SPECIAL GOAT REGULATIONS.

Goats must be registered in a Herd Book recognised by the Royal Agricultural Society of N.S.W., and proof of registration must accompany all entries for the Show. For particulars of the Goat Society of Australia, apply to the Secretary, G. C. Somerville, Endeavour House, 22 Macquarie Place, Sydney.

The age of all goats to be calculated from the birth date shown on the kid record and/or registration form. All goats shall be fed and attended to by the exhibitor while the goat remains on the Showground. The official fodder store shall not be open during the currency of the Show, it will therefore be the responsibility of each exhibitor to make his own fodder arrangements. Goats will be judged at 9 a.m., Good Friday, 4th April, and will remain on exhibition (bucks excepted) on that day and until 5 p.m. on Easter Saturday, 5th April. Bucks may leave the Showground after 5 p.m. on Good Friday, 4th April.

In awarding the Championship, the first prize winner of the relative sex in each class of the relative sub-section shall be eligible to compete provided that the first prize winner is 12 months old or over.

In awarding the Reserve Championship, the first prize winner of the relative sex in each class of the relative sub-section, other than the exhibitor in which the Championship has been awarded, shall be eligible to compete together with the second prize winner in the class in which the Champion was awarded first prize provided that no exhibit shall be eligible to compete for the Championship or Reserve Championship unless it is 12 months old or over.

If a Champion shall be disqualified or shall be found to be unqualified to compete in the class for which it was entered, or to compete for the Championship then the Championship shall be awarded to the animal which was awarded the Reserve Championship.

SAANEN TYPE AND PRODUCTION CLASSES.

Conditions.

Exhibits entered in classes 18 to 23 are restricted to Saenons which have gained an Official Lactation Production Test Certificate for 273 days not later than the 30th March, 1947. The age of each doe shall be calculated in accordance with the Official Lactation Recording Scheme conducted by the Department of Agriculture of New South Wales. Unless otherwise stated there shall be no age allowance.

Each exhibit shall be judged for type and production, viz.: 40 points for type, and 60 points for milk and butter-fat production.

Each doe shall be credited with one point for every 70lb. milk over her age standard with a maximum of 30 points. Each doe shall also be credited with one point for every 3lb. butter fat over her age standard with a limit of 30 points.

Exhibits in classes 16 to 23 may be selected from those in general Saanen classes, provided that each doe is nominated before the closing date of entries.
