ABOUT US

PROMOTING EXCELLENCE IN AGRICULTURE

Since its foundation in 1822, the Royal Agricultural Society of NSW (RAS) has been an influential force in the direction and development of Australian agriculture. The RAS organises events and competitions, acts as a guardian for the state's agricultural heritage, celebrates Australia's achievements in agriculture and works to promote the viability of rural communities by ensuring that Australia remains a thriving and innovative agricultural producer.

WHAT'S ON

ENTERTAINMENT

Gypsy & the Wildflowers

Gypsy & the Wildflowers are a Sydney-based country-inspired band formed through a shared love of roots music and storytelling. They'll be closing out the night with a high-energy set built for a festival finale.

The band features Lynsey Mackay (keys & lead vocals), Hugh Wilson (lead guitar & vocals), Tim Beau Bennett (slide & dobro guitars), Mick Hogan (drums), and Neville L'Green (bass guitar).

Lynsey Mackay

Lynsey Mackay is a powerhouse singer and pianist originally hailing from Scotland. Lynsey has worked as a singer, musician and dancer all over the globe before settling in Sydney, Australia.

Lynsey plays a wide variety of styles as a solo performer to entertain every crowd and is always happy to take a request and initiate a singalong !!

You can also catch her as Stevie Nicks with the Australian Fleetwood Mac Experience, lead singer in Committed to Soul, backing vocalist in the Joe Cocker Story and also with country band Wildflower and blues band Sugar Bowl Hokum.

WHAT'S ON

How do I make my way around the room?

The room is split into red and white wine tasting areas, with wines grouped by varietal. Beer, cider and distilled spirits tastings are also available inside the tasting room. Meet the Makers from wineries, distilleries and breweries, inside the tasting room and outside in the beer garden.

Where are the Trophy Wines?

Trophy Wines will be highlighted within the general wine bays, making the wines available for you to taste as you move across the room, encouraging a more relaxed and enjoyable trophy tasting experience and reducing lines! You will still need to use your tokens to try these very special wines.

Limited trophy tokens will be available to purchase on the day at the Trophy Token Collection counter in the beer garden.

What did a wine score?

You can view the results catalogue online [HERE](#). Results are listed by Class order. The score and any medals the wine won will be noted.

Why is there a maximum pour size?

There are many wines available to taste at the event and we want to ensure that our guests have the opportunity to experience several wines.

Why has some of the wine run out?

Unfortunately, we don't have enough wine for everyone to have a taste of everything and there may be wines that are more popular with guests than others are.

**LAST
DRINKS
AT 6:45PM**

Why isn't the white wine chilled?

Some of the white wine is not chilled so that you can experience and taste the wine as the judges do in the judging process. Chilling wine dulls the taste and flavour, so serving it at room temperature allows all aromas to be at their peak.

Where can I taste Beer & Cider?

Beer & Cider tastings are now available inside the tasting room.

WHAT'S ON

I'm hungry!

The cheese & charcuterie grazing tables within the pavilion are included in the price of your ticket. Bianco Kitchen and Antico Pizza will be offering pasta and pizza for purchase outside in the beer garden.

Masterclasses

Gain insights on tasting and selecting quality wine, beer and spirits at a masterclass. Tickets are essential but if you don't have one and would like to join in, follow the map to the class locations and ask if there is an available spot when you arrive.

Where excellence tells its story

20th President's Medal

Royal Agricultural Society of NSW

Each year, a few remarkable Australian food and beverage producers take the next step in their Sydney Royal journey.

The Royal Agricultural Society of NSW President's Medal recognises Champion producers whose dedication shines through every part of their business – demonstrating integrity, care and innovation in the way they produce, grow and give back.

Becoming a finalist is an opportunity to share your story – the people, values and vision behind your success –and to be recognised among producers helping shape a more sustainable, connected future for Australian food and agriculture.

It's much more than an award. It's acknowledgement of the passion and purpose that define your business, and a chance to open new doors through trusted recognition and genuine celebration.

When your product has earned Sydney Royal Champion status, now is your moment to showcase the story behind it and what makes your enterprise truly stand out.
