NOTICE.

All pigs (except those entered for bacon classes) over four months old must be registered with the Australian Pig Society. Pigs including litters in sow and litter classes, must be from litters duly notified in accordance with the rules of the Australian Pig Society. For particulars apply to Branch Secretaries:—G. C. Somerville, Endeavour House, 33 Macquarie Place, Sydney; I. Monod, Temple Court, Collins-st., Melbourne; H. W. Watson, Primary Building, Creek-st., Brisbane; H. J. Flinn, 7 Pirie-st., Adelaide; J. B. Marshall, 18 William-st., Perth; A. J. Stewart, 15 St. John-st., Launceston, Tas.

PENALTY—NON-EXHIBITION OF PIGS.

In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparation, expense, and disarrangement of the Show yard, any person making any entry will be subject to a fine of 10s. for each and every entry of pigs not exhibited, unless a certificate under the hand of the exhibitor or his authorised agent be lodged with the Secretary of the Society before the day of exhibition, to the effect that such non-exhibition is caused either by (1) the death of the animal or animals; or (2) contagious or infectious disease (confirmed by an explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered, or other reasonable cause. The non-payment of such fines to debar all persons owing them from exhibiting at future exhibitions of the Society.

Prizes.—In addition to the cash prizes specified in each class, ribbons will be presented. Age of all pigs to be calculated from the birth date shown in the litter registration in the herd book up to 1st April. Full particulars must be stated on the certificate of entry of age, pedigree, herd book number if fixed. In the case where no number is fixed, proof of acceptance for herd book must be produced, except where otherwise specified.

No pig shall be entered for a class for which it is not eligible on account of age. Exhibitors may be disqualified and debarred from further competition for any breach of this by-law.

No boar over 17 months old which has not sired a litter of live pigs shall be eligible to compete. No pig over 17 months of age shall be eligible to compete unless the date of farrow of the last progeny produced is shown on the certificate of entry.

Boars over 15 months old must have had their tusks cut down within six weeks of judging day. All pigs exhibited with a sow shall be her own progeny and not exceeding eight weeks old at the time of the Show.

No sow over two years old which has not produced a litter of live pigs shall be eligible to compete in any of the classes. Any sow, entered in a sow and litter class, which has not farrowed at the time of judging, may compete in a dry class or vice versa. The exhibitor must advise the Secretary as early as possible to enable the transfer to be effected before the time of judging.

All pigs exhibited in group classes must be paraded and judged as a group, and not on their awards in individual classes. First and second prize sows in litter classes may compete individually for Championship and Reserve Championship prizes as defined hereunder.

In awarding the Championship, the first prize winner of the relative sex in each class of the relative Sub-section shall be eligible to compete.

In awarding the Reserve Championship, the first prize winner of the relative sex in each class of the relative Sub-section, other than the exhibit to which the Championship has been awarded, shall be eligible to compete together with the second prize winner in the class in which the Champion was awarded first prize.

In awarding the Junior Championship, which prize is restricted to Berkshires, Large Whites, Middle Whites and Tamworths, the first prize winner of the relative sex in each class of the relative Sub-section, shall be eligible to compete provided that no exhibit shall be eligible to compete for the Junior Championship if it is 11 months old or over.

If a Champion or Junior Champion shall be disqualified or shall be found to be unqualified to compete in the class for which it was entered, or to compete for the Championship or Junior Championship, as the case may be, then the Championship or Junior Championship may be awarded to the animal which was awarded the Reserve Championship or Reserve Junior Championship as the case may be.

The removal from an exhibit of any natural markings or interference by staining, or otherwise, to dissemble natural markings will entail disqualification, and the exhibitor will be dealt with as the Council may deem fit.

Exhibitors will not be allowed more than three entries in any one class. Exhibitors from other States should obtain from the Stock Branches of their own State and N.S.W. a "permit to travel" before arranging to despatch the pigs to Sydney.

All pigs shall be fed and attended to by the exhibitor, who shall be responsible for the cleanliness and proper condition of the sties while the pigs remain on the Showground, both before and after the pig sales, and shall be subject to the control of the Superintendent of the section appointed by the Society.

In the event of any pig being unfed, or any sty being in improper condition at any time while the pig remains on the Showground, both before and after the pig sales, the officials of the Society shall feed and attend to the pig, and the cost of such feed and attendance shall be borne by the exhibitor of the pig.

Any exhibitor who may neglect to feed and properly attend to all pigs exhibited by him during the period through which they remain in the sties, either before or after the pig sales, shall be liable to disqualification after enquiry by the Council.

No pig shall be removed from its numbered pen without the sanction of the Superintendent. Each exhibitor or his representative will be allowed to get in the pen and show his pig to the Judge, and must remain in the pen until the Judge has finished with that exhibit.

The Superintendent will take delivery on Showground of all exhibits, and at close of Show will deliver same and issue pass-out checks and return railway certificates. All exhibits must be penned before 9 a.m., and judging to start at 9.30 a.m. on Monday, 31st March, except for Classes 66, 67, and 68, for which see.

A declaration must also be made on the certificate of entry substantiating these particulars.

Sec. 5—PIGS—Pork and Bacon Pig Classes (Continued).

Any pen of pigs which, in the opinion of the judge is not uniform in type and conformation, or which has a difference of more than 15lb. between the weights of the lightest and heaviest pig of the group, will not be judged.

All pigs will be weighed at 3 p.m. on the day prior to judging; a margin of 5lb. either under or over the specified weights will be allowed.

Scale of Judging Points for Classes 66, 67, and 68.

The exhibits shall be judged on the English standard for dressed carcasses, viz. :—

Cold weight of each exhibit will be taken simultaneously with the carcass appraisal.

The judge's decision to be final.

Pigs are to be weighed alive on Thursday, 27th March, and the weights will be handed to the judge, who shall commence his live judging at 10.30 a.m. the same day. At the conclusion of the live judging two pigs from each pen will be sent to the State Abattoirs, Homebush Bay, Sydney, where they will be killed and dressed. For the purpose of identification, each pig sent to the State Abattoirs will be body tattooed by the Society. The two pigs selected for slaughter shall be the heaviest and lightest exhibit in the pen. The lightest exhibit will be sectioned to ascertain the required measurements. One carcass shall remain intact whilst the other will be cut into sides, one of which shall be cut in half at the last rib. The carcasses will then be judged in accordance with the above-mentioned points. Cold weight will be taken simultaneously with the carcass appraisal. At the conclusion of the carcass judging the first prize winning carcasses will be hung in the Metropolitan Meat Industry Commissioner's refrigerated cabinet at the Royal

Agricultural Society's Show this year, where they will remain until the termination of the Show. Delivery of unselected carcasses shall be made immediately after judging. Note :—For educational purpose, photographs of the three winning live pigs will be displayed in the Metropolitan Meat Industry Commissioner's refrigerated cabinet on the Sydney Show-ground. For succeeding Royal Easter Shows the photographs of the three winning pigs with the two selected carcasses of the immediate previous Royal Easter Show will also be displayed in a like manner.
