NON-COMPETITIVE.

- 1454A KELMAN, J.
 Pyramid Trophy and Trophy Stand of Wines, from Kirkton vineyards.

Champion Prize—Trophy or £10 for the exhibits taking the greatest number of points 1891 vintage.

REGULATIONS.

1. Exhibitors must be the growers of the Wine entered for the competition; and the wines the produce of grapes only, and samples of a bulk not less than one hundred gallons. The Judges can order any particular wine that they think not pure grape juice to be chemically tested, and if found to contain anything but the pure juice of the grape the exhibitor will be debarred from exhibiting in any future Exhibition.

2. Three bottles of each sample of wine without labels, mottoes, coats of arms, crests or distinctive seals, or marks of any kind, but having only letters affixed (not the initials of the grower), and packed in cases sealed and locked, shall be delivered at the Society's Office, on or before Monday, 23rd of March. The Secretary will mark the cases with numbers in consecutive order as received, and enter them in the name of the exhibitor, giving a receipt for the number so entered.

3. The judging will take place during the week prior to the Show. A separate day will be devoted to old and young wines.

4. Competitors may enter two or more exhibits in one class, but can only take one prize in such class of Wines of the same distinctive character, and made from the same description of grape. Exhibitors shall at the time of delivery at the office, hand to the Secretary certificates signed by them, giving the locality where the Wines are grown, the age, color, whether of light character or full-bodied, or sweet, and any other information relative to the character of the Wines that may assist the Stewards in classifying them.

5. In case of any infringement or neglect of Rule 4, by which the information therein required is withheld, or if any wilful misstatement be made which is calculated to mislead the Stewards in the classification, the Wine shall in such case be disqualified from competition.

6. The Stewards will check and correct the classification of the Wines, and one bottle of each sample will be opened by them for such classification only; and the name of the exhibitor will be withheld from them at the time.

7. As prizes are given for the Young Wines, especially to encourage the farmer, and to enable purchasers to choose good Wines for maturing, a price must be stated, and the Judges will be at liberty to take the amount into consideration in making their awards.

8. Points to be calculated as follows:—First Prize, 2 points; second prize, 1 point.
