASS 45 - White & Rosé sparkling wine, classic varieties and blends thereof (Chardonnay, Pinot Noir and Pinot Meunier), bottle-fermented (transfer and Méthode Traditionelle), less than 30 months tirage age. Any vintage or NV (non-vintage)

JUDGES' COMMENTS: Some good styles represented here, from complex and savoury rosés to clean and crispy oystershell mineral wines. Our favourite wine had wonderful complex perfume, with good freshness and balanced acidity and dosage. Some of the wine had some sugar out of balance.

CLASS 57 - Ruby or Vintage Fortified. Any vintage or NV (non-vintage)**No Entries****ALCOHOL FREE AND LOW ALCOHOL WINES**

CLASS 58 - Alcohol-free and low alcohol wines must be made via the de-alcoholisation process, meaning that grapes are fermented, vinified, and created into a fully alcoholic product, then the alcohol is removed. Low alcohol wines must contain less than 1.15% alcohol by volume. Exhibits must be made from grapes only. Wine products, containing additives such as water, will not be allowed. Any vintage or NV (non-vintage)

JUDGES' COMMENTS: Great to see significant improvements in quality across the emerging NoLo category. The best wine showed varietal character and had achieved good balance at the finish. Still a few challenges with getting acidity and sugar in balance, however appalled the pioneering work being done in evolving this consumer relevant category.

Take Back Control of Your Wine Testing with Sentia™

Join the Community of Winemakers Choosing Sentia's Technology

"My father-in-law has been making wine for 40 years and has always been skeptical of new technology. When he used Sentia the first few times he was instantly converted!"

Stephanie Helm

Vintner's Daughter, NSW, AUS

"I am able to assess our grape juice and wine more frequently as well as shortened the turnaround time with results, ultimately enabling better wine making decisions."

Brad Atkins

Steels Gate Wines, VIC, AUS

"The Sentia device has been a game-changer for me... check in on individual barrels or tanks or do composite checks any time ... at a fraction of the cost of having a third-party lab"

Larry Schaffer

Tercero Wines, CA, USA

"The Sentia analyser has been a great tool for our micro winery. We can conduct routine analysis when it suits, get results quickly, and without big costs."

Liam Heslop

Heslop Wines, NSW, Australia

"Sentia is so easy. I save a bunch of time, a bunch of money, I do less work and it's perfectly accurate. Every winemaker needs one, there's no question."

Sandor Faludi

Prohibition Cellars, WA, USA

"We were in the dark about what the sulphur levels were at various stages. The convenience that Sentia has provided has dramatically improved our sulphur management."

Edward Holloway

Adelaide Wine Merchants, SA, AUS
