CONDITIONS.

Exhibitors must advise the Secretary, at least seven clear days before despatch of the lambs to Flemington Saleyards, giving details of agents who will make delivery.

Each exhibitor shall state the age of lambs and the breed and/or the rams and ewes used to produce the exhibits in Classes 1 and 2.

Exhibits to be selected of suitable age and condition for export.

Six or fewer lambs in each exhibit to be consigned to any Homebush Selling Agent for delivery to the Metropolitan Meat Industry Commissioner, Flemington Saleyards.

Lambs will be immediately slaughtered and graded at the State Abattoirs, Homebush Bay, and the three best carcasses in each consignment selected as the exhibit by a competent grader, and placed in Cold Store to await the Royal Sydney Show.

The Metropolitan Meat Industry Commissioner will dispose of the skins, fat, and unselected carcasses as soon as convenient after slaughter, and the selected carcasses immediately after the Royal Sydney Show. The proceeds of such sales will be forwarded to each competitor less the cost of receiving, slaughtering, weighing, and grading of each consignment.

The judging shall be on a basis of uniform quality of carcasses as called for by export conditions. All carcass, skin, and fat values will be based on those ruling at the date of delivery to the Metropolitan Meat Industry Commissioner of the first consignment received, and these values will be retained as the standard throughout the judging.

The date of slaughtering and the period of storage will be stated when exhibited, and to meet the convenience of exhibitors and so as to give each the opportunity of forwarding exhibits of suitable age, such exhibits will be received by the Metropolitan Meat Industry Commissioner from the 1st July, 1939, up till 24th February, 1940.

The age of the lambs will be determined from the dates furnished by the exhibitor of joining the rams and ewes, allowing 150 days for the gestation period.

In calculating the values of the carcasses the ranges of weights shall be taken as follow:—

- (a) First Range 28 to 32lb. inclusive
- (b) Second Range 33 to 36lb. ..
- (c) Third Range 37 to 42lb. ..

and a decrease between the values ruling in regard to range of weights at the date of delivery to the Metropolitan Meat Industry Commissioner of the first consignment will be allowed between (a) and (b) as well as between (b) and (c).

In estimating the skin value of the exhibit for comparison, the ages must be taken into consideration when determining the value of one line of skins with another.

Lambs shall be judged on the following points:—

	Points.
Suitability for export	90
Skin values	5
Age	5
Carcasses weighing over 36lb. or under 28lb. three points shall be deducted; a further three points shall be deducted for carcasses weighing over 42lb.	
Total	100

THE GOLDEN LAMB TROPHY.

The Metropolitan Meat Industry Commissioner has presented the Golden Lamb Trophy, valued at 25 guineas, for the purpose of encouraging breeders to continuously produce a better type of Australian lamb for export, with the hope that it will stimulate their efforts in this direction.

The Golden Lamb Trophy shall be awarded to the owner of the first prize exhibit in Class 2.

The Judge to make his decision on the three carcasses and their suitability for export on the day of judging.

Goats must be registered in a Herd Book recognised by the Royal Agricultural Society of N.S.W., and proof of registration must accompany all entries for the Show.

For particulars of the Milch Goat Society of Australasia, apply to Hon. Secretary, G. O. Somerville, Endeavour House, 33 Macquarie Place, Sydney.

PENALTY—NON-EXHIBITION OF GOATS.

In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparation, expense and disarrangement of the Show Yard, any person making any entry will be subject to a fine of 10/- for each entry of goats not exhibited, unless a certificate under the hand of exhibitor or his authorised agent be lodged with the Secretary of the Society before the day of Exhibition, to the effect that such non-exhibition is caused either by (1) the death of the animal or animals; or (2) contagious or infectious disease (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered, or other reasonable cause. The non-payment of such fines to debar all persons owing them from exhibiting at future exhibitions of the Society.

The goats will be judged at 10 a.m., Good Friday, 22nd March, and will remain on exhibition on that day and until 5 p.m. on Easter Saturday, 23rd March.
