#### SPECIAL HORSE REGULATIONS.

##### PENALTY—NON-EXHIBITION OF HORSES.

In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparation, expense, and disarrangement of the Show yard, any person making any entry will be subject to a fine of £2 for each horse not exhibited, unless a certificate under the hand of the exhibitor or his authorised agent be lodged with the Secretary of the Society before the day of exhibition, to the effect that such non-exhibition is caused either by (1) the death of the animal or animals, or (2) contagious or infectious disease (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered or other reasonable cause. The non-payment of such fines to debar all persons owing them from exhibiting at future exhibitions of the Society.

##### Age of Horses.

The age of all horses to be calculated as from 1st August. Every horse foaled before 1st August in any year shall be deemed to be one year old on that date. A filly is defined as a female under four years of age.

##### Veterinary Certificates.

A certificate of soundness must be produced with :—

- Every stallion 2 years old or over.
- Trotting or Pacing Stallions in harness.
- Every mare in stud classes 3 years old and over.
- All Draught geldings.
- All Plough horses

before such horses shall be allowed to compete. The following certificates will be accepted :—

- Royal Agricultural Society of N.S.W.
- Stock Branch of the Department of Agriculture, N.S.W.
- The Government of any other Australian State or New Zealand, in which case an examination of the horse for identification purposes will be made by the Society's veterinary surgeons.

Stallions and mares will be examined for soundness and conformation by a Board appointed by the Council of the Royal Agricultural Society of N.S.W., consisting of a breeder and two veterinary surgeons, and the Society's Certificate will be issued to each animal passed by such Board.

Life certificates will be issued for stallions and mares (not geldings) passed as sound at six years of age.

A rig shall not be passed as a stallion.

Board of Appeal.—In the case of a horse being rejected for unsoundness, the Board of Appeal shall consist of three veterinary surgeons, and in the case of rejection on conformation the Board shall consist of two breeders and a veterinary surgeon. All appeals shall be decided previous to horses being judged. A deposit of one guinea must accompany each appeal.

Stallions or mares entered in stud classes must not be sold while on the Showground unless each has received a certificate for soundness in accordance with the Society's regulations.

##### Entries.

The same horse cannot enter or compete in two ordinary classes, but can compete in all classes marked special for which it is eligible provided the entry has been made in the usual way.

A Saddle Horse shall not be eligible to compete in a Harness Horse Class, or vice versa. Similarly, a Buggy Horse shall not compete in a Sulky Turnout Class, or vice versa. A horse having competed in a Buggy or Sulky Turnout Class, or as a Harness Horse, shall not be eligible for a Business Turnout Class, or vice versa. These provisions do not apply to PONIES.

If a Champion shall be disqualified or shall be found to be unqualified to compete in the class for which it was entered, or to compete for the Championship as the case may be, then the Championship shall be awarded to the animal which was awarded the Reserve Championship as the case may be.

Measuring Horses and Ponies.

Horses, galloways, and ponies entered in classes for which the height is limited must be measured by the Official Measurer before competing. No exhibit shall be judged unless so measured.

Should a horse, galloway, or pony be found by the Official Measurer to be over or under height for the class in which it has been entered it may be transferred to a corresponding horse, galloway, or pony class.

Horses, galloways, and ponies will not be measured unless the breastplate showing their number in the class for which they are being measured is produced to the Official Measurer for the purpose of enabling him to mark and initial his measurement thereon.

The Official Measurer will issue a certificate as to height and this certificate must be produced to the Steward at the entrance to the judging ring. Life certificates will not be issued.

The Official Measurer will attend at the Showground on Friday, Saturday, and Monday, 28th, 29th, and 31st March, from 10 a.m. to 5 p.m. Ponies will be measured on Friday and Saturday, 28th and 29th March.

Roll Call in Marshalling Yard.

Competitors in ring events must have their horses in the Marshalling Yard under the Martin and Angus Stand not later than 15 minutes prior to the commencement of the event. Any exhibitor not being present with his or her horse at the time of the roll-call, which will be taken five minutes before the commencement of the event, will not be permitted to compete in such event. After the roll-call the steward in charge of the Marshalling Yard will advise the Ringmaster the number of competitors present and ready to compete in the event about to take place.

Arrival of Exhibits.

Unless otherwise stated in the Ring and Table, all horses (ponies excepted) must be on the Showground before 9 a.m., Tuesday, 1st April. Stud ponies and those saddle and harness ponies which will be judged on Monday, 31st March, must be on the Showground not later than 9 a.m. on that day. Stallions and mares will be examined on the Showground on Friday, Saturday, and Monday, 28th, 29th, and 31st March. Draught geldings and plough horses will be examined from 8 a.m. and not later than 9 a.m., on Good Friday, 4th April, on which day they will also be judged. Animals will not be examined on Tuesday, 1st April (Judging Day). Horses entered for harness classes and contests must be on the ground one hour, at least, before the judging or contests take place. Horses coming long distances may be stabled on the Showground before the Show.

Passes for attendants can be obtained at the Secretary's office on the Showground on presenting exhibitor's entry ticket. No horse may be removed from the ground after arrival, unless a pass (obtainable from the Horse Superintendent) is presented to the gatekeeper; in the event of horses removed each night a deposit of £2 must be lodged (vide Regulation 42).

Boxes and Stalls.

