NOTICE.

All pigs (except those entered for bacon classes) over four months old must be registered with the Australian Stud Pig Breeders' Society. Pigs, including litters in sow and litter classes, must be from litters duly notified in accordance with the rules of the Australian Stud Pig Breeders' Society. For particulars apply to Branch Secretaries:—G. C. Somerville, Endeavour House, 33 Macquarie Place, Sydney; L. Monod, Temple Court, Collins-st., Melbourne; H. W. Watson, Primary Building, Creek-st., Brisbane; H. J. Finnis, 7 Pirie-st., Adelaide; C. W. May, 18 William-st., Perth.

PENALTY—NON-EXHIBITION OF PIGS.

In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparation, expense, and disarrangement of the Show yard, any person making any entry will be subject to a fine of 10s. for each and every entry of pigs not exhibited, unless a certificate under the hand of the exhibitor or his authorised agent be lodged with the Secretary of the Society before the day of exhibition, to the effect that such non-exhibition is caused either by (1) the death of the animal or animals; or (2) contagious or infectious disease (confirmed by an explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered, or other reasonable cause. The non-payment of such fines to debar all persons owing them from exhibiting at future exhibitions of the Society.

Prizes.—In addition to the cash prizes specified in each class, ribbons will be presented.

Age of all pigs to be calculated from the birth date shown in the litter registration in the herd book up to 1st April.

Full particulars must be stated on the entry form of age, pedigree, herd book number if fixed. In the case where no number is fixed, proof of acceptance for herd book must be produced, except where otherwise specified.

No pig shall be entered for a class for which it is not eligible on account of age. Exhibitors may be disqualified and debarred from further competition for any breach of this by-law.

No boar over 16 months old which has not sired a litter of live pigs shall be eligible to compete.

No pig over 16 months of age shall be eligible to compete unless the date of farrow of the last progeny produced is shown on the entry form.

Boars over 15 months old must have had their tusks cut down at least three weeks prior to judging day.

All pigs exhibited with a sow shall be her own produce, of the same litter, and not exceeding 10 weeks old at the time of the Show.

No sow over two years old which has not produced a litter of live pigs shall be eligible to compete in any of the classes.

Any sow, entered in a sow and litter class, which has not farrowed at the time of judging may compete in a dry class or vice versa. The exhibitor must advise the Secretary as early as possible to enable the transfer to be effected before the time of judging.

All pigs exhibited in group classes must be paraded and judged as a group, and not on their awards in individual classes.

First and second prize sows in litter classes may compete individually for championship prizes.

Any animal in the Pig Classes found to be artificially coloured will be disqualified.

Exhibitors will not be allowed more than three entries in any one class.

Exhibitors from other States should obtain from the Stock Branches of their own State and N.S.W., a "permit to travel" before arranging to despatch the pigs to Sydney.

All pigs shall be fed and attended to by the exhibitor who shall be responsible for the cleanliness and proper condition of the sties while the pigs remain on the Showground, both before and after the pig sales, and shall be subject to the control of the Superintendent of the section appointed by the Society.

In the event of any pig being unfed, or any sty being in improper condition at any time while the pig remains on the Showground, both before and after the pig sales, the officials of the Society shall feed and attend to the pig, and the cost of such feed and attendance shall be borne by the exhibitor of the pig.

Any exhibitor who may neglect to feed and properly attend to all pigs exhibited by him during the period through which they remain in the sties, either before or after the pig sales, shall be liable to disqualification after enquiry by the Council.

No pig shall be removed from its numbered pen without the sanction of the Superintendent.

Each exhibitor or his representative will be allowed to get in the pen and show his pig to the Judge, and must remain in the pen until the Judge has finished with that exhibit.

The Superintendent will take delivery on Showground of all exhibits, and at close of Show will deliver same and issue pass-out checks and return railway certificates.

All exhibits must be penned before 9 a.m., and judging to start at 9.30 a.m., on Monday, 18th March, except for Class 62, for which see.
