SPECIAL HORSE REGULATIONS.

PENALTY—NON-EXHIBITION OF HORSES.

In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparation, expense, and disarrangement of the Show yard, any person making any entry will be subject to a fine of £2 for each horse not exhibited, unless a certificate under the hand of the exhibitor or his authorized agent be lodged with the Secretary of the Society before the day of exhibition, to the effect that such non-exhibition is caused either by (1) the death of the animal or animals, or (2) contagious or infectious disease (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered or other reasonable cause. The non-payment of such fines to debar all persons owing them from exhibiting at future exhibitions of the Society.

Age of Horses.

The age of all horses to be calculated as from 1st August. Every horse foaled before 1st August in any year shall be deemed to be one year old on that date. A filly is defined as a female under four years of age.

Veterinary Certificate.

A certificate of soundness must be produced with—

- (a) Every stallion 2 years old or over.
- (b) Trotting or Pacing Stallions in harness.
- (c) Every mare in stud classes 3 years old and over.
- (d) All Draught geldings

before such horses shall be allowed to compete. The following certificates will be accepted:—

- (a) Royal Agricultural Society of N.S.W.
- (b) Stock Branch of the Department of Agriculture, N.S.W.
- (c) The Government of any other Australian State or New Zealand, in which case an examination of the horse for identification purposes will be made by the Society's veterinary surgeons.

Stallions and mares will be examined for soundness and conformation by a Board appointed by the Council of the Royal Agricultural Society of N.S.W., consisting of a reader and two veterinary surgeons, and the Society's certificate will be issued to each animal passed by such Board.

Life certificates will be issued for stallions and mares (not geldings) passed as sound at six years of age. A rig shall not be passed as a stallion.

Board of Appeal.—In the case of a horse being rejected for unsoundness, the Board of Appeal shall consist of three veterinary surgeons, and in the case of rejection on conformation the Board shall consist of two breeders and a veterinary surgeon. All appeals shall be decided previous to horses being judged. A deposit of one guinea must accompany each appeal.

Stallions or mares entered in stud classes must not be sold while on the Showground unless each has received a certificate for soundness in accordance with the Society's regulations.

Entries.

All entries should be made on the prescribed entry forms. Forms will be posted to exhibitors on application. When forwarding entries exhibitors should state the number of class (as per schedule) for which they desire to compete, together with the following description of the horse, viz.:—Name, colour, and sex, date foaled or age, name and address of breeder, name of sire and name of dam. The rider's colours for jumping and trotting contests must be stated. Every rider or driver in jumping or trotting events must give his name at the scales. All riders and drivers in jumping and trotting events must wear skull caps, which will be provided by the Society.

Exhibitors in stud classes will not be allowed more than three entries in any one class. The same horse cannot enter or compete in two ordinary classes, but can compete in all classes marked special for which it is eligible, provided the entry has been made in the usual way.

A Saddle Horse shall not be eligible to compete in a Harness Horse Class, or vice versa. Similarly, a Buggy Horse shall not compete in a Sulky Turnout Class, or vice versa. A horse having competed in a Buggy or Sulky Turnout Class, or as a Harness Horse, shall not be eligible for a Business Turnout Class, or vice versa. These provisions do not apply to PONIES.

A Brood Mare, exhibited in a class for brood mares, shall not be permitted to compete in Saddle or Harness Classes, but may be entered in all Stud Classes for which she is eligible.

A mare entered in a stud class shall not be eligible to compete in a saddle or harness class, Trotting Exhibitions excepted.

The time of entry shall mean the date on which the entries finally close. Stallions are not eligible to compete in classes (Jumping and Trotting Exhibitions excepted) other than those specially provided for stallions.

Horses entered in Trotting Contests are not eligible to compete in saddle and harness classes.

No person under disqualification recognized by this Society may exhibit or compete.

All ponies competing in pony events must be unhopped, unless otherwise stated. Conditions in Classes 207 and 208 are that the number of horses to start in each heat is to be determined by the Stewards. Distance, twice around the track.

In the event of a horse galloping the Stewards may disqualify same. The gait of each class shall be governed by its conditions.—Trotters or Pacers shall be restricted to classes specially mentioned; where the gait is not stated both may compete.

At the discretion of the committee trotting horses will be allowed to exercise in parade ring between 6 and 7 a.m., and between 1 and 2 p.m. each day after first day of the Show.

The Committee reserves the right to alter the dates of the various events as circumstances may require. Exhibits in Classes 207 and 208 will be judged by the judge of the stud trotters.

Handicaps will be declared two days prior to the day on which the respective events will take place and will be available for perusal at the offices of the Royal Agricultural Society of N.S.W. and the New South Wales Trotting Club, Ltd.

SCRATCHING.

This Rule will be rigidly enforced.

A nominator must notify the Secretary of the Society, in writing, within 24 hours of the time for starting the event of his intention to scratch his horse. Failure to do so will incur a fine not exceeding £2. The omission of such notification will also be reported to the New South Wales Trotting Club, Ltd.

SPECIAL PROVISION.

The above condition relative to scratching will not be enforced where a horse is produced for inspection and pronounced unfit to compete by the Society's Veterinary Surgeon, or, in the event of a horse being so severely injured or otherwise incapacitated, that it is impossible for it to be brought to the Showground, a certificate to that effect from a registered Veterinary Surgeon will be accepted. Similarly, where a nominator has two or more horses entered for the same event, or where a horse is entered for two events on the one day, exemption from these conditions may be granted at the discretion of the horse committee.

Any penalty incurred by a horse will be declared at the conclusion of the day's events.

All trotting events are open to trotters or pacers in saddle or harness, unless otherwise specified in the conditions of the event.

TIMES RECORDED.

The question as to whether times recorded in heats will be taken into consideration in later handicaps, or as to their effect on the eligibility of horses competing in events during the Show that are governed by a time clause limitation, is a matter for the discretion of the committee.

Where it is found after entries have closed that a horse entered for a trotting event is not eligible for same, the committee reserves the right to transfer the entry to any other class for which the horse may be eligible.
