### SPECIAL REGULATIONS.

- All classes are open for competition to wine growers and wine merchants.
- A wine merchant shall mean any person, association, or company buying wine.
- A wine grower shall mean any wine grower owning or occupying a vineyard, and manufacturing wine from grapes grown in such vineyard, or from grapes purchased for the purpose of wine-making.
- Exhibitors may either be members or non-members of the Society. Entry fee: Members, 5s.; non-members, 10s.
- Exhibitors will be allowed up to three entries in any one class. Each wine sample to consist of three quart (reputed) bottles. Two quart (reputed) bottles are to be supplied for Brandy and Vermouth. Exhibitors entering the same wine in more than one class must supply the full number of sample bottles for each entry.
- All wines will be judged on points.
- No exhibitor will be awarded more than one prize in any one class. Where an exhibitor has more than two entries in a class only the exhibit securing the highest number of points shall be considered for the prize. The succeeding prizes will be awarded in a similar manner among the remaining exhibitors in that class.
- The judge may award prizes on the basis of First, Second, Third, Very Highly Commended, Highly Commended, and Commended, but prize money will only be allocated for first and second awards.

- No person will be allowed to inspect a certificate of entry, after reception by the Secretary, until the Judges awards have been made public.
- After the close of entries, no person will be permitted access to the exhibits, except the Judges, Stewards, Secretary, and Staff, until the awards have been made.

2. Exhibitors may either be members or non-members of the Society. Entry Fee: Members, 5s; non-members, 10s.
3. Each exhibitor will be allowed up to three entries in any one class, except for liqueurs which shall be restricted to one entry of any one brand in each class. Each exhibit shall consist of two reputed quarts or four reputed pints, drawn from Bond and sealed by Customs Department, and shall be of the alcoholic content prescribed for the class in which it is entered.  
(N.B.—Bottles must not be labelled with business labels. Branded bottles and corks are permissible.)
4. No person shall enter any whisky, gin, brandy, rum, liqueur, and cider as an exhibit unless he has in stock, available for sale, a supply of such spirit as stipulated in respect of each class of exhibit hereunder. A margin of variation of 2% in strength to be allowed for any exhibit, unless otherwise stated. Liqueurs must be made from natural extracts or flavourings, and must not contain synthetic flavourings.
5. Exhibits must represent stocks as set out on certificate of entry, and be the bona fide property of the exhibitor at the time of entry.
6. No entry will be received from any person or persons disqualified by this or any other similar Society during the period of such disqualification. Should any such entry be accepted, it shall, when discovered, be deemed void and the entry fee and exhibit shall be forfeited to the Society.
7. No person will be allowed to inspect a certificate of entry, after reception by the Secretary, until the Judges' awards have been made public.
8. Immediately after the closing date of entries a draw will be made for the selection of three exhibitors from whose entries a further draw will be made to enable one sample to be selected from each exhibitor. An official of the Society shall make an inspection of the quantity in accordance with the certificate of entry, and his report will be later considered by the Committee.
9. After the close of entries no person will be permitted access to the exhibits, except the Judges, Secretary, and Staff, until the awards have been made.
10. Each exhibit must be accompanied by a declaration:—(a) that it conforms with these regulations; (b) that it has not been subjected to any treatment since its release from Bond; and (c) that it has not been blended with any imported spirit or liqueur.
11. Every exhibit must be contained in a bottle clearly marked to show the nature of the exhibit, the year of exhibition, the number of the class in which it is entered, and the name of the exhibitor, and such bottles must be packed in cases or hampers or other suitable containers bearing the name and the address of the exhibitor which must be addressed to the Secretary, Royal Agricultural Society of New South Wales, Showground, Moore Park, Sydney, and be delivered to the Showground not later than Monday, 20th January, 1947.
12. In all classes the stock as stated on the certificate of entry may be inspected and checked by a representative of the Society or its nominee. Each exhibitor must supply the Society with a sealed envelope containing the record of any sale made subsequent to their entries being lodged, provided such sale has reduced the stipulated quantity below the minimum.
13. No exhibitor will be permitted to occupy the position of Judge or Steward or become in any way identified with the judging or handling of the exhibits.
14. No exhibitor will be awarded more than one prize in any one class. Where an exhibitor has more than two entries in a class, only the exhibits securing the highest number of points shall be considered for the prize. The succeeding prizes will be awarded in a similar manner among the remaining exhibitors in that class.
15. The judge may award prizes on the basis of First, Second, Third, Very Highly Commended, Highly Commended, and Commended, but prize money will only be allocated for first and second awards.
16. All persons exhibiting shall accept the decision of the Judges appointed by the Society as to the merits of their exhibits.
17. No protest will be entertained unless made within three days of the close of the last judging day of the section.
18. No exhibitor shall advertise or allow to be advertised by any means whatsoever and whether by broadcasting, pictorially, or in writing, the fact that any exhibit has won any prize in this section unless such advertisement shows clearly in type of equal prominence both the class in which such prize was won and the qualifications necessary for entry in that class.
