Commonwealth DISTRICT COMPETITION

SPECIAL REGULATIONS.

Exhibits, as stated hereunder, must be in position and ready for judging not later than 9.30 a.m., Monday, 22nd March. Judging to commence at 9 a.m., Monday, 22nd March, with non-perishable exhibits, 1 p.m., Monday, 22nd March, with perishable exhibits.

REGULATIONS FOR THE COMMONWEALTH DISTRICT COMPETITION.

1. The Society's By-laws, with these Regulations, will govern this Competition.
2. For the Best Collection of Exhibits from Districts as defined in the following Regulations—

PRIZES £500.

In addition, £100 will be given for each District Competing.

Example—1 District	£600
2 Districts	£700
3 Districts	£800
4 Districts	£900
5 Districts	£1000

To be divided in proportion to the percentage of points gained by each exhibit. Any collection securing fewer than 1400 points will not be entitled to an award.

ORGANISING EXPENSES

3. The sum of £500 for organising purposes (in addition to Prize Money) will be paid to each competing district.
4. A Shield, value £50, is offered for this Competition. The winner of the Competition each year to have name engraved on Shield and hold same for year. Shield to be returned to the Royal Agricultural Society seven days before the succeeding Show.

ENTRY FEE, 5s.

5. Collections may consist of all or any of the articles mentioned in Clauses 1 to 11 of the Scale of Points hereinafter set out. NO EXHIBITS OTHER THAN THOSE ENUMERATED IN THE SCALE OF POINTS SHALL BE INCLUDED IN THE COLLECTION. All produce must have been raised during the current season, or during the immediately preceding season.
6. All exhibits will be ineligible for competition in the general classes. Exhibitors wishing to compete in open classes must forward a separate exhibit, and enter such exhibit in the usual manner with the Secretary of the Society.
7. All exhibits, wheat excepted, will be judged in a similar manner to that in the Open Classes.
8. All exhibits are to be sent by the cheapest railway or steamship route at the cost and under the direction of the Royal Agricultural Society. The exhibits of each District are to be sent in one lot as far as possible, and ALL EXHIBITS ARE TO BE CERTIFIED BY THE SECRETARIES OF THE CONTRIBUTING SOCIETIES TO SUCH DISTRICT COLLECTION. The Consignment Note must be endorsed "For District Exhibit." Every parcel or package bearing the District Label will be carried to Sydney free of rail charges. Any parcel or package NOT BEARING THE DISTRICT LABEL must be sent carriage prepaid and NO REFUND WILL BE MADE by the Society of the amount so paid. EXHIBITS FOR INDIVIDUAL CLASSES IN THE AGRICULTURAL SECTION MUST NOT BE CONSIGNED WITH THOSE FOR THE DISTRICT EXHIBIT.
9. All collections must be in charge of a responsible member or nominee of the Societies exhibiting same, who will have to arrange and display the exhibit to the best advantage.
10. No exhibitor or person representing a District shall address any Judge while the latter is judging. All explanations must be supplied to the Stewards in every case. No Steward shall consult with the Judge or offer any advice or suggestion in respect to the number of points to be allotted in any case. During judging no person shall be admitted to the Courts except the Judges, Stewards, and Delegate or Delegates appointed by the District to explain any details which may be considered necessary by the Stewards.
11. The Judges shall be requested to return to the Courts the day after judging for the purpose of explaining the allocation of points. An exhibitor shall only be awarded one prize in any one class.
12. WHEN A JUDGE CONSIDERS THAT ANY EXHIBIT OR ANY PORTION THEREOF DOES NOT POSSESS SUFFICIENT MERIT, OR CANNOT BE GROWN COMMERCIALY IN THE DISTRICT EXHIBITING IT HE SHALL REPORT SAME TO THE STEWARD-IN-CHIEF WHO WILL ARRANGE FOR SUITABLE ACTION TO BE TAKEN.

13. The Judges have full power to obtain through, but not from, the Stewards such expert assistance as they think fit.

14. All exhibits must be the bona fide production of the District exhibiting same. Any District committing a breach of this regulation will be liable to disqualification.

15. The Society will erect all stands required in the Courts for the display of the Sections of the Exhibits. The Organisers MUST send plans of their Courts to the Secretary of the Royal Agricultural Society the first day of February immediately preceding the Show. Otherwise the Organisers must use the Stands in their Court used by them at the last Show. THE COURTS WILL BE ERECTED BY THE SOCIETY AND MAY BE DECORATED BY EXHIBITORS WITH PASTORAL OR AGRICULTURAL PRODUCTS OF THE DISTRICT, WHICH PRODUCTS MUST COME WITHIN THE SCALE OF POINTS FOR THE COMPETITION, EXHIBITS USED FOR DECORATIONS SHALL NOT BE TAKEN INTO CONSIDERATION BY THE JUDGES IN AWARDING SECTIONAL POINTS, BUT POINTS WILL BE ALLOTTED UNDER THE HEADING OF ATTRACTIVENESS OF GENERAL DECORATIONS. Where sheaves of hay or other produce used for decorative purposes cannot be conveniently inspected by the Judge a sufficient portion of such exhibit must be in a position where it can be readily examined.

