SPECIAL NOTICE

Cattle Judging
Shorthorns, Herefords, Devons, Aberdeen-Angus, and Red Polls—Saturday, 29th March, commencing at 9 a.m.
Poll Shorthorns, Polled Herefords, Fat Cattle, and Dairy Cattle—Monday, 31st March, commencing at 9 a.m.

FODDER.

The official fodder store on the Showground will not be open for sale of fodder during the Show. It will be the responsibility of each exhibitor to make his own fodder arrangements.

PENALTY—NON-EXHIBITION OF CATTLE.

In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparation expense, and disarrangement of the Show Yard, any person making any entry will be subject to a fine of £1 for each entry of cattle not exhibited, unless a certificate under the hand of exhibitor or his authorized agent be lodged with the Secretary of the Society before the day of Exhibition, to the effect that such non-exhibition is caused either by (1) the death of the animal or animals; or (2) contagious or infectious disease (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered, or other reasonable cause. The non-payment of such fines to debar all persons owing them from exhibiting at future exhibitions of the Society.

SPECIAL CATTLE REGULATIONS.

1. The age of Beef, Dairy Cattle, and Fat Cattle to be the actual age up to and inclusive of 1st March, 1947. An animal born on or prior to 1st March, in the case of Beef and Dairy Breeds, of the preceding year, shall not be eligible for the under 12 months old class. A similar provision shall apply to the other age classes when calculating the age from date of birth up to and inclusive of the 1st March. Full particulars must be stated on the certificate of entry of age, breeding number, colour, pedigree, and herd book number, if fixed. In the case where no herd book number is fixed, proof of acceptance for herd book must be produced except where otherwise specified.
2. All adult animals must have been finally accepted for registration in a recognised herd book (Shorthorns, Poll Shorthorns, Herefords and Polled Herefords are considered as distinct breeds) and proof of registration must accompany all entries for the Show. All animals not of age for registration must be the progeny of registered sires and dams and definitely recorded in the calf register of the breed society represented; proof of foregoing must be supplied in every case.
3. The pedigree of all stock, excepting Fat Cattle, must be stated on the certificate of entry. This does not apply in the case of herd book foundation stock.
4. Exhibitors of Fat Cattle must state on the certificate of entry the name of the breeder, where fattened, and the food upon which the cattle have been kept during the 12 months previous to the Exhibition.
5. Fat Cattle (unless otherwise stated) must not exceed three and a half years old.
6. All cows in the Stud Beef Classes three years old and over, in accordance with the Show Regulations, must be in calf or show signs of having been a breeder. As proof of the latter provision the calf must have been registered with a recognised Herd Book Society during the past 12 months.
7. The exhibitors of dry cows in breeding classes must supply, before judging, a certificate that the cow has calved at least nine months prior to the date of exhibition and has been at least six months in calf.
8. Any cow, entered as dry, if in milk at the time of competition, may compete as a wet cow, and vice versa.
9. All cows entered in the Cow in Milk Classes will be milked dry at 4.30 p.m., Sunday, 30th March, when an inspection will be made. Any cow which, in the opinion of the Stewards, is carrying excessive milk shall be debarred from competition. Should the judge require any cow to be milked out before making his award, same shall be done.
10. A heifer is defined as being under three years old and as not having had a calf.
11. No staining or colouring of horns or skin of any animal entered for the Show will be allowed.
12. Cattle which are not thoroughly tractable to lead will not be admitted to the ground.
13. All bulls, 12 months old or over, must have rings and be provided with leads, and all females, except Fat Cows, must be provided with strong halters and be thoroughly broken to lead.
14. Exhibitors in the Stud Beef Cattle Section will be allowed up to FIVE entries in each Class. In Dairy Breeds and Fat Cattle Classes the maximum number will be THREE, unless otherwise specified.
15. An animal cannot be taken from a pen to make a single exhibit.
16. Judges to be instructed that all cases of doubtful age shall be referred by them to the Stewards before the awards are made. The age of stud animals shall be governed by the certificate issued by the breed Society with which the animal is registered. Where a doubt is raised concerning the age of Fat Cattle, the dentition will be taken or a calf registration certificate issued by the breed Society with which the animal is registered.

18. A dehorned animal, competing in the dairy cattle classes, shall not be penalised for the absence of horns.

19. In awarding the Championship, the first prize winner of the relative sex in each class of the relative Sub-section shall be eligible to compete provided that the first prize winner in the case of dairy breeds is twenty-four months old or over. All first prize animals in pens may compete for Championship prizes.

In awarding the Reserve Championship, the first prize winner of the relative sex in each class of the relative Sub-section, other than the exhibit to which the Championship has been awarded, shall be eligible to compete together with the second prize winner in the class in which the Champion was awarded first prize provided that no exhibit, in the case of dairy breeds, shall be eligible to compete for the Championship or Reserve Championship unless it is over the age of twenty-four months.

In awarding the Junior Championship, the first prize winner of the relative sex in each class of the relative Sub-section shall be eligible to compete provided that no exhibit in the case of beef breeds shall be eligible to compete for the Junior Championship if it is over the age of eighteen months, or in the case of dairy breeds if it is over the age of twenty-four months.

In awarding the Reserve Junior Championship, the first prize winner of the relative sex in each class of the relative Sub-section, other than the exhibit to which the Junior Championship has been awarded shall be eligible to compete together with the second prize winner in the class in which the Junior Champion was awarded first prize provided that no exhibit shall be eligible to compete for the Reserve Junior Championship if, in the case of beef breeds, it is over the age of eighteen months, or in the case of dairy breeds it is over the age of twenty-four months.

