**Special Attractions**
**SPECIAL HORSE REGULATIONS.**
**PENALTY—NON EXHIBITION OF HORSES.**

In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparation, expense, and disarrangement of the Show yard, any person making any entry will be subject to a fine of £2 for each horse not exhibited, unless a certificate under the hand of the exhibitor or his authorised agent be lodged with the Secretary of the Society before the day of exhibition, to the effect that such non-exhibition is caused either by (1) the death of the animal or animals, or (2) contagious or infectious disease (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered or other reasonable cause. The non-payment of such fines to debar all persons owing them from exhibiting at future exhibitions of the Society.

**Age of Horses.**

The age of all horses to be calculated as from 1st August. Every horse foaled before 1st August in any year shall be deemed to be one year old on that date. A filly is defined as a female under four years of age.

**Veterinary Certificate.**

A certificate of soundness must be produced with:—

- Every stallion 2 years old or over.
- Trotting or Pacing Stallions in harness.
- Every mare in stud classes 3 years old and over.
- All Draught geldings

before such horses shall be allowed to compete. The following certificates will be accepted:—

- Royal Agricultural Society of N.S.W.
- Stock Branch of the Department of Agriculture, N.S.W.
- The Government of any other Australian State or New Zealand, in which case an examination of the horse for identification purposes will be made by the Society's veterinary surgeons.

Stallions and mares will be examined for soundness and conformation by a Board appointed by the Council of the Royal Agricultural Society of N.S.W., consisting of a breeder and two veterinary surgeons, and the Society's certificate will be issued to each animal passed by such Board.

Life certificates will be issued for stallions and mares (not geldings) passed as sound at six years of age. A rig shall not be passed as a stallion.

**Board of Appeal.**—In the case of a horse being rejected for unsoundness, the Board of Appeal shall consist of three veterinary surgeons, and in the case of rejection on conformation the Board shall consist of two breeders and a veterinary surgeon. All appeals shall be decided previous to horses being judged. A deposit of one guinea must accompany each appeal.

Stallions or mares entered in stud classes must not be sold while on the Showground unless each has received a certificate for soundness in accordance with the Society's regulations.

**Entries.**

All entries should be made on the prescribed entry forms. Forms will be posted to exhibitors on application. When forwarding entries exhibitors should state the number of class (as per schedule) for which they desire to compete, together with the following description of the horse, viz.:—Name, colour, and sex, date foaled or age, name and address of breeder, name of sire and name of dam. The rider's colours for jumping and trotting contests must be stated. Every rider or driver in jumping or trotting events must give his name at the scales. All riders and drivers in jumping and trotting events must wear skull caps, which will be provided by the Society.

Exhibitors in stud classes will not be allowed more than three entries in any one class. The same horse cannot enter or compete in two ordinary classes, but can compete in all classes marked special for which it is eligible, provided the entry has been made in the usual way.

A Saddle Horse shall not be eligible to compete in a Harness Horse Class, or vice versa. Similarly, a Buggy Horse shall not compete in a Sulky Turnout Class, or vice versa. A horse having competed in a Buggy or Sulky Turnout Class, or as a Harness Horse, shall not be eligible for a Business Turnout Class, or vice versa. These provisions do not apply to PONIES.

A Brood Mare, exhibited in a class for brood mares, shall not be permitted to compete in Saddle or Harness Classes, but may be entered in all Stud Classes for which she is eligible.

A mare entered in a stud class shall not be eligible to compete in a saddle or harness class, Trotting Exhibitions excepted.

The time of entry shall mean the date on which the entries finally close. Stallions are not eligible to compete in classes (Jumping and Trotting Exhibitions excepted) other than those specially provided for entries.

Horses entered in Trotting Contests are not eligible to compete in saddle and harness classes.

Ladies can ride only in classes provided for ladies, unless otherwise specified. This rule does not apply to Saddle Pony Classes.

No person under disqualification recognised by this Society may exhibit or compete.