16. For the purpose of this Competition the State of N.S.W. is nominally divided into nine districts, comprising the undermentioned groups of Societies. Exhibits from districts in other States are eligible to compete, such districts to be those recognised by the leading Society of the State represented.

17. The boundaries of the Societies now exhibiting as Districts shall be the recognised boundaries of such. For Districts not at present exhibiting the Societies as grouped in these rules are to be taken merely as a guide to the portions of the States the products from which can be appropriately grouped. Societies or Organisers of District Societies Exhibits are invited to consult the Secretary on this matter. The District Organisers are advised that in the event of any dispute between two Districts as to the produce of any part it should be referred to the Secretary of the Royal Agricultural Society of N.S.W.

ROSTER FOR DISTRICT EXHIBITS.

It has been decided to limit the number of exhibiting Districts to five (5). The Council reserves the right to require one or two Districts scoring the lowest number of points to stand out of the following competition. Entries should be guaranteed not later than 1st June for the succeeding competition.

NOTE.—Sydney and its environs—viz., within ten miles of the G.P.O.—are not to be included in any of the above Districts. No produce of any State Institution may be included in any exhibit.

SCALE OF POINTS USED IN THE JUDGING OF EXHIBITS.

Each District Exhibit Committee may, subject to the approval of the Society, eliminate from the scale of judging points any commodity or commodities for which the judging points shall not exceed approximately 120. The whole of a Section or portion of same (Nos. 1 to 11) or the whole of a Sub-Section may be included in the elimination but any elimination shall not include portion of a Sub-Section. The commodity or commodities eliminated shall be restricted to those not generally commercially grown in the district. A list of all commodities proposed to be eliminated must be furnished to the Society not later than 28th February, each year for approval or otherwise. In consequence of this provision the competition shall be decided upon the highest percentage of points gained by the commodities exhibited in the respective Courts.

Tomatoes, Peas, and Beans: N. S. Shirlow

Sweet Corn: A. J. Grantham, W. D. Kerle

All exhibits to be the property of and grown by the exhibitor.

Roots to be judged in accordance with their excellence on the following points, in the order stated, viz.:—Perfection of form, fineness of neck and tap-roots, as well as fineness and smoothness of skin, solidity, weight, and size. Such roots as an experienced Judge would select as the most true and perfect for producing seed for table use, rather than the specimens of the greater size, to be preferred.

STANDARDS FOR JUDGING VEGETABLES.

French Beans.—Pods should be fresh and young with no pronounced development of the seeds; of good colour; straight (compatible with the variety); fleshy, tender and brittle. Pods should be uniform in size, and should not be mis-shapen or over mature.

Cucumber.—(Long, green type).—Should be of good shape, young, desirably straight (absence of marked spindling), firm and crisp, with a clear skin and the bloom present. The pulp should constitute the greater portion of the cucumber. Faults are sponginess, staleness and over maturity, characterised by loss of colour.

Cucumber.—(Apple shape).—Should be firm, young and crisp. The pulp should constitute the greater portion of the cucumber. Faults are sponginess, staleness, and over maturity, characterised by loss of colour.

Marrows.—Should have a clear skin and be young, fresh and tender with a small seed cavity and thick flesh.

Onions.—Should be firm, of a uniform size and shape, with a small neck. There should be no depres-

sion or softness round the base of the neck. The protective scale-like leaves should completely surround the onion. Exhibits should be free of peelers, doubles, splits and seeders.

Peas.—The pods should be of uniform size and maturity; young, and well filled with large tender peas. The peas should be of good flavour, desirably sweet, and of a uniform dark-green colour.

Pumpkin.—Should be mature and possess good internal colour; deep, firm, and finely grained flesh. Should be solid and weighty. The specimens should be exhibited with a small portion of the stem attached. Defects are over maturity, presence of "bone," pale flesh.

Squash.—Exhibits should possess a clean, smooth skin, small seed cavity with a well developed flesh. They should be young. Over-maturity is a defect.

Tomatoes.—Should be uniform in size, shape and appearance, possessing clean, unblemished skin. Fruit should be evenly ripened, of good colour and flavour, and having a minimum of core. They should be firm, free from pultiness, with a complete absence of cracking. Flesh should be thick, both of outer walls and sections. Defects are presence of cracking, blemishes due to insect pests, diseases, weather, large core.

Back of today's Case tractors and machines is more than a century of experience. Along the years Case has pioneered many new machines, many advances in farm practices. The consistent purpose has been to make farm work easier, farm earnings greater. That purpose plus that experience adds up to "knowing how."

One result of Case experience is the extra ENDURANCE for which Case machines are known. It comes mainly by making every part a bit better than might seem necessary.
