### SPECIAL NOTICE:

#### Cattle Judging:

Fat Cattle—Saturday, 5th April, commencing at 2 p.m.  
Stud Beef and Dairy Cattle—Monday, 7th April, commencing at 9.30 a.m.  
Exhibitors in the Stud Beef Cattle Section will be allowed up to FIVE entries in each Class. In Dairy Breeds and Fat Cattle Classes the maximum number will be THREE, unless otherwise specified. Cattle must not be taken from pens to make a single exhibit.

### FODDER.

Exhibitors or their agents desiring to bring fodder on the Showground to feed cattle must apply to the Secretary for a permit. The official fodder store on the Showground will not be open for sale of fodder during the Show. It will be the responsibility of each exhibitor to make his own fodder arrangements.

### PENALTY—NON-EXHIBITION OF CATTLE.

In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparation, expense, and disarrangement of the Show Yard, any person making any entry will be subject to a fine of £1 for each entry of cattle not exhibited, unless a certificate under the hand of exhibitor or his authorized agent be lodged with the Secretary of the Society before the day of exhibition, to the effect that such non-exhibition is caused either by (1) the death of the animal or animals; or (2) contagious or infectious disease (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered, or other reasonable cause. The non-payment of such fines to debar all persons owing them from exhibiting at future exhibitions of the Society.

### SPECIAL CATTLE REGULATIONS.

1. The age of Beef and Fat Cattle to be the actual age up to and inclusive of 1st March, 1941; Dairy Cattle, to and inclusive of 1st January, 1941. An animal born on or prior to 1st March, in the case of Beef Breeds, and 1st January, in the case of Dairy Breeds, of the preceding year, shall not be eligible for the under 12 months old class. A similar provision shall apply to the other age classes when calculating the age from date of birth up to and inclusive of the 1st March or 1st January as the case may be. Full particulars must be stated on entry form of age, colour, pedigree, and herd book number, if fixed. In the case where no number is fixed, proof of acceptance for herd book must be produced except where otherwise specified.

9. All cows entered in the Cow in Milk Classes will be milked dry at 4.30 p.m., Sunday, 6th April, when an inspection will be made. Any cow which, in the opinion of the Stewards, is carrying excessive milk shall be debarred from competition. Sec. 2—CATTLE—(Continued), Shorthorns.

The age of stud animals shall be governed by the certificate issued by the breed Society with which the animal is registered. Where a doubt is raised concerning the age of Fat Cattle, the dentition will be taken or a calf registration certificate issued by the breed society with which the animal is registered.

17. In all dairy classes, Cows in Milk, also Pans and Specials where Cows in Milk are competing, shall be judged first. The Champion and Reserve Champion Dairy Females to be judged immediately after the two and under three years' old class is judged.

JUDGING ARRANGEMENTS.

Applicable to Classes 205, 206, 207, 208, 209, and 210 only.

The steers must be quite tractable in order to be led into the Judging and Sale Rings. They may be either stall fed, grazed on natural pastures, or both.

The steers are to be weighed alive at 9.30 a.m., Saturday, 5th April, and the weights will be handed to the various judges, who will commence judging at 2 p.m., on the same day.

The steers will be sold by auction on behalf of the exhibitors at 3 p.m. on Tuesday, 8th April, after which they will be sent to the State Abattoirs, at Homebush Bay, where they will be slaughtered on Wednesday, 9th April. The judge will not be on the killing floor while the steers are being slaughtered and carcasses dressed. Immediately the carcasses have been removed from the killing floor, the judge will assess his points for hide and fat. The day following slaughter the carcasses will be weighed and judged. The maximum number of points than can be awarded for the dead carcase, hide, and fat is 60. The live weight is also to be furnished to the carcase judge, who has power to have the carcase cut as he wishes in order to arrive at a correct judgment. The prizes are to be awarded to the exhibits that gain most points in the two judgments and are the property of the exhibitors who enter the steers and not the purchasers.

The Committee reserves the right of freezing and placing the 1st, 2nd, and 3rd prize carcasses in a refrigerated cabinet at the Royal Agricultural Society's Show of this year, and delivering same after the Show has terminated. The delivery of carcasses not so selected will not be given to the purchaser or purchasers until the judge has completed his awards.

### CONDITIONS.

Exhibitors must advise the Secretary, at least seven clear days before despatch of the lambs to Flemington Saleyards, giving details of agents who will make delivery.

Each exhibitor shall state the age of lambs and the breed of the rams and ewes used to produce the exhibits.

Exhibits to be selected of suitable age and condition for export.

Six or fewer lambs in each exhibit to be consigned to any Homebush Selling Agent for delivery to the Metropolitan Meat Industry Commissioner, Flemington Saleyards.

Lambs will be immediately slaughtered and graded at the State Abattoirs, Homebush Bay, and the three best carcasses in each consignment selected as the exhibit by a competent grader, and placed in Cold Store to await the Royal Empire Show.

The Metropolitan Meat Industry Commissioner will dispose of the skins, fat, and unselected carcasses as soon as convenient after slaughter, and the selected carcasses immediately after the Royal Empire Show. The proceeds of such sales will be forwarded to each competitor less the cost of receiving, slaughtering, weighing, and grading of each consignment.

The judging shall be on a basis of uniform quality of carcasses as called for by export conditions. All carcasses, skin, and fat values will be based on those ruling at the date of delivery to the Metropolitan Meat Industry Commissioner of the first consignment received, and these values will be retained as the standard throughout the judging.

The date of slaughtering and the period of storage will be stated when exhibited, and to meet the convenience of exhibitors and so as to give each the opportunity of forwarding exhibits of suitable age, such exhibits will be received by the Metropolitan Meat Industry Commissioner from the 1st July, 1940, up till 22nd February, 1941.

The age of the lambs will be determined from the dates furnished by the exhibitor of joining the rams and ewes, allowing 150 days for the gestation period.

In calculating the values of the carcasses the ranges of weights shall be taken as follow:—

(a) First Range .. .. .	28 to 32lb. inclusive
(b) Second Range .. .. .	33 to 36lb. ..
(c) Third Range .. .. .	37 to 42lb. ..

and a decrease between the values ruling in regard to range of weights at the date of delivery to the Metropolitan Meat Industry Commissioner of the first consignment will be allowed between (a) and (b) as well as between (b) and (c).