If a Champion or Junior Champion shall be disqualified or shall be found to be unqualified to compete in the class for which it was entered, or to compete for the Championship or Junior Championship as the case may be, then the Championship or Junior Championship shall be awarded to the animal which was awarded the Reserve Championship or Reserve Junior Championship as the case may be.

20. Any cattle not fed or watered by the exhibitor or his agent shall be fed and watered by the Society, and the cost charged to the owner or selling agent.

21. Exhibits can be removed from the ground after 3 p.m. on Tuesday, 8th April, without the permission of the Secretary.

22. In all classes where only two or three prizes are offered Very Highly Commended and Highly Commended cards and ribbons may be awarded at the discretion of the judge.

23. To enable the necessary stalls to be prepared, each exhibitor of cattle must, when forwarding entries, state on the certificate of entry the total number of cattle he will be sending to the Show. No cattle can compete in any class additional to those for which they are entered on the certificate of entry.

PARADES.

Cattle must parade daily when called upon by the Superintendent. This rule will be strictly enforced. Any exhibitor who fails to parade his cattle when called upon to do so shall forfeit all prize money (if any) won by him, and be liable to a fine of five pounds (£5) for each animal not paraded.

CONDITIONS.

These competitions are for the purpose of educating and to encourage cattle exhibitors and attendants to parade exhibits before a Judge in the most efficient manner. Suitable attire of competitors and condition of animals, although highly desirable, shall not be the deciding factor except in the case of equality of competitors.

There shall be two competitions, viz.:

- (a) For exhibitors or their principal herdsmen and
- (b) For exhibitors' cattle attendants, other than the principal herdsmen.

From each breed, during the judging of the cattle classes on Saturday, and on Monday, 29th and 31st March, three competitors may be selected for the purpose of competing against other breed competitors on Friday morning, 4th April, in the main Judging Ring opposite the Society's office.

The competition shall commence as soon as the exhibits in each class enter the Judging Ring on Saturday and/or Monday, 29th and 31st March. The selected competitors from each breed shall be those who, in the opinion of the competition Judges, parade their animals in the most efficient manner. Account will be taken of difficulties which a competitor may have in controlling an exhibit.

A Competitor shall not be placed at an advantage or disadvantage as a result of parading animals in a less or greater number of classes.

Each competitor shall be allotted an armband number which must be worn in each class, and in the final judging. The armband number shall be the only form of identification.

For the judging to take place on Friday, 4th April, each selected competitor shall parade an animal as though under actual judging conditions.

One judge shall decide the prizes.

SHORTHORN, HEREFORD, ABERDEEN-ANGUS, RED POLL (weight restrictions will not apply to steers entered in the Aberdeen-Angus and Red Poll Classes), **CHAMPION, AND PEN STEER (SLAUGHTER) CLASSES.**

JUDGING ARRANGEMENTS.

Applicable to Classes 292, 293, 294, 295, 296, 296A, and 297 only.

The steers must be quiet and tractable in order to be led into the Judging and Sale Rings. They may be either stall fed, grazed on natural pastures or both.

The steers are to be weighed alive at 2 p.m., Sunday, 30th March, and the weights will be handed to the various judges, who will commence judging at 9 a.m., Monday, 31st March.

The steers will be sold by auction on behalf of the exhibitors at 3 p.m., on Tuesday, 1st April, after which they will be sent to the State Abattoirs, at Homebush Bay, where they will be slaughtered on Wednesday, 2nd April. The judge will not be on the killing floor while the steers are being slaughtered and carcasses dressed. Immediately the carcasses have been removed from the killing floor, the judge will assess his points for hide and fat. The day following slaughter the carcasses will be weighed and judged. The live weight is also to be furnished to the carcass judge, who has power to have the carcass cut as he wishes in order to arrive at a correct judgment. The prizes are to be awarded to the exhibits gaining the highest number of points in the two judgings and are the property of the exhibitors who enter the steers and not the purchasers.

The Committee reserves the right of freezing and placing the 1st, 2nd, and 3rd prize carcasses in a refrigerated cabinet at the Royal Agricultural Society's Show of this year, and delivering same after the Show has terminated. The delivery of carcasses not so selected will not be given to the purchaser or purchasers until the judge has completed his awards.

JUDGING ARRANGEMENTS.

Applicable to Classes 292, 293, 294, 295, 296, 296A, and 297 only.

The steers must be quiet and tractable in order to be led into the Judging and Sale Rings. They may be either stall fed, grazed on natural pastures or both.

The steers are to be weighed alive at 2 p.m., Sunday, 30th March, and the weights will be handed to the various judges, who will commence judging at 9 a.m., Monday, 31st March.

The steers will be sold by auction on behalf of the exhibitors at 3 p.m., on Tuesday, 1st April, after which they will be sent to the State Abattoirs, at Homebush Bay, where they will be slaughtered on Wednesday, 2nd April. The judge will not be on the killing floor while the steers are being slaughtered and carcasses dressed. Immediately the carcasses have been removed from the killing floor, the judge will assess his points for hide and fat. The day following slaughter the carcasses will be weighed and judged. The live weight is also to be furnished to the carcase judge, who has power to have the carcase cut as he wishes in order to arrive at a correct judgment. The prizes are to be awarded to the exhibits gaining the highest number of points in the two judgments and are the property of the exhibitors who enter the steers and not the purchasers.

The Committee reserves the right of freezing and placing the 1st, 2nd, and 3rd prize carcasses in a refrigerated cabinet at the Royal Agricultural Society's Show of this year, and delivering same after the Show has terminated.