Boxes will be guaranteed for stallions only, and will only be reserved for stallions entered and brought into the ground for the Show. As far as possible accommodation for all horses will be provided on the day or night the class or event in which they are entered is scheduled to take place. Accommodation will not be provided for horses which enter the ground after the Show begins. Exhibitors must apply to the Horse Superintendent (office in horse section) for box number. One box will be allotted for feed and storage for every 15 pedigree horses. Exhibitors must share these boxes. In the event of any person placing horses in boxes or stalls, or removing numbers without authority, the horse will at once be removed from the Showground by order of the Secretary.

Bedding and feed will be placed in boxes at the expense of exhibitor before the arrival of horses, provided the Secretary is notified of the time of arrival. Exhibitors must not use sawdust and/or wood shavings in bedding down their horses.

Exhibit Numbers.

Exhibit and box numbers will be supplied at the Horse Superintendent's office situated in the Horse Section. On all occasions the exhibit number must be affixed to each horse before entering the ring. Pass-out checks and return railway certificates can also be obtained at this office.

Ring Passes.

No exhibitor, rider, or attendant will be permitted to enter the ring unless he or she has received a ring pass for the particular class from the Horse Superintendent. The passes shall be handed back to the Society's official at the ring entrance by the exhibitor, rider, or attendant when leaving the ring at the conclusion of the judging of the class.

Parades.

All horses must parade as they are shown in their competitive classes daily. Any exhibitor who fails to parade his horses shall forfeit all prize money (if any) won by him and be liable to a fine of £5 for each animal not paraded. A special parade of prize winners will be held on a day to be fixed if time permits. Should a horse be sold prior to the close of the Show, the entrant shall be responsible for the observance of the Parade regulations.

This rule will be strictly enforced.

A ring will be provided for the sale of horses and for the accommodation of buyers. Admission within the said ring by ticket obtainable at entrance.

Stallions or mares entered in stud classes must not be sold while on the Showground unless each has received a certificate for soundness in accordance with the Society's regulations.

Regulation 37.—All exhibits sold at the Exhibition, or prior to their return to the owner's residence, will be subject to a commission of one per cent. if sold by auction, or five per cent. if sold privately, on the gross amount of the sale.

Departures.

All horses, except those competing in contests to take place after 5 p.m., Tuesday, 8th April, may depart from the Show on that day at 5 p.m.

Horses must not be removed from the ground unless a pass (obtainable from the Superintendent) is presented to the gatekeeper. Exhibitors wishing to keep their horses on the Showground after the conclusion of the Show must obtain permission from the Secretary, who may grant the privilege for a period not exceeding 14 days.

Railway Certificates.

Certificates granting free rail carriage of unsold horses, returning to the station they were trucked from, can be obtained at the Superintendent's office. These certificates should be obtained before the horses leave the ground, and should be presented at the Stock Booking Office at Central Railway Station, when the horses are trucked, otherwise full trainage will be charged. A free rail certificate will not be issued unless the exhibit is returned to the Station from whence it was trucked within four weeks of the date of the forward journey.

Exhibitors—Third Party Risk.

Exhibitors and owners of horses, cattle, pigs, goats, poultry, dogs, and cats, are protected by insurance against ordinary third party risks arising from any injury or damage caused by their animals or birds from the time of their arrival on the Showground up to the time of their departure the Society having taken out a policy covering the legal liability of owners and exhibitors of such stock in this respect.

Entries for the trotting events close at 5 p.m. on Saturday, 4th February, and must be made in writing, and shall contain the age, colour, sex, and pedigree (if any) of the horse and a list of the three best placed performances, also whether the horse will compete, hopped or unhopped, in each event for which it is entered.

All riders and drivers must wear skull caps to be provided by the Society. All trotting events to finish opposite the Sutor Stand. The horses to trot or pace to the left around flag poles. All handicaps and starts to be made by distance.

All ponies competing in pony events must be unhopped, unless otherwise stated. Conditions in Classes 218 and 219 are that the number of horses to start in each heat is to be determined by the Stewards. Distance, twice around the track.

In the event of a horse galloping the Stewards may disqualify same. The gait of each class shall be governed by its conditions. Trotters or Pacers shall be restricted to classes specially mentioned; where the gait is not stated both may compete.

At the discretion of the committee trotting horses will be allowed to exercise in parade ring between 6 and 7 a.m., and between 1 and 2 p.m. each day after first day of the Show. The Committee reserves the right to alter the dates of the various events as circumstances may require. Exhibits in Classes 218 and 219 will be judged by the judge of the stud trotters.

**HANDICAPS.**

Handicaps will be declared two days prior to the day on which the respective events will take place and will be available for perusal at the office of the Royal Agricultural Society of N.S.W. and the New South Wales Trotting Club, Ltd.

**SCRATCHING.**

This Rule will be rigidly enforced.

A nominator must notify the Secretary of the Society, in writing, within 24 hours of the time for starting the event of his intention to scratch his horse. Failure to do so will incur a fine not exceeding £2. The omission of such notification will also be reported to the New South Wales Trotting Club, Ltd.

**SPECIAL PROVISION.**

The above condition relative to scratching will not be enforced where a horse is produced for inspection and pronounced unfit to compete by the Society's Veterinary Surgeon, or, in the event of a horse being so severely injured or otherwise incapacitated, that it is impossible for it to be brought to the Showground, a certificate to that effect from a registered Veterinary Surgeon will be accepted. Similarly, where a nominator has two or more horses entered for the same event, or where a horse is entered for two events on the one day, exemption from these conditions may be granted at the discretion of the horse committee.

Any penalty incurred by a horse will be declared at the conclusion of the day's events. All trotting events are open to trotters or pacers in saddle or harness, unless otherwise specified in the conditions of the event.
