**DR Waugh's, Unequalled**

TRADE MARK

AWARDED FIRST PRIZE

AWARDED FOR BAKING POWDER

SYDNEY INTERNATIONAL EXHIBITION 1880

**Baking Powder**

This unequalled colonial-made **BAKING POWDER** is now fairly established in the estimation of the Public, as the **PUREST AND BEST** preparation of the kind yet produced.

It greatly increases the nutritious properties of Bread, Cakes, Pastry, &c., making them light, wholesome, and easily digestible. Bread made with Yeast, even if eaten before it becomes stale, often ferments again in the stomach, and causes Indigestion, Acidity, &c., but when **DR. WAUGH'S BAKING POWDER** is used fermentation is prevented, and digestion greatly assisted. It has been before the Public over thirty years, and when first introduced, supplied a want greatly felt; the English-made Baking-Powder previously in use having been found to have lost its best qualities through the long sea voyage.

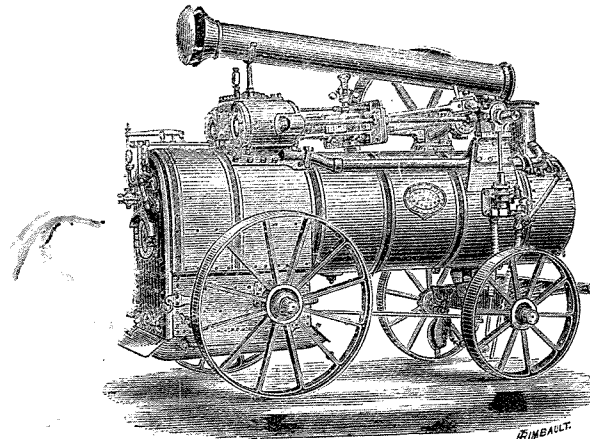

To be had Retail from all respectable Storekeepers and Grocers throughout the Colony, and Wholesale from
