CHAMPIONSHIP SHOW.

Held under the Rules and Regulations of the Royal Agricultural Society of New South Wales.
 SPECIAL REGULATIONS.

- All dogs must be registered in this Society's Canine Register and must be the bona fide property of the exhibitor. Fee, 2s. Dogs registered with the Kennel Club (England) or a recognised interstate canine governing body must be re-registered without a fee.
- A dog may be entered in more than one class, subject to the schedule as classified.
- Should any judge be prevented from fulfilling his or her engagement, or where two or more judges appointed to make an award fail to agree, the Society shall have the right of appointing another judge without reference to the exhibitors.
- Prize money will be paid on the Judge's awards, in accordance with the number of entries in each class.
- All dogs must be at the Dog Pavilion at 8.45 a.m. on Tuesday, Wednesday, Thursday, Friday, Saturday, or Monday, 8th, 9th, 10th, 11th, 12th, and 14th April (in accordance with judging groups). The examination of dogs by the Official Veterinary Surgeon of the Society will take place at the pavilion. If approved, the dog must be at once benched. Dogs will not be benched or judged before having been so examined. No person, except the owner or his representative, will be allowed in the pavilion until after the dogs have been examined and benched. Any dog showing symptoms of any disease must be removed from the Showground at once.
- All dogs must be brought to the Show fastened with a suitable chain and collar.
- A challenge and reserve challenge certificate may be awarded in any breed if recommended by the Judge.
- No prize cards or other notices may be placed over the benches except the official prize cards for the current Show. Bench numbers shall not be changed from one pen to another, unless authorised by the Superintendent.
- Dogs must not be removed from the Show building between the hours of 9 a.m. and 6 p.m. daily, unless a Veterinary Certificate be produced stating that the dog is not fit to remain on the bench, or for the purpose of being judged, or for exercise, for which permission must be obtained from a Steward.
- If a dog is not on its bench when required for judging, the Society will not be responsible for its absence.
- Exhibitors must not interfere in any way with the benching as erected, and in particular the partitions between one pen and another must not be removed under any circumstances.
- Only dogs on exhibition for the particular day of judging will be permitted to be benched. This regulation will not apply to prize winners of previous sessions.
- Dogs absent from any class for which they have been entered except in the case of their being ineligible for same shall not be judged in subsequent classes.
- All protests must be lodged (in writing) by noon on the day following the judging, such protests to be placed in a box provided for that purpose in the office of the Secretary on the Showground. The sum of £1 1s. must accompany each protest, and this sum may be forfeited if the protest is considered frivolous. Protests shall be heard by the committees of the sections in which the protests occur, and the recommendations of the committees shall be reported to the Council, whose decision on protests shall be final.
- Delivery of Dogs—The pavilion will be closed to the public at 6 p.m. daily, when the delivery of dogs will commence.
- All exhibits sold at the exhibition, or prior to their return to the owner's residence, will be subject to a commission of 1 per cent. if sold by auction, or 5 per cent. if sold privately, on gross amount of sale.

Note: Should an exhibitor wish to have his or her dogs benched alongside those of another exhibitor of the same breed, notification accordingly must be given on the entry form.

SUBSTITUTE JUDGE.

The Council reserves the right to substitute a judge when deemed necessary.

For the purpose of the Society's records judges will make a Reserve Award when deciding Special Prizes.

Dogs will not be delivered before 6 p.m. daily.

PENALTY—NON-EXHIBITION OF DOGS.

In order to prevent the non-exhibition of dogs which have been entered for the Show, thus causing unnecessary preparation, expense, and disarrangement of the Show benches, any person making any entry will be subject to a fine of 10s. for each and every entry of dogs not exhibited, unless a certificate under the hand of the exhibitor or his authorised agent be lodged with the Secretary of the Society before the day of exhibition, to the effect that such non-exhibition is caused either by (1) the death of the dog or dogs; or (2) contagious or infectious disease (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by the dog or dogs becoming ineligible for the class in which they have been entered or other reasonable cause. The non-payment of such fines to debar all persons owing them from exhibiting at future exhibitions of the Society.

DURATION OF SHOW.

The section is divided into five, each group of exhibits remaining on exhibition for one day only, except in the case of dogs competing for special prizes. See days on which they shall be judged.

Championship Cat Exhibition

Held under the rules and regulations of the Royal Agricultural Society of N.S.W. All Cats must be registered with a recognised governing body.

SPECIAL REGULATIONS.

1. A cat may be entered in more than one class subject to the schedule as classified.
2. All cats exhibited at the Show must be fed by the exhibitor.
3. Prize money will be paid according to the Judge's awards, and the number of cats exhibited.
4. All cats must be at the Dog Pavilion at 10 a.m. on Tuesday, 15th April for examination by the Official Veterinary Surgeon of the Society. The examination will take place inside the pavilion; cats will not be examined outside the pavilion. If approved, the cat must be at once benched. Cats will not be benched or judged before having been so examined. No person, except the owner or his representative, will be allowed in the pavilion until after the cats have been examined and benched. Any cat showing symptoms of any disease must be removed from the Show-ground at once.
5. A challenge certificate may be awarded in each sex in Persians and Siamese classes if recommended by the Judge.
6. No cat shall be removed from the Show building between the hours of 10 a.m. and 6 p.m., unless a veterinary certificate be produced stating that the cat is not fit to remain on the bench.
7. Delivery of cats will commence at 6 p.m. on Tuesday, 15th April.
8. No cat shall be removed from the pavilion unless a "Pass-out" is obtained from the Superintendent.
9. All cats must be judged in their cages, and prior to the judging there shall be no interior or exterior decorations or distinguishing objects, such as coloured blankets, sanitary tins, etc. Plain white blankets will be allowed. The Judge will be instructed to pass any pen so distinguished.
10. No cat or kittens shall be removed from their cages during the Show for any purpose whatsoever without the authority of the Superintendent.
11. The Society will not, under any circumstances, hold itself responsible for any loss or mis-delivery of Live-stock or other Exhibits at the Society's Exhibition, or any damage thereto.
12. The age of all cats will be the actual age on the day of competition.
13. All Exhibits sold at the Exhibition, or prior to their return to the owner's residence, will be subject to a commission of 1 per cent. if sold by auction, or 5 per cent. if sold privately, on gross amount of sale.

PENALTY—NON-EXHIBITION OF CATS.

In order to prevent the non-exhibition of cats which have been entered for the Show, thus causing unnecessary preparation, expense, and disarrangement of the Show benches, any person making any entry will be subject to a fine of 10s. for each and every entry of cat not exhibited, unless a certificate under the hand of the exhibitor or his authorised agent be lodged with the Secretary of the Society before the day of exhibition, to the effect that such non-exhibition is caused either by (1) the death of the cat or cats or (2) contagious or infectious disease (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by the cat or cats becoming ineligible for the class in which they have been entered or other reasonable cause. The non-payment of such fines to debar all persons owing them from exhibiting at future exhibitions of the Society.

Siamese cats can only be entered in Classes 71, 72, and 73.

PASSES.

Exhibitors of cats, up to four exhibits, one pass; over four exhibits, two passes.
Judging to start at 10.30 a.m., Tuesday, 15th April.
