CHAIR OF JUDGES

MICHAEL DE LULIIS WINE

Mike De Luliis is more than a winemaker; he's a cornerstone of the Australian wine industry, driven by a profound passion for his craft and a deep commitment to the Hunter Valley. His journey began with a Bachelor of Science from Macquarie University, which laid a strong foundation before he fully immersed himself in wine making. Mike honed his skills with postgraduate studies in Oenology at Roseworthy Campus, completing his qualifications in 1999. Following a formative period working alongside the respected David Hook, Mike launched his own label, De Luliis Wines, with his inaugural crush in 2002.

A pivotal milestone in Mike's career arrived in 2004 when he was chosen as a Scholar for the prestigious Len Evans Tutorial. Today, Mike's expertise is so highly regarded that he's invited back to the Tutorial as a tutor, generously sharing his knowledge during the Shiraz judging sessions.

Mike's dedication extends far beyond his own winery. He's a highly respected figure in wine judging, having contributed his palate and acumen to numerous competitions. His extensive involvement in wine show judging allows him to critically evaluate a vast array of wines, champion diversity and innovation within Australian wine, and, crucially, mentor the next generation of wine show judges, ensuring the continued excellence of Australian wine for years to come.

Charley Castle

Charley Castle and the Boys in the Well offer an old-is-new brand of bluegrass connecting elements of bygone country and folk with modern sensibilities. A fast-paced, infectious dynamic and equally catchy songs make for a holler-inducing live show. In the classic string band style, the group features the talents of Reuben Ryan on acoustic guitar, Henry Junor on double bass and George Teasdell on mandolin, with harmonies galore.

How do I make my way around the room?

The room is split into red and white wine tasting areas. Wines are grouped by varietal. Beer & Cider can be found outside in the beer garden, the Sydney Royal Marketplace, Bianco and Antico Pizza.

Where are the Trophy Wines?

Trophy Wines will be highlighted within the general wine bays, making the wines available for you to taste as you move across the room, encouraging a more relaxed and enjoyable trophy tasting experience and reducing lines! You will still need to use your tokens to try these very special wines.

What did a wine score?

You can view the results catalogue online [HERE](#). Results are listed by Class order. The score and any medals the wine won will be noted.

Why is there a maximum pour size?

There are many wines available to taste at the event and we want to ensure that our guests have the opportunity to experience several wines.

Why has some of the wine run out?

Unfortunately, we don't have enough wine for everyone to have a taste of everything and there may be wines that are more popular with guests than others are.

**LAST
DRINKS
AT 6:45PM**

Why isn't the white wine chilled?

The white wine is not chilled so that you can experience and taste the wine as the judges do in the judging process. Chilling wine dulls the taste and flavour, so serving it at room temperature allows all aromas to be at their peak.

Where can I taste Beer & Cider?

Beer & Cider tastings are available from the bar inside the beer garden.

I'm hungry!

The cheese & charcuterie grazing tables within the pavilion are included in the price of your ticket. Bianco Kitchen and Antico Pizza will be offering pasta and pizza for purchase outside in the beer garden.

THE BEST OF THE BEST

19TH ANNUAL RAS OF NSW PRESIDENT'S MEDAL

Royal Agricultural Society of NSW

Australia's Premier Food & Beverage Award

The President's Medal is Australia's most prestigious award for food and beverage producers. Unlike other awards judged solely on taste, the Medal recognises excellence across the entire production cycle — from gate to plate.

Exhibitors are assessed on six integrated pillars: environmental sustainability, social responsibility, financial sustainability, climate and business shock resilience, succession and governance, and knowledge sharing and industry impact.

The 19th Annual President's Medal will draw from Champion and Trophy-winning Exhibits from the 2025 Sydney Royal Wine, Cheese & Dairy Produce, Fine Food, Beer & Cider, and Distilled Spirits competitions, examining and celebrating producers whose passion, innovation and leadership set a benchmark for the future of Australian agriculture.
