Royal Agricultural Society of NSW

Welcome from the President

With a proud history running competitions for the benefit of breeders, producers and craftspeople going all the way back to 1823, the Royal Agricultural Society of NSW welcomes entries from right across Australia to be judged at the Sydney Royal Easter Show.

This year, more than ever before, it is important that our competitions and events draw a community response and demonstrate the strength and commitment of breeders, producers, artisans, competitors and exhibitors. Our competitions are held not only to improve the quality of produce and animal breeds – as per our charter – but also to allow all those who enter the opportunity to take pride in their achievements and present them to an eager and curious audience during the Sydney Royal Easter Show.

Your decision to take part in our competitions ensures your place in our history, joining more than 30,000 others each year with a willingness to be judged and assessed, and introduces your entry to Showgoers, consumers, exhibitors and our highly regarded judges.

Sydney Royal competitions are constantly evolving, not only due to industry trends but also due to the innovation and enthusiasm of competitors. Our ability to change and adapt guarantee Sydney Royal awards remain relevant and worth striving for.

Winning an award in a Sydney Royal competition confirms the exceptional standard of your entry and is an incredible acknowledgement of your hard work and dedication as judged by our esteemed panels of judges. As I thank you for considering our competitions, I also thank our judges, stewards, sponsors, committees and supporters.

Whether your entry is award-winning or not, I hope that you enjoy and ultimately benefit from this Sydney Royal experience, and I wish you the very best of luck.

CLOSING DAY OF ENTRY: MONDAY 22 MARCH 2021

Judging Day: Wednesday 31 March 2021

Venue: Poultry & Pigeon (Bruce) Pavilion

The Poultry Young Judges Competition is a unique Competition in its set-up and running, as the Exhibits cannot be handled too often because they tire and don't stand as they do before being handled, which may be unfair to a Competitor trying to judge that Exhibit later in the Competition.

Conditions applicable to these Competitions (Please refer to the above website for a full copy of the Rules, Procedures and Guidelines):

The Competitions are open to Finalists formally nominated by an agricultural show society, high school providing for agricultural studies, or Poultry Club affiliated with the Exhibition Poultry Association of NSW.

A Competitor may enter one, or two, or all three of the Competitions. A Competitor must compete in the Hardfeather, Sofffeather and Waterfowl Judging Competitions to be eligible for the Champion Poultry Young Judges Competition Awards.

Competitors entering all three Competitions shall have priority of entry should there be greater than 16 entries received in any one Competition.

A winner and place-getters shall be determined for each Competition.

There shall be an overall Championship awarded for the winner obtaining the highest score from the three Competitions.

The Competitions will be conducted as follows:

1. Each finalist shall be asked to judge, a male Class of four birds of one breed and a female Class of four birds of another breed, of the birds penned for the Competition. This may include Standard and/or Bantam for Poultry and any two breeds of Waterfowl.
2. The judging criteria to be used shall be the Australian Breed Standards.
3. Eight minutes will be allowed to judge and compose notes for all Classes.
4. Each Competitor shall nominate the Breed/Class of their allocated two breeds for the Oral Section prior to the commencement of the Competition.
5. Handling Points are included in the Judges assessment and Competitors are expected to carefully remove each Exhibit judged, from the pen and return it, in a competent and proficient manner.
6. Two minutes will be allowed for each selected Competitor in the Oral Class.
7. The winner of each of the Competitions (except the Championship) shall be marked out of a maximum of 190 points, i.e. 100 for placing, 50 for Oral presentation and 40 for handling.
8. The Champion, Reserve Champion and other place-getters shall be determined, in order, by the aggregate of points scored in the Hardfeather, Sofffeather and Waterfowl Judging Competitions.

Prize Supporters can be individuals, clubs, associations, commercial institutions or product suppliers. Most Supporters have an association or attachment to the Class that they support - it might be that they have previously won that Class, or wish to encourage competition in that area.

To join up, identify the section or Class you would like to support. Decide whether a cash prize or a trophy is most appropriate; then contact the Prize Coordination Centre. Prizes can be cash, trophies, relevant products or gift vouchers.

PERPETUAL TROPHIES

The purpose of competition at the Sydney Royal Easter Show is to encourage agricultural and pastoral excellence, ensuring the continual improvement of standards. In the 1870s the Society introduced Regulations to govern judges and judging to ensure that competition was consistent and fair, and the tradition of Perpetual Trophies dates back to this time.

The Perpetual Trophies are the most prestigious of all RAS Awards. They have a dual function in recognising superior effort in competition and commemorating people and organisations that have had a long and meritorious connection with the Society. Some of the trophies currently competed for were first won in 1911. Winners of Perpetual Trophies are permanently honoured, taking their place alongside past winners and becoming part of the ongoing tradition of the RAS.

The Perpetual Trophy Collection of the RAS is unique. It comprises a wide range of beautiful and elegant trophies that illustrate an extraordinary history of agricultural judging and the pursuit of excellence.

Enquiries regarding the donation of Perpetual Trophies should be directed to the RAS Heritage Centre.