Riders in hack classes must be suitably attired.

No horse may be removed from the ground after arrival, unless a pass (obtainable from the Horse Superintendent) is presented to the gatekeeper; in the event of horses removed each night a deposit of £2 must be lodged (vide By-Law 63).

Boxes and Stalls.

Boxes will be guaranteed for stallions only, and will only be reserved for stallions entered and brought into the ground for the Show. As far as possible accommodation for all horses will be provided on the day or night the class or event in which they are entered is scheduled to take place. Accommodation will not be provided for horses which enter the ground after the Show begins. Exhibitors must apply to the Horse Superintendent (office in horse section) for box number. The passes shall be handed back to the Society's official at the ring entrance by the exhibitor, rider, or attendant when leaving the ring at the conclusion of the judging of the class.

Any exhibitor who fails to parade his horses shall forfeit all prize money (if any) won by him and be liable to a fine of £5 for each animal not paraded. A special parade of prize winners will be held on a day to be fixed if time permits. Should a horse be sold prior to the close of the Show, the entrant shall be responsible for the observance of the Parade regulations. This rule will be strictly enforced.

## Be Wise in Time —Now!

You can buy goloshes and umbrella when it begins to rain; you can buy an overcoat when it begins to get cold; you can step into a restaurant when you're hungry—but you can't buy Life Assurance when you're sick or crippled.

Although you may delay buying other things until you feel that you need them, in the matter of Life Assurance, you must get it while the buying is good.

Life Assurance makes the family secure — and to the right-thinking man nothing could be more important.

It relieves the husband and father of one source of worry, and worry is an important factor in shortening life.

Once assured, you have obtained safety for your family and peace of mind for yourself—and both these are certainly worth while.

SCRATCHING.

This Rule will be rigidly enforced.

A nominator must notify the Secretary of the Society, in writing, within 24 hours of the time for starting the event of his intention to scratch his horse. Failure to do so will incur a fine not exceeding £2. The omission of such notification will also be reported to the New South Wales Trotting Club, Ltd.

SPECIAL PROVISION.

The above condition relative to scratching will not be enforced where a horse is produced for inspection and pronounced unfit to compete by the Society's Veterinary Surgeon, or, in the event of a horse being so severely injured or otherwise incapacitated, that it is impossible for it to be brought to the Showground, a certificate to that effect from a registered Veterinary Surgeon will be accepted. Similarly, where a nominator has two or more horses entered for the same event, or where a horse is entered for two events on the one day, exemption from these conditions may be granted at the discretion of the horse committee.

RODEO (Continued).

THE "ATLANTIC ETHYL" CAMP DRAFT.  
NEW SOUTH WALES v. QUEENSLAND.

CONDITIONS.

To obtain the full number of points allowed for the course the competitor must work the obstacles in the proper sequence—that is, the competitor must encircle the first before it is possible to score any points for the second.

A stipulated time will be allowed to each competitor to complete the course, such period to commence from the moment the beast crosses the line on the face of the camp.

In allotting points (except for the course), the judge is entitled to take into consideration the temperament of the beast being drafted and has the right to call a "no round" and order a second beast, if, in his opinion, the circumstances warrant it.

If any beast, after being drafted across the line on the face of the camp, re-crosses that line, or if it escapes from the area while being drafted, it will be considered a "lost beast" and the competitor will not score any points. If, after a beast has been drafted across the line on the face of the camp, a competitor's horse shall fall, no points will be given for that round.

Competitors ride at their own risk.

Camp Drafting will be judged on points, allotted at the discretion of the Judge, the maximum being 100.

Five horses shall be selected for each of the two State teams. One horse to be ridden only by one competitor throughout the competition. The reserve horse may be used at the discretion of the Committee.

(Special Prizes)—£175, viz.: First prize, £100; second prize, £75.

(Special Prizes)—A Cup will be awarded to each competitor.

"Day Money," viz.:—£2 and £1, will be paid to the competitors gaining the highest and second highest number of points in each session.
